## I. INTRODUCTION

The City and County of San Francisco (the “City”), acting through the Mayor's Office of Housing and Community Development (“MOHCD”), is seeking a qualified developer (the “Selected Developer”), to work with the City to develop permanently affordable family rental housing, including units serving formerly homeless households, and ground-floor commercial use servicing the surrounding neighborhood (the “Project”) on a parcel located at 730 Stanyan Street (Block 1249, Lot 024) (the “Site”).

The parcel is located at the southwest corner of the intersection of Stanyan Street and Haight Street, commonly known as 730 Stanyan Street in San Francisco’s Haight Ashbury neighborhood. The Site is a rectangular-shaped lot of 37,813 square feet. A map showing the location and configuration of the Site is attached as **Exhibit 1**.

In April 2018, MOHCD purchased the site from McDonald’s for future development of affordable housing. MOHCD worked with the community to determine the interim use for the site, and issued an RFP for interim uses on January 31, 2019. However, given the potential to accelerate the construction of affordable housing, and shorten the interim period, the RFP process was put on hold. The selected developer will work with MOHCD to revisit the RFP process and advance an interim use strategy that reflects an accelerated predevelopment timeline.

### **The City’s expectations of the Selected Developer are the following:**

- Provide an affordable housing structure containing a minimum of 120 units with ground-floor commercial use serving the surrounding neighborhood;
- Maximize the number of units and density within a mid-rise construction type;
- Serve low-income families (in 1-3 bedroom units) unsubsidized with an income range between 30%-100% MOHCD Unadjusted San Francisco Area Median Income;
- Serve formerly homeless families, in units subsidized by the City’s Local Operating Subsidy Program (“LOSP”) and a City services contract. The project should provide 40 units, or 25% of the total number of units, whichever is greater, as LOSP-subsidized units for formerly homeless families;
- In consultation with MOHCD and community stakeholders, identify additional populations that may be served by the project, including, but not limited to, transition age youth (TAY);
- Provide ground floor commercial spaces that serve the neighborhood (including the residents of the Project), with specific programming determined through a comprehensive community outreach process and financial/market analysis;
- Evaluate the potential for childcare and provide family-friendly amenities appropriate for the population served;
- Conduct community outreach to engender support for the Project;
- Secure construction and permanent financing that minimizes City General Fund resources to the greatest extent possible. For example, a State of California, Housing & Community

Development (HCD) loan and/or the City's No Place Like Home (NPLH) loan for homeless households;

- Commence construction on the Project as soon as possible, using streamlined ministerial approval processes. For example, SB35, which may be used in conjunction with the Affordable Housing Density Program or the State Density Bonus Program.

The City's Local Operating Subsidy Program ("LOSP") will be available to units serving the formerly homeless family population. The LOSP will be administered through a 15-year contract with MOHCD, to cover the difference between tenant-paid rents for homeless-serving units (LOSP units) and operating expenses attributable to LOSP units. LOSP operating subsidy calculations should account for all typical costs of operations, reserves and fees on a pro-rata basis. LOSP subsidies may not be used to pay hard debt service, other than qualified minimal debt service payments for state financing. Applicants offering LOSP units will need to apply for funding for provision of services to these formerly homeless households through the Department of Homelessness and Supportive Housing. Section 8 project based rental assistance is not anticipated to be available at this time.

Respondent teams to this Request for Qualifications ("RFQ") must be comprised of:

- At least one San Francisco-based non-profit development entity whose mission includes the development of affordable housing in low-income communities with experience developing housing for families acting either as sole developer or as a partner in a joint venture, or joint-venture partner, defined as a nonprofit organization;
- A property owner entity with experience owning housing for low-income communities and formerly homeless households;
- A property management entity with experience managing housing for low-income communities and formerly homeless households;
- At least one services-providing entity with experience providing services appropriate for formerly homeless residents.

MOHCD is proposing to transfer the Site (subject to final approval by the Board of Supervisors) to a qualified developer for this purpose through a long-term ground lease. Maximum rents will be restricted to a maximum average income of 60% Unadjusted San Francisco Area Median Income and below, as defined by MOHCD.

**Hard copy and electronic responses to this RFQ must be received by the Mayor's Office of Housing and Community Development no later than 4:00 p.m. on October 18, 2019. (Facsimile responses will not be accepted.)**

### **III. CONTEXT**

#### **A. THE SITE**

The Site is a rectangular-shaped lot of 37,813 square feet located at 730 Stanyan Street. The Site is bound by Stanyan Street to the west, Haight Street to the north, and Waller Street to the south. The Site contains a building formerly occupied by a McDonald's restaurant and a parking lot. Surrounding blocks include mixed-use residential and commercial uses. Adjacent uses around the Site are a Whole Foods supermarket to the north, additional retail and multifamily residential to the east, a hotel to the south and Golden Gate Park to the west.

#### **B. ZONING/LAND USE ENTITLEMENTS**

The Site is located in the NCD – Haight Street Neighborhood Commercial zoning district (see Planning Code Section 719) and the 50-X Height and Bulk District. The NCD district is intended to promote a vibrant mix of uses while maintaining neighborhood character. Within the NCD, permitted uses include, but are not limited to, retail, educational facilities, and housing. The zoning encourages the prevailing mixed-use nature of the neighborhood and seeks to preserve upper-level residential combined with ground floor retail.

The Site development is expected to qualify for ministerial approvals from the Planning Department through SB35, which may be used in conjunction with the State Density Bonus Program or the Affordable Housing Density Bonus Program.

#### **C. SOIL AND ENVIRONMENTAL CONDITIONS**

The selected Developer will be required to commission its own geotechnical studies as part of its design and engineering work, but, for purposes of this RFQ, it is assumed that following any required mitigation, soil and subsoil conditions on the Site are sufficient to support a development that complies with the maximum allowable height, bulk and density limitations of the Site's applicable zoning requirements.

#### **IV. SELECTION PROCESS, MINIMUM EXPERIENCE AND CAPACITY REQUIREMENTS, SELECTION CRITERIA AND SCORING, AND SUBMITTAL REQUIREMENTS OVERVIEW**

##### **A. SELECTION PROCESS**

MOHCD staff will review all submittals for completeness and satisfaction of minimum experience and capacity requirements (see Section B below). If a submittal does not meet minimum experience and capacity requirements, the Respondent may submit an appeal to MOHCD staff on technical grounds only.

A Selection Panel will be appointed by the Director of MOHCD composed of persons with expertise in the areas of development, affordable housing financing, property management and resident supportive services, and which may also include asset management, construction management, and community representatives.

The Selection Panel will review all qualified responses (see Section C below) and interview top-scoring Respondents, at which time Respondents will be asked to present and explain the major characteristics of their submittal, particularly as they relate to the Scoring Criteria, and respond to questions from the Selection Panel.

After all interviews have been completed, the Selection Panel will meet to determine the final ranking of all responses and present this ranking to the Director. The Selection Panel's scoring of each proposal will be done by consensus and will be final.

The Director will then select a development team and advise the Mayor of this selection. MOHCD staff will then exclusively negotiate a binding contract with the selected team for purposes of the Site's development. If MOHCD staff cannot complete a contract with the selected development team that is in the best interest of the City, the MOHCD Director may terminate negotiations in her sole discretion. If the MOHCD Director terminates negotiations with the selected development team, the MOHCD Director reserves the right, in her sole discretion, to (1) negotiate with the next highest ranked Respondent, or (2) reject any and all other proposals, in whole or in part, prior to award, and may re-advertise a request for qualifications for this Project under such terms the MOHCD Director deems to be in the City's best interest.

##### **B. MINIMUM EXPERIENCE AND CAPACITY REQUIREMENTS**

Respondents must meet the following minimum development team characteristics, experience, and capacity requirements in order to qualify to be scored and ranked under this RFQ:

## 1. Minimum Development Team Characteristics

The proposed Development Team must include:

- At least one San Francisco-based non-profit development entity whose mission includes the development of affordable housing in low-income communities with experience developing housing for low-income families, acting either as sole developer or as a partner in a joint venture, or joint-venture partner, defined as a nonprofit organization;
- A property owner entity with experience owning housing for low-income communities and formerly homeless households;
- A property management entity with experience managing housing for low-income communities and formerly homeless households;
- At least one services-providing entity with experience providing services appropriate for formerly homeless residents.

*Letters of Intent or Memoranda of Understanding from service providers and property management entities that are not affiliated with the developer must be submitted with the application.*

## 2. Minimum Development Team Experience

Minimum experience must be demonstrated by identifying specific **Qualifying Projects** in which team members have participated, as further described below. The proposed Development Team must submit **Attachment 4 - Qualifying Project Form**, to document how the Qualifying Project characteristics meet each of the experience categories below (developer, owner, property manager, service provider.)

To demonstrate the minimum required development team experience, each team should submit one project for each experience category. When appropriate, teams may submit the same project as evidence of experience across multiple experience categories, or may use different projects to demonstrate experience across categories. In all cases, no more than four (4) total Qualifying Projects should be submitted. **Qualifying Projects will not be scored, but are used to identify if the proposed Development Team meets the minimum development team experience required to develop the Site.**

For Developer and Owner, a **Qualifying Project** must have all of the following characteristics:

- new construction (not a requirement for Minimum Service Provision Experience) in either a Type V over I or Type III over I construction type (not a requirement for Minimum Property Manager and Service Provision Experience)
- at least 75 units in size
- majority multiple-bedrooms
- mixed-use including residential (not a requirement for Minimum Service Provision Experience)

- affordable to low- and very low-income households<sup>1</sup>
- formerly homeless residents
- financed by use of Low-Income Housing Tax Credits.

**a. *Minimum Development Experience:*** The proposed Developer must have completed within the past ten years at least **one** Qualifying Project located in San Francisco. The definition of “completed” of a Qualifying Project means having received Temporary Certificate of Occupancy by the date of the issuance of the RFQ.

For joint venture Developer teams, the experience of the lead entity may suffice for the joint-venture partnership. A signed Memorandum of Understanding or Term Sheet between joint-venture Development partners that outlines roles and responsibilities, proposed ownership structure, etc. must be submitted with the application. Furthermore, a Respondent can qualify for development experience by contracting with a development consultant for comprehensive project management services. Finally, the requirement to have served formerly homeless residents may be satisfied in a non- Type V over I or Type III over I building. In such a case, the proposed Developer must provide evidence of having completed a partially Type V over I or Type III over I affordable housing building, and separately, an affordable housing building that serves formerly homeless residents.

**b. *Minimum Ownership Experience:*** The proposed Owner must have owned at least **one** Qualifying Project for at least four years prior to the Submittal Deadline of this RFQ. For purposes of this requirement, the member of the general partner of the tax credit partnership that will own the completed project is the proposed “Owner.”

**c. *Minimum Property Management Experience:*** The proposed Property Manager must have managed at least **one** Qualifying Project for at least 24 months.

**d. *Minimum Service Provision Experience:*** The proposed service provider(s) must have at least 36 months experience providing services to low-income family residents within a Qualifying Project.

***Note Regarding Experience:*** For any Respondent team member, the experience of key staff members may be substituted for the experience of the organization as a whole as long as the staff members’ experience in other firms was substantive and involved responsibilities similar to those that they are anticipated to perform during the proposed development of the Site. Any substitution should be clearly identified in Attachment 4, Qualified Project Form.

---

<sup>1 1</sup> “Low Income” is defined as 60% MOHCD AMI and below. “Very Low Income” is defined as 30% MOHCD AMI and below.

**F. SUNSHINE ORDINANCE**

In accordance with San Francisco Administrative Code Section 67.24(e), contractors' bids, responses to RFQ's and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Information provided which is covered by this paragraph will be made available to the public upon request.

**G. RESERVATIONS OF RIGHTS BY THE CITY**

1. The issuance of this RFQ and the selection of a developer pursuant to this RFQ are in no way a limitation of the discretion of any City board, commission, department, employee or official with respect to any review or approval required in connection with the proposed Development. The City's selection of a developer is in no way deemed to be the final approval of any Development proposed by the developer.
2. The information in this RFQ is provided solely for the convenience of respondents.
3. The City expressly reserves the right at any time to do waive or correct any defect or technical error in any response or procedure, as part of the RFQ or any subsequent negotiation process; reject any or all responses, without indicating the reasons for such rejection; cancel this RFQ at any time prior to award and reissue a Request for Qualifications; modify or suspend any and all aspects of the selection procedure, the scope of the proposed Development or the required responses, or the processes indicated in this RFQ; request that respondents clarify, supplement or modify the information submitted; extend deadlines for accepting responses, or request amendments to responses after expiration of deadlines; negotiate with any, all or none of the respondents to this RFQ; make a selection based directly on the proposals, or negotiate further with one or more of the respondents; during negotiation, expand or

4. The issuance of this RFQ does not obligate the City to pay any costs whatsoever incurred by any respondent, including but not limited to costs incurred in connection with the preparation or presentation of responses or negotiations with the City. Developer teams responding to this RFQ do so at their own expense.
5. The issuance of this RFQ is only an invitation to submit qualifications, and does not constitute an agreement by the City that any contract will actually be entered into by the City. This RFQ does not in any way limit the discretion of any City board, commission, employee or official with respect to any review or approval of any aspect of a proposed Development.
6. The City will not approve any ground lease for the Site that would allow for its development until there has been compliance with the California Environmental Quality Act (CEQA), and, as applicable, the National Environmental Protection Act (NEPA).
