DOWNPAYMENT ASSISTANCE LOAN PROGRAM (DALP)

I. INTRODUCTION TO DOWNPAYMENT ASSISTANCE LOAN PROGRAM

A. PROGRAM SUMMARY

The Mayor's Office of Housing and Community Development (**MOHCD**) administers the Downpayment Assistance Loan Program (**DALP**). This manual describes the program guidelines and processing procedures for the DALP. It also establishes the roles and responsibilities of the City and County of San Francisco, MOHCD, the first mortgage lenders and homeownership counseling agencies. Finally, it describes the qualifications and requirements of prospective first-time homebuyers. MOHCD shall review and update these guidelines annually to reflect changes in the market and better meet the community's needs.

B. DEFINITIONS

1. **Appreciation:** An amount representing the increased value of a property determined by comparing the fair market value (**FMV**), or sale price of a property from the time of the original purchase to the new FMV or sale price at the time of resale.
2. **Area Median Income:** The median income for the San Francisco Metropolitan Statistical Bay Area as defined by HUD, and adjusted for household size. The amounts are adjusted by HUD on an annual basis.

Bonus room and finished room will be considered as bedroom, if the room meets the above requirements. The size of a household must be compatible with the size of the unit being purchased. A minimum of one person per bedroom is required.
5. **Below Market Rate Housing Units (BMR):** are properties administered by MOHCD, priced to be affordable to program and income eligible first-time homebuyers. The BMRs are subject to occupancy and resale restrictions. (A homebuyer purchasing a BMR with Household Income up to 120% Area Median Income may apply for BMR DALP).
6. **Borrower:** The applicant and all persons 18 years and older who will reside in the property.
7. **Condominium:** As defined in Planning Code Section 401.
8. **DAHLIA:** The Database of Affordable Housing Listings, Information and Applications.
9. **Dependents:** The household members who reside in the property and who are listed as dependents in the Borrowers' Federal Income Tax returns.
10. **Director:** Director of the Mayor's Office of Housing and Community Development, or other official designated by the Mayor of the City and County of San Francisco.
11. **Domestic Partner:** As defined in Family Code Section 297-297.5.
12. **Eligible Household:** To be considered a member of a household, a person must either be (1) on the title and the loan documents for the unit or (2) claimed as a dependent on the tax return of a household member who will appear on the title and loan for the property. A household is defined in terms of

financial relationships and can include any owner partnerships as long as their combined gross, annual income meets the eligibility guidelines. All household members must be first time homebuyers.

13. **Fair Market Value:** The value of a property based upon the determination of an authorized appraisal report mutually acceptable by both the City and the Borrower.

22. **In-Law Units:** An area within the property that is autonomous from the principal residential area and has been constructed or converted to accommodate a living space for a separate household complete with kitchen and bath.
23. **Liquid Assets:** Liquid Assets are any funds which are available to liquidate, including but not limited to savings, checking accounts, Certificates of Deposit, stocks, gifts, cash on hand, and other investments held by any occupant of the Borrower's household including minors. MOHCD will not count qualified retirement accounts toward an applicant's assets. Such retirement accounts are limited to accounts that are intended for retirement and that would incur a penalty if withdrawn before a specified retirement age per each account. 24. **Live-work Units:** Those units designated by ordinance and zoning to qualify as legal living space within a commercially or industrially zoned building. - 2) DALP funds are limited to providing loans to eligible First Time Homebuyer households whose Household Income of all members 18 years of age and older do not exceed 175% of the Area Median Income, as determined in accordance with Section II(A) below.
- 3) DALP funds must be used towards the purchase of a qualified housing unit. No more than \$250 proceeds can be directly given to any borrower.

II. PROGRAM REQUIREMENTS

A. BORROWER ELIGIBILITY REQUIREMENTS

In order to apply for a DALP loan, Borrower must meet the following requirements:

- 1) **First Time Home Buyer Requirements:** No member of the applicant household may have owned any interest in a residential unit during the three-year period preceding the date of the DALP application. The period shall be counted backwards from the DALP application submittal date. An applicant shall be deemed to have owned an interest in a residential unit regardless of whether or not that interest results in a financial gain, is in another state or country, or if the applicant has ever used the property as a primary residence. Notwithstanding the foregoing, the following interests shall not, by themselves, disqualify an applicant from being considered a first time homebuyer: (1) ownership of timeshares; (2) loan cosigners from previous real estate transactions; (3) appearing on title solely in the capacity as a trustee for a trust, where the trustor is living at the time and in the residence; (4) being a named beneficiary of a trust that includes a housing unit amongst the trust assets, but only if the trustor is living at the time and in the residence; and (5) ownership of shares in a limited equity co-op. MOHCD may verify first-time homebuyer status by: (a) reviewing mortgage deductions on the three most recent years of federal tax returns for each applicant; (b) relying on a signed statement by an applicant stating his or her homeownership status; (c) a title search; or (d) any other means reasonable to determine First-time Homebuyer status.

In addition to the above, all applicants must also complete and submit a First Time Homebuyer Affidavit (“**FTH Affidavit**”).

2) Income and Assets Requirements

- a. **Maximum Income Limits:** Borrower’s Household Income cannot exceed 175% of the Area Median Income (AMI). As of March 28, 2016, the income limits as follows:

Persons per household	One	Two	Three	Four	Five
80% AMI	\$60,300	\$68,900	\$77,550	\$86,150	\$93,050
90% AMI	\$67,850	\$77,550	\$87,250	\$96,950	\$104,650
100% AMI	\$75,400	\$86,150	\$96,950	\$107,700	\$116,300
110% AMI	\$82,950	\$94,750	\$106,650	\$118,450	\$127,950
120% AMI	\$90,500	\$103,400	\$116,350	\$129,250	\$139,550
175% AMI	\$131,950	\$150,750	\$169,650	\$188,500	\$203,550

- b. **Determining Baseline Household Income:** Household Income maximums are based on “gross” income derived from all sources as detailed in Internal Revenue Code (26 USC Section 61), whether or not exempt from federal income tax. Such income includes, but is not limited to, the following:

- Compensation for services, including fees, commissions, and similar items;
- Income from assets;
- Gross Income derived from business;
- Gains derived from dealings in property;
- Interest;
- Rents;
- Royalties;
- Dividends;
- Alimony and separate maintenance payments;
- Annuities;
- Income from life insurance and endowment contracts;
- Pensions;

Income from discharge of indebtedness;
Distribution share of partnership Gross Income;
Income in respect of a decedent;
Income from an interest in an estate or trust; and
Public benefits including but not limited to CalWORKs, SSI, Disability income.

MOHCD projects future income based on the Gross Income set forth on each applicant's past three income statements for each source of income. MOHCD must review income documentation for all Household members 18 years and older, regardless of dependency status.

The following three methods have been adapted by MOHCD for calculating household income for qualification purposes under the DALP. All three methods will be applied to each household, and MOHCD will use the methodology that yields the highest annual household income.

a) Calculating Income from Paystubs (Current Test)

Use the most current paystub, divide the year-to-date gross income by the current pay period number to get the pay period average. Then multiply the pay period average by the total number of pay periods the applicant receives in one calendar year.

Example of Calculating Income with Paystubs:

Year-to-date (YTD) income as stated on the most recent paystub for the calendar year = \$20,000

Current pay period number on most recent pay stub = 10

Estimated pay period amount = \$2,000 (\$20,000 divided by 10)

Total number of pay periods in one year for the applicant = 24

Annualized pay = \$48,000 (\$2,000 x 24)

b) Year-to-date Income and Last Year's Income

Use the most current paystub (or the last paystub received if the applicant currently receives no income) to determine the applicant's year-to-date gross earnings. Add the year-to-date earnings to the household's gross income from the most recent year's income tax return. Divide this number by 12 (to account for last year's earnings) + the number of months the applicant's year-to-date income encompasses. This is the average monthly income. Multiply this number by 12 to annualize.

Example of Calculating Income using YTD plus Last's Year's Income:

Year-to-date (YTD) income as stated on the most recent paystub for the calendar year = \$20,000

Gross income from last year's income tax return: \$50,000

Number of months applicant has worked this year: 6

$\$50,000 + \$20,000 = \$70,000$

$6 \text{ months} + 12 \text{ months} = 18 \text{ months}$

$\$70,000/18 = \$3,888.89$ (average monthly income)

$\$3,888.89 \times 12 = \$46,666.67$ (annualized income)

c) Two-Year Average

Add the household's gross income from the two most recent years' income tax returns. Divide this number by 2 to get the two-year average.

Example of Calculating Income using the Two-Year Average:

Gross income from last year's income tax return: \$50,000

Gross income from the previous year's income tax return: \$55,000

$\$50,000 + \$55,000 = \$105,000$

$\$105,000/2 = \$52,500$ (average annual income)

Tips and Bonuses: When calculating income based on paystubs, tips and commission will be annualized. Bonuses will be annualized unless the applicant can provide documentation from the employer that the bonus was a one-time occurrence. In this case, the bonus amount will be removed from the annualization of the income and added in one time to the total annual income that is determined.

Seasonal Workers: MOHCD will not annualize current income for seasonal workers who provide a Verification of Employment from their employer(s) verifying that the work does not occur year-round.

Calculating Income from Government Income: For applicants receiving government income of any source, the income is derived by multiplying a regular monthly statement by 12 months or by referring to an annual award letter.

Calculating Income from Self-employed Income: All self-employed applicants must submit a notarized Self-Employed affidavit provided by MOHCD. In general, any individual who has a 25% or greater ownership interest in a business is considered to be self-employed. Self-employed borrower's employment and income will be verified by obtaining from the applicant : (1) copies of his or her federal income tax returns (both individual returns and in some cases, business returns) that were filed with the IRS for the past three years with all applicable schedules attached, and (2) profit & loss statements to date from last tax filing. MOHCD will use the income from tax returns and/or annualized earnings from profit & loss statements, whichever calculation yields the higher annual household income, to determine eligibility.

Calculating Income from Cash Income: In the case of an applicant who is paid in cash for employment, MOHCD will require a Verification of Employment from the applicant's employer to confirm annual income and IRS form 4506-T to verify that no taxes were paid by said employer.

Unemployed Applicants: Unemployed applicants who are receiving no income at all should submit an Unemployed Affidavit as provided by MOHCD in place of income statements. Applicants receiving unemployment benefits do not need to complete the Unemployed Affidavit as unemployment benefits are considered income. All unemployed applicants will be required to complete and sign Authorization for Release of Records from Employment Development Department ("**EDD Authorization for Release of Records**") during the DALP application processing for MOHCD to validate applicant's unemployment and income.

Verification of Employment: An official Verification of Employment signed by an applicant's employer may be used as the final proof of an applicant's income, if needed.

Information with respect to gross monthly income may be obtained from available loan documents executed during the four-month period ending on the date of the closing of the mortgage, provided that any gross monthly income not included on the loan documents must be included in determining gross monthly income. The income to be taken into account in determining Gross Income is income of the Borrower (or Borrowers) and any other person over 18 years of age who is expected to live in the residence being financed. If the co-Borrower, co-signer or co-habitant meets both requirements in the sentence above, include his/her income in your Household Income calculations.

- c. **Liquid Assets:** Prior to purchase, Borrower can have up to \$300,000 in Liquid Assets. If a Borrower's Liquid Assets exceed \$300,000 at the time Household Income is determined, Borrower will not qualify for a DALP loan. If Borrower's Liquid Assets are less than or equal to \$300,000 at the time the property is purchased, Borrower may retain a maximum of \$60,000 total in Liquid Assets and must apply any Liquid Assets in excess of \$60,000 toward the purchase of the property.

Evidence that Liquid Assets have been transferred to another individual or into an unavailable asset account, or have been spent (except on unexpected emergencies, such as funeral expenses, travel costs related to illness, repair of a vehicle, medical needs and housing needs) to avoid use in the purchase will result in denial of the Borrower's application.

- d. **Allowable Age of Income and Assets Documents:** must be no more than 60 days old at the time of submission of the DALP loan application. When consecutive documents are in the loan file, the most recent document is used to determine whether it meets the age requirement. For example, when three consecutive monthly bank statements are used to verify a depository asset, the date of the most recent statement must be no more than 60 days old.

3) Eligible Household Member

Household Size Determination and Requirements: An eligible household member must either be:

- 1) On all title and loan documents for the property. All spouses or domestic partners must be included in the household and must appear on the application, title and loan for the DALP loan.
- 2) As a dependent on the tax returns - All household members who are under 18 years of age must be the legal dependent of an adult household member. An unborn child will be counted as a household member with verifiable medical documentation. Elderly adult household members may be considered as dependent as long as they are listed as a dependent on the most recent tax return. All income from dependent adults and children must be included in the total household income. Spouses and Domestic Partners are not considered dependents.

Household Size Compatibility: The size of a household must be compatible with the size of the unit being purchased. A minimum of one person per bedroom is required. In other words, a single person may purchase a studio or a one-bedroom unit; a two-person household may purchase a two-bedroom unit or a smaller unit if they choose; a three-person household may purchase a three-bedroom unit; and so on.

Title and Loan Requirements: All adult Household members must appear as an owner or co-owner on the property title and must co-sign for any purchase loan for the property with the following exceptions:

- (1) Legal dependents of titleholders as claimed on the most recent federal income tax return or legal minor children of titleholders. Spouses or Domestic Partners are not considered dependents;
 - (2) Household members younger than age 24 who are the child of a titleholder who will reside in the housing unit as their primary residence, regardless of being named as a dependent on the federal tax form of a titleholder; and,
 - (3) Recent immigrants with insufficient credit history, defined as a person who has been in the United States for 2 years or less as supported by entrance documentation or a sworn statement and lender documentation of the reason for loan denial, including a copy of the borrower's credit report.
- 4) Title Transfer Restrictions:** Title transfers are not permitted except under the following limited circumstances: (A) a transfer resulting from death of a borrower where the transfer is to a co-borrower; (B) a transfer where the spouse or domestic partner becomes a co-owner of the property; (C) a transfer into an inter vivos trust in which the borrower is the sole beneficiary and continues to occupy the property as a principal residence; or (D) a transfer resulting from a decree of dissolution of marriage or domestic partnership, legal separation agreement, or from a property settlement agreement incidental to such a decree in which one of the borrowers becomes the sole owner of the property; or (E) a transfer between co-borrowers.

For any of the above permissible transfers, the homeowner must submit a written request to MOHCD for approval. The homeowner must present supporting documents with their request, including but not limited to, a copy of final trust agreement (any proposed change or revision to a MOHCD-approved trust must be first submitted to MOHCD for approval), marriage certificate or state domestic partnership, death certificate, divorce decree or legal separation agreement issued by court. Upon approval, MOHCD may require the homeowner to execute an addendum to City documents related to the property by which the transferee(s) shall assume the same rights and responsibilities with respect to those documents as the transferor(s). MOHCD reserves the right to identify additionally prohibited title vesting and transfers.

- 5) Minimum Down payment Requirements:** The borrower must contribute a minimum of five percent (5%) of the fair market value toward the down payment of the property. Of the total 5%, 2.5% must come from the Borrower's own funds from a verifiable source (held in a financial institution), and the remaining can come from gifts or grants. Borrower must have sufficient funds to meet the required down payment plus necessary reserve funds.
- 6) Post Purchase Reserve Funds:** Borrower must have at least three months' worth of housing payments (principal, interest, property taxes, insurance and homeowners association dues) in liquid

reserves after purchasing the home. This provides assurance that the mortgage can be paid even if the borrower is experiencing cash flow problems.

- 7) **Homebuyer Education Requirements:** All adult household members on title must complete the first-time homebuyer education course through one of the five MOHCD-approved housing counseling agencies. A certificate of completion of homebuyer education must be included with the application package. For a schedule of the homebuyer course, borrower may call or visit the housing counseling agencies website: www.sfmohcd.org or post on www.homeownershipsf.org. Certificates must have been dated within the last 12 months from the date of the application submission for DALP.
- 8) **Owner-Occupancy Requirements:** All household members must occupy the purchased property as their Principal Residence within 60 days after the close of escrow. Thereafter, all household members must reside in the property as their principal residence a minimum of 10 out of 12 calendar months for the term of the loan or until the property is sold. Compliance monitoring will be performed and documented proof of occupancy required at intervals determined by MOHCD.
- 9) **Non-Discrimination and Privacy Requirements:** All borrower eligibility requirements contained in this manual must be applied without regard to the race, creed, color, gender, religion or national origin of the borrower. Lenders shall be sensitive to the privacy interests of the borrowers, and should use the information received only for purposes of verifying the borrowers' eligibility for a downpayment assistance loan.
- 10) **Conflict of Interest:** The purpose of the homeownership loans and housing programs administered by MOHCD is to assist low-income and middle-income households with reaching the goal of homeownership, and to increase housing opportunities in San Francisco. MOHCD employees are eligible to participate in these programs with the exception of those employees who directly implement or approve homeownership loans or assistance, including: the Director, Director of Homeownership & BMR Programs, Chief Financial Officer, and other program and fiscal managers and staff who qualify, review, approve or disburse MOHCD's homeownership and housing program loans. This policy also applies to immediate family members of said staff including spouse and children.

B. PROPERTY ELIGIBILITY REQUIREMENTS

- 1) **Property Requirements:** All properties purchased with DALP funds must be single-family residences located in the City and County of San Francisco. The residences may be a single-family house, Condominium, Townhouse/Town Home, Loft or Live Work Unit (as long as the property will be used as the owner's principal residence).
- 2) **Purchase of Tenant-Occupied Property:** Under eviction protection covered by the SF Rent Ordinance, tenants may only be evicted by the landlord for one of the 16 just cause reasons under the Ordinance Section 37.9(a). DALP borrower cannot purchase a housing unit in which any unlawful rental eviction has occurred.
- 3) **Property Size Requirements:** Property size must be compatible with the size of the household. A minimum of one person per bedroom is required. There is no restriction on purchasing a housing unit that has fewer bedrooms than the household size. Properties containing rental units and in-law units in addition to the unit to be purchased are not eligible for a DALP loan.
- 4) **Property Flipping:** DALP cannot be used to purchase properties resold within 90 days and priced more than 20% above the initial purchase price.
- 5) **Inspection Reports Requirements:** A "general home inspection", performed by a state-licensed and independent third party home inspector, is required for all properties purchased with DALP funds. The inspection should include electrical, wiring, plumbing, roofing, insulation and structural features. In addition, MOHCD requires a "pest control inspection" report for wood destroying pests and organisms to be conducted by a reputable license holder issued by the California Department of Consumer Affairs and the California Structural Pest Control Board. Both inspection reports shall be no more than 90 days old at the time of DALP submission, acceptable to the borrower and submitted to MOHCD along with the DALP application. All reported deficiencies that pose immediate health and safety hazard or code violation must be corrected as a condition prior to funding of a DALP Loan. The City and County

of San Francisco will not be held liable for any misrepresentation, false claims or information contained in the inspection reports.

The City and County of San Francisco maintains the right to deny the loan, due to the condition of the property. If the first mortgage lender is requiring repairs to the property, you must include a copy of the clearance report prior to close of escrow. All units must be complete with respect to health and safety construction or repairs and ready to occupy. **Escrow holdbacks for constructions and repairs are not allowed.**

Violations or corrections may be referred to the MOHCD's Lead and Rehabilitation Department for evaluation and program qualification. Please visit MOHCD's rehabilitation website at www.sfmohcd.org for program requirements.

For newly constructed properties (single family and condominium units) an inspection report is recommended but not required.

All borrowers must submit a signed and notarized **General Release and Waiver of Liability** form along with the DALP application.

- 6) **Appraisal Report:** MOHCD requires a fair market appraisal to be completed to Uniform Standards of Professional Appraisal Practice standards by qualified appraisers holding a California Certified Appraisal License (issued by the Office of Real Estate Appraisers), preferably with a Member of the Appraisal Institute member designation (issued by the Appraisal Institute), and with experience valuing similar properties in the Bay Area; A copy of the appraisal report must be attached to the DALP application. The appraisal report should be no more than 90 days old at the time of submission of the DALP loan application.

III. FINANCING REQUIREMENTS

- 1) **General Loan Requirements:** Borrowers who apply for DALP funding must be able to qualify for a first mortgage from a Participating Lender prior to submitting an application for a down payment assistance loan. Borrowers must have sufficient funds to meet the required down payment, and necessary reserves to meet the escrowed monthly mortgage payments. Unless pre-approved by MOHCD, the DALP loan must be in second position behind the first mortgage.

Impounds: The primary lender must collect and manage impound accounts for payment of property tax and hazard insurance for the term of the primary loan.

First Mortgage Requirements: The first mortgage loan must be a 30-year fixed rate mortgage, the mortgage payment must be fully amortizing. Loan Types not allowed: reverse mortgage, stated income, ARM – adjustable rate mortgage, interest-only, negative amortizing, and balloon payments. MOHCD reserves the right to identify additionally prohibited loan programs and/or characteristics.

Co-Signing: Co-signing for a DALP loan by a non-household member is not allowed.

Loan Signing: No power of attorney is allowed. All applicants must be physically present to sign loan documents.

Non-recurring loan closing costs: DALP Funds cannot be used to pay for non-recurring loan closing costs. The borrower will be responsible for any escrow fee or closing costs associated with the completion of the transaction. The amount of non-recurring closing costs shall not exceed 3% of the purchase price.

Seller/Realtor/Lender Credits: Credit funds are allowed for non-recurring loan closing costs. All credits must be used in escrow, no more than \$250.00 cash may be paid back to borrowers at close of escrow. Any excess cash must first be applied towards the purchase. Credit or cash back towards pay-down of the first mortgage principal is not allowed. Borrower cash back for pay-down of other debts is also not acceptable.

- 2) **Maximum DALP Loan Amount:** is \$375,000. Qualifying loan amounts are based upon Household Income and debt to income ratio.

- 3) **DALP Loan Reservation:** DALP funds, as specified in the commitment letter issued to a borrower, will be placed on reserve for a period of no more than 45 days from date of the commitment.
- 4) **DALP Loan Term:** The term of the DALP is 30 years. The DALP is a no interest, no monthly payment, and deferred loan due upon sale, rent, or title transfer of the property. If requested by Borrower, MOHCD may approve, in its sole discretion, a maximum of two five-year extensions at the end of 30-year loan term.
- 5) **Maximum Combined Loan-To-Value Requirement (CLTV):** The maximum CLTV cannot exceed 95%, which includes the first mortgage, DALP and any other borrowed subordinate financing. The minimum first mortgage loan LTV cannot be less than 50%.
- 6) **Debt to Income Ratio (DTI):** Borrower's monthly housing debt, including mortgage principal, interest, property taxes, property insurance, and if applicable mortgage insurance and homeowner's association dues cannot be less than 33% (front-end-ratio) of the gross household income. The front end ratio shall not be more than 40%. The ratio of monthly housing costs, plus all other household monthly recurring debts (including credit cards, car payments, etc.) cannot exceed 43% (back-end-ratio) of the gross Household Income.

Some Borrowers may qualify for first-mortgage financing at higher ratios than those cited above. Recognizing that the financial circumstances of each borrower are unique and that there may be other factors besides debt-to-income ratios that reflect the borrower's ability and willingness to repay mortgage loans, the MOHCD may consider higher ratios if two or more of the following indicators are present:

- a) Proven ability to devote a larger amount of income to housing expenses. The borrower has successfully demonstrated an ability to make rental payments for twelve consecutive months that are equal to or greater than the proposed monthly payments for the housing being purchased;
- b) Substantial net worth as demonstrated through non-liquid assets and retirement accounts;
- c) FICO credit score greater than 700;
- d) Demonstrated potential for increasing his/her earnings;
- e) Housing expense will not increase more than five percent over previous housing payments.

Lenders and Borrowers seeking MOHCD approval of higher debt ratios should submit a written request and a letter of explanation to MOHCD as part of the borrower's loan application. The decision to approve or deny higher ratios will be made in accordance with the above stated compensating factors; however, the maximum back end ratio may not exceed 43%.

- 7) **Post Purchase Reserves Funds:** Borrowers using DALP must have a minimum of three months total monthly housing expenses in reserves after purchase. Some Borrowers may qualify for first-mortgage financing with fewer than three months reserves. Recognizing that the financial circumstances of each borrower are unique and that there may be other factors that reflect the borrower's ability and willingness to repay mortgage loans, the MOHCD may consider 2 months reserves if two or more of the following indicators are present:
 - a) Proven ability to devote a larger amount of income to housing expenses. The borrower has successfully demonstrated an ability to make rental payments for twelve consecutive months that are equal to or greater than the proposed monthly payments for the housing being purchased;
 - b) Substantial net worth as demonstrated through non-liquid assets and retirement accounts;
 - c) FICO credit score greater than 700;
 - d) Demonstrated potential for increasing his/her earnings;
 - e) Housing expense will not increase more than five percent over previous housing payments.
- 8) **Repayment:** Unless a default occurs, the DALP is deferred for thirty (30) years from the date of the initial purchase. As of the maturity date of loan term or closing date of the resale, the loan is due and payable. The payoff amount due from Borrower is (i) the principal amount of the loan plus (ii) a proportional share of the appreciation of the property.

The proportional share shall be based on the ratio of the original down payment assistance loan amount to the Fair Market Value of the property at the time of purchase. The Fair Market Value of the property shall be the lower of the Purchase Price or the Appraised Value at the time of purchase (both called

hereafter the “**Purchase Price**”). At the time that the property is sold or repaid, the City will determine the Fair Market Value of the property (hereafter the “**Resale Price**”). The Fair Market Value shall be greater of the Resale Price or the Appraised Value at the time of repayment. If the property has not increased in the Fair Market Value, the borrower shall be obligated to repay the principal amount of the loan only.

For purposes of determining the Appraised Value, MOHCD requires a fair market appraisal to be completed to Uniform Standards of Professional Appraisal Practice standards by qualified appraisers holding a California Certified Appraisal License (issued by the Office of Real Estate Appraisers), preferably with a Member of the Appraisal Institute member designation (issued by the Appraisal Institute), and with experience valuing similar properties in the Bay Area. The City has the option, at its sole expense, to select an appraiser to conduct an additional appraisal of the Property. If the two appraisals are not in agreement as to the Appraised Value of the Property, the amounts determined by the appraisals will be averaged to determine the Appraised Value of the Property.

Example of share of Appreciation: If the borrower receives the DALP loan in the amount of \$375,000 with the purchase price of \$1,200,000, the share appreciation would be 31%.

$$\frac{\$375,000 \text{ DALP Loan Amount}}{\$1,200,000 \text{ Purchase Price}} = 31\% \text{ of share Appreciation}$$

A) SAMPLE CALCULATION OF ELIGIBILITY

The following examples illustrate the possible scenarios of funding eligibility for various DALP amounts given the variables in levels of income, household size, property price, available assets, and primary loan amount.

Total Combined income for a family HH of 4 at 175% AMI:	\$188,500
Purchase price of a property:	\$1,200,000
Borrower Down Payment (5%):	\$60,000
First Mortgage:	\$765,000
DALP Loan Amount:	\$375,000
Interest Rate:	4.125%
Term:	30 yr. fixed
Property Taxes	\$1,250
Insurance:	\$350
Total Front-End Ratio:	33.79%
Total CLTV:	95.00%

B) SAMPLE CALCULATION OF REPAYMENT OBLIGATION

The following examples illustrate the possible repayment scenarios at resale or repayment:

Resale Price:	\$1,250,000
Original Purchase Price:	(\$1,200,000)
Appreciation:	\$50,000
Computation of City’s Proportional Share City DALP (\$375,000) / Original Sale Price (\$1,200,000):	31%
Share of Appreciation 31% x \$50,000:	\$15,625
Principal DALP Loan Amount:	\$375,000
TOTAL REPAYMENT AMOUNT DUE:	\$390,625

9) Prepayment Penalty: There is no prepayment penalty associated with payment of these loans prior to the due date (sale or rental). However, prepayment must be in full; the loan cannot be partially repaid. If there is a prepayment, the amount due and owing will be determined by an appraisal (at the Borrowers own cost) to determine the amount of appreciation. The appraisal must be approved by the MOHCD Director.

10) Assumable/Transferable: The MOHCD DALP loans are not assumable or transferable. The loans must be paid in full upon sale or title transfer of the property.

- 11) **Payoff Requests:** Borrowers must submit a written request for payoff. If borrowers wish to have a third party submit a request for payoff on their behalf, they must submit a signed authorization allowing MOHCD to provide information to the third party. In addition, borrowers must submit a ratified purchase agreement, or a fair market appraisal report dated within 90 days of payoff request submission at their own cost. Please visit our website at www.sfmohcd.org for the Loan Pay-off Checklist Packet.
- 12) **Refinance/Subordination:** The DALP loan can be subordinated to the refinancing of the existing first mortgage for a lower interest rate and/or better loan term. Borrowers are allowed to take up to 3% of the new first mortgage amount as cash out to cover the customary closing costs of the refinance. Under no circumstances can the refinance amount be greater than the original loan amount. If the refinance meets the City subordination requirements, the DALP loan will subordinate to the new first mortgage.

Subordination Requests: Borrowers must work with one of our approved lending officers to refinance their DALP Loans. This applies to funding lenders as well when borrowers are working with a mortgage broker. Please visit our website at www.sfmohcd.org for the Subordination Checklist.

Home Equity Lines of Credit and Home Equity Loans: MOHCD does not allow DALP borrowers to open Home Equity Line of Credit and Home Equity Loans. Borrowers who use such programs are in violation of their Program restrictions and will not be allowed by MOHCD to refinance their DALP loans. The DALP loan program will be immediately due and payable together with City's share of appreciation if a Borrower is deemed out of compliance with this policy or any other applicable program policies.

- 13) **Documentation and Security:** The following documents shall be executed by the Borrower to secure the loan after satisfaction of all requirements for funding:

Loan Commitment Letter: Ratified by Borrower, accepting the loan terms and conditions, expires in 45 days from the date of the commitment. Borrower must sign and return the commitment letter to the City within 5 business days of receipt.

Deed of Trust: Executed at the close of the escrow by the Borrower, for the benefit of the City and County of San Francisco to secure the Promissory Note.

Promissory Note: Executed at the close of the escrow by the Borrower for the benefit of the City and County of San Francisco and secured by the Deed of Trust.

- 14) **Compliance with Federal, State and Local Laws and Ordinances:** Program funds shall be used in accordance with Federal, State and Local Laws, regulations and directives as they apply.

IV. BMR DALP PROGRAM

Financial assistance made available under the Below Market Rate Downpayment Assistance Loan (BMR DALP) Program may only be used to cover the need-based downpayment assistance for low and moderate income households who otherwise would not be able to purchase a BMR. The City and County of San Francisco (the "City"), Mayor's Office of Housing and Community Development (MOHCD) will only extend loan funds when is necessary for a borrower to qualify for an affordable mortgage, in conjunction with a BMR purchase.

In accordance with the Program guidelines and its purpose, the participating lenders shall assume the following roles and responsibilities:

- Lender determines the Borrower's financial ability to purchase the desired property.
- Lender is to make every effort to qualify the Borrower for the maximum financing on the first mortgage.
- Lender submits the Needs Assessment Worksheet and evidence of financing the maximum 1st mortgage loan amount when submitting an application for a BMR DALP loan.

Other than specified herein, **all other BMR and DALP program requirements shall apply.**

1. **Maximum Income Limits:** A homebuyer purchasing a BMR with Household Income up to 120% Area Median Income may apply for BMR DALP.
2. **Maximum Loan Amount:** The maximum loan available to a homebuyer using the BMR DALP to

purchase a BMR shall be the lessor of: 1) Amount of need established by the Needs Assessment Worksheet (based on maximum financing); or 2) Maximum BMR DALP loan amount, up to 15% of the sales price. **Under no circumstances will the City provide funds to a homebuyer in excess of what is needed to close the loan.**

- 3. Liquid Assets:** Prior to purchase, Borrower can have up to \$200,000 in Liquid Assets. If a Borrower's Liquid Assets exceed \$200,000 at the time Household Income is determined, Borrower will not qualify for a BMR DALP loan. If Borrower's Liquid Assets are less than or equal to \$200,000 at the time a BMR is purchased, Borrower may retain a maximum of \$15,000 total in Liquid Assets and must apply any Liquid Assets in excess of \$15,000 toward the purchase of the BMR unit.
 - 4. Minimum Down payment Requirements:** The borrower must contribute a minimum of five percent (5%) of the sales price toward the down payment of the BMR unit. Of the total 5%, 3% must come from the Borrower's own funds from a verifiable source (held in a financial institution), and the remaining 2% can come from gifts or grants. Borrower must have sufficient funds to meet the required down payment plus necessary reserve funds.
 - 5. Lien Position:** Unless pre-approved by MOHCD, the BMR DALP loan must be in a junior lien position behind the first mortgage and BMR lien.
 - 6. Repayment:** Unless a default occurs, the BMR DALP is deferred for thirty (30) years from the date of the initial purchase. As of the maturity date of loan term or closing date of the resale, the loan is due and payable. The payoff amount due from Borrower is (i) the principal amount of the loan plus (ii) a proportional share of the appreciation of the property. The Share of Appreciation is defined as the increase in the affordable resale value (as determined by MOHCD or its successor) of the BMR, if any, from the date of Borrower's purchase of the BMR through the Maturity Date. The Share of Appreciation has been determined by dividing the Principal Amount by the affordable resale value of the BMR. BMR restrictions still remain after the BMR DALP loan is paid off.
- 7. Eligible Uses of BMR DALP Funds:**
- BMR DALP funds can be used to contribute to the need-based downpayment for the Borrower's household who otherwise would not be able to purchase a BMR.
 - BMR DALP funds can be used to enable the Borrower to meet the maximum debt-to-income ratio established making the mortgage payment affordable to the Borrower.
 - BMR DALP funds cannot be used as a cushion factor to make the loan more appealing to the Borrower and/or the lender.
 - BMR DALP funds cannot be used to pay for improvement and repair costs.
 - BMR DALP funds cannot be used to pay down the first mortgage principal, debts or liens.
 - Cash disbursed to the Borrower cannot exceed \$250 at close of escrow. Any excess cash must first be applied towards the reduction of BMR DALP loan amount.

In order to avoid cash back issues at closing, lenders should re-calculate the Needs Assessment Worksheet where applicable after receiving an estimated closing statement. Adjustments should be made to the loan amount if necessary prior to releasing loan documents. If in doubt, lenders shall reduce the BMR DALP loan amount slightly than risk the chance of the borrower receiving cash back.

V. GENERAL LOAN REQUIREMENTS AND COMPLIANCE

- 1. Hazard Insurance:** For the life of the loan, each Borrower will be required to maintain hazard insurance, including fire and extended coverage with a loss payable endorsement to the City and County of San Francisco, c/o Mayor's Office of Housing and Community Development.
- 2. Title Insurance Policy:** The outstanding principal balance of the down payment assistance loan must be covered by an ALTA Lender's Policy of Title Insurance naming the City and County of San Francisco c/o Mayor's Office of Housing and Community Development as it interests appear.
- 3. Non-Discrimination and Privacy Requirements:** All borrower eligibility requirements contained in this manual must be applied without regard to the race, creed, color, gender, religion or national origin

of the borrower. Lenders shall be sensitive to the privacy interests of the borrowers, and should use the information received only for purposes of verifying the borrowers' eligibility for a down payment assistance loan. It should be noted that all borrowers to down payment assistance loan program are subject to the requirements of the Sunshine ordinance and may have any records provided to the City become a matter of public information upon appropriate request.

4. **Public Records Act:** The City and County of San Francisco is subject to the requirements of California Public Records Act, Government Code Section 6250, et seq. The Public Records Act provides that virtually all documents held or used by the City in the course of conducting the public's business are public records which the City, subject to certain limited exemptions, must make available for inspection and copying by the public. Applications for loans or grants from the City are public records as are the completed loan and grant documents. Under Section 67.24(e) of San Francisco Administrative Code, applications for financing and all other records of communications between the City and the Borrower must be open to public inspection immediately after a contract has been awarded. All information provided by Borrower which is covered by that ordinance (as it may be amended) will be made available to the public upon appropriate request.

VI. PROGRAM PROCEDURES FOR LENDERS

The Mayor's Office of Housing and Community Development will act as the Program Administrator. Eligible Borrowers may only apply for down payment assistance loans through Participating Lenders or lending officers. Participating Lenders may submit applications only after determining that the Borrower is eligible for a first mortgage and also eligible for the City's down payment assistance loan. Borrowers' applications must be complete with all required attachments, including a ratified purchase agreement for the purchase of a specific property. If the City habitually receives incomplete or incorrect applications from a Participating Lender, MOHCD may discontinue the use of said lender for DALP.

The program's processing procedures are designed to coincide with the standard loan processing and underwriting procedures that are in place at most mortgage lending institutions. Recognizing that there are procedural variations among the lenders, the procedures outlined herein may vary somewhat from lender to lender. However, the lender, the City and the borrower must complete all the steps of processing described in this manual.

DALP PARTICIPATING LENDERS - All loan originating institutions or mortgage broker companies working with our programs and directly with applicants are required to submit a lender participation agreement signed by a signing authority and remit an annual lender fee. Each lending institution, not individual Mortgage Loan Originators (**MLO**), will pay the non-refundable participating fee; new lenders will pay an Initial fee, existing lenders will pay a reduced Lender Renewal fee. This fee covers trained MLOs that have a valid NMLS ID and are in good standing. MLOs who are listed on our approved lender list are also required to sign a loan originator participation agreement, attend training annually and earn a passing score on the MOHCD Housing programs quiz. MLOs must abide by the MOHCD program guidelines, and perform business in a professional and ethical manner at all times. MLOs may be removed from the participating lender list, regardless if their lending institution has paid the annual renewal fee. For more information and lender current fees, please visit- <http://sf-mohcd.org>.
