OVERVIEW

In May of 2018, San Francisco legislation formalized the creation of a place-based program that recognizes community-defined areas as Cultural Districts. Subsequently in November, Proposition E passed by a 75% majority allocating approximately \$3 million annually from the City's Hotel Tax Fund to support the Cultural Districts' efforts.

The Cultural Districts program is supported by an inter-departmental steering committee, including the Office of Economic and Workforce Development (OEWD), the Planning Department, the Arts Commission and coordinated by the Mayor's Office of Housing and Community Development (MOHCD). These Departments work together to streamline City and community partnerships to coordinate resources aimed at stabilizing these communities which face displacement.

Each legislated Cultural District maintains a community-based advisory board, dedicated staffing, and funding for its operations. Each District works toward their community-defined vision for self-determination community stabilization. The Cultural District's collectively share policy strategies for strengthening each of their community infrastructures.

The vision of the Cultural District program is to preserve, strengthen and promote cultural assets and diverse communities. If achieved, this will enable individuals, families and the businesses that serve and employ them, as well as nonprofit, community arts and educational institutions to live, work and prosper within the city.

In the first year of a Cultural District's existence, legislation calls on City departments to collaborate and partner with each Cultural District's community-based leadership body to establish a clear strategic plan to fulfill each District's vision and goals, resulting in a Cultural History, Housing and Economic Sustainability Strategies (CHHESS) Report. Extensive community engagement and City reports and data will inform each District's CHHESS Report so that it can serve as a roadmap to stabilize vulnerable communities facing, or at risk of, displacement.

This Cultural Districts Request for Proposals (RFP) is the vehicle by which the City begins resourcing newly-legislated Cultural Districts to start this important work.

RFP Scope

MOHCD is seeking grant proposals from the newly-legislated Cultural District in San Francisco: the Sunset Chinese Cultural District . This RFP will provide up to \$230,000 in grant funding for the launch and operations of the Cultural District. All grant awards will be setup as an annual award with an option by MOHCD to extend. The final terms and conditions of each grant are subject to negotiation.

GRANT ACTIVITY REQUIREMENTS

Up to \$230,000 in local funds is available for the Sunset Chinese Cultural District. Grant funding will support the launch of Sunset Cultural District within a COVID-19 reality.

1. CHHESS LAUNCH - CULTURAL DISTRICT ASSESMENT & COMMUNITY ENGAGEMENT

External Consultant Recommendation - \$65,000-\$100,000

Community Engagement Recommendation- \$25,000-\$30,000

The Cultural District Initiative is an innovative strategy for combating displacement and stabilizing neighborhoods. Given it is a place-based strategy, it is important to do an assessment and analysis of the neighborhood and engage community voices in the process of identifying strengths, needs, gaps and opportunities.

This process will be a coordinated broad effort and landscape analysis that will serve as a tool for the community stakeholders to launch the Cultural District. The product of this information gathering process will set the pathway for the forthcoming CHHESS Report. MOHCD Staff will support the process of identifying and selecting an external consultant.

Phase 1 - Research and learning to understand current landscape and create a long-term sustainable cultural stabilization approach. This will be a technical assistance opportunity that will support the Sunset Cultural District's Advisory Board to identify their vision and goals. This will inform the CHHESS process directly.

Phase 2 - The Cultural District legislation mandates City departments and the community to work together to develop a strategic plan to fulfill each District's vision and goals. This plan is the CHHESS Report. Each District must implement an extensive community engagement process to identify and prioritize strategies for stabilizing vulnerable communities facing, or at risk of, displacement or gentrification. This phase will create the community engagement plan-

- **Preparation** – Question development, structure approach, agenda development, facilitation, recording, transcribing etc.
- **Community Voice**- Focus Groups, Interviews, surveys, town halls focusing on the Cultural District Program's 6 focus areas
- **Cultural Legacy**- Interviews and documentation, including storytelling, oral histories, and documenting other tangible and intangible elements of the District's cultural heritage.
- **Report Writing**- How will decisions be made, who will write, edit, and gather info to present back to community?

GRANT ACTIVITY REQUIREMENTS

2. CULTURAL DISTRICT LAUNCH

Staff Recommendation- \$70,000-\$80,000

Community Launch- \$7,000-\$12,000

The Cultural District Program supports not only place-based strategies but also the community-based infrastructure necessary to create healthy communication and equitable access to resources and information. Therefore, there are key elements to launching and maintaining a Cultural District-

A. Staff hired; the District may choose to hire one full-time equivalent (FTE) or part-time equivalent (PTE) or a contract-based consultant who will be hired by the Cultural District Advisory Board in close coordination the fiscal sponsor. - Work with MOHCD staff on grant management, workplan development, budget management and contract compliance.
- Build and maintain the community-based governing structure, the Advisory Board, as well as navigate the District's work
- Create and implement a community communications and outreach and engagement strategy
- Oversee the development and implementation of the CHHESS Report, in coordination with MOHCD staff

B. Community Launch; the District will create communication mechanisms for the Cultural District and align efforts with the Citywide San Francisco Cultural District Program. This effort will begin the Cultural District's branding and work to educate the Sunset community's awareness and knowledge of the Cultural District program. This includes but is not limited to:

- Engaging existing community networks to engage, support and intersect with the District
- Website development and maintenance
- Marketing/Outreach materials development and distribution
