About DPH

Doing Business with San Francisco's Department of Public Health

The San Francisco Department of Public Health strives to achieve its mission through the work of two Divisions - the San Francisco Health Network and Population Health and Prevention. The SF Health Network is the City's health system and has locations throughout the City including San Francisco General Hospital Medical Center, Laguna Honda Hospital and Rehabilitation Center, and over 15 primary care health centers. The Population Health and Prevention Division has a broad focus on the communities of San Francisco and is comprised of the Community Health and Safety Branch, Community Health Promotion and Prevention Branch, and the Community Health Services Branch.
