#	Question	Response
1	Regarding Small Business COVID19 Support.... does regranting to small businesses count as an activity?	Yes - the number of grants to small businesses would count as activity under the Small Business assistance category.
2	Regarding Community Action / Arts Grants, would MOHCD consider an organization that has a budget bigger than \$500k with extensive experience with arts re-granting?	Yes - an arts organization of that size may receive small grants.
3	Does the grant period end on June 2022?	Grant period will be a 12-month period tentatively from January 1, 2022 to December 30, 2022 (please refer to MOHCD's website for the updated timeline for this RFP).
4	Are there zip codes in which the projects funded by this RFP must be located?	Zip codes for the area eligible for funding include 94103, 94105, 94107; however, projects eligible for this RFP must be located within the designated area shown in the map included in the RFP.
5	Will all elements of the proposal need to be combined into one pdf?	It is preferable that all documents be submitted in one single PDF file. Please send your proposal to CommDevRFP@sfgov.org in one email indicating for which funding opportunity/opportunities you are submitting your proposal.
