ARTICLE II

DESCRIPTION OF PROJECT, DIVISION OF PROPERTY

AND CREATION OF PROPERTY RIGHTS

Section 2.1 Description of Project.

(a) The Project. The Project consists of the underlying real property with Condominiums and all other improvements located thereon. There is being built upon the premises structures containing a total of twenty (20) residential units. Reference is made to the Condominium Plan to supply further details concerning the Project.

(b) Existing Encumbrances. The Project is subject to the following existing encumbrances:

i. The variance Notice of Special Restrictions under the City Planning Code recorded January 29, 2003, in Reel I-313 at Image 1090, as Document H-347741, Official Records of the City and County of San Francisco; and

ii. The NSR.

Section 2.2 Division of Property. The Property is hereby divided into the following separate freehold estates:

(a) Dwelling Units. Each of the Units, as separately shown, numbered and designated in the Condominium Plan, consists of the space bounded by and contained within: (i) the exterior finished surfaces of the perimeter walls, roofs, windows and doors of each Unit, and (ii) the lowest level of the foundation, each of such spaces being defined and referred to herein as a "Unit". Each Unit includes both the portions of the Condominium Building so described and the air space so encompassed, including ducts, vents, or similar projections from the Unit which exclusively serve the Unit. The Unit does not include those areas and those things which are defined as "Common Area" in Article I, Section 1.7. Each Unit is subject to such encroachments as are contained in the Condominium Building, whether the same now exist or may be later caused or created in any manner referred to in Article VIII, Section 8.5. In interpreting deeds and plans, the then existing

physical boundaries of a Unit, whether in its original state or reconstructed in substantial accordance with the original plans thereof, shall be conclusively presumed to be its boundaries, rather than the boundaries expressed in the deed or plan, regardless of settling or lateral movement of the Condominium Buildings and regardless of minor variance between the boundaries shown on the plan or deed, and those of the Condominium Buildings.

(b) Common Areas. The remaining portion of the Property referred to herein as "Common Area" or "Common Areas" shall include, without limitation, all of the elements set forth in Article I, Section 1.7. Each Owner shall have appurtenant to his Unit the undivided interest in the Common Area set forth on the Condominium Plan (which is based upon the ratio of the square footage of the Unit to the square footage of all the Units).

The ownership of each Condominium shall include a Unit and such undivided interest in the Common Area. The common interest appurtenant to each Unit is declared to be permanent in character and cannot be altered without the consent of all Owners affected and the first mortgagees of such Owners, as expressed in an amended declaration. Such common interest cannot be separated from the Unit to which it is appurtenant. Each Owner may use the Common Area in accordance with the purposes for which it is intended without hindering the exercise of or encroaching upon the rights of any other Owners.

(c) Exclusive Use Common Areas. Portions of the Common Area shown and delineated on the Condominium Plan shall be "Exclusive Use Common Areas" and are hereby reserved by Declarant as exclusive use common areas, as defined in California Civil Code Section 1351(i), to be granted as exclusive easements appurtenant to a particular Unit. The Exclusive Use Common Areas shall be those portions of the Common Area designated as yard areas (Y-1, Y-2, Y-3, etc.) and balconies (B-1, B-9, B-10 and B-20) on the Condominium Plan and designated parking area (P-14) on Attachment B hereto. Easements for the Exclusive Use Common Areas shall be granted by the Declarant to the correspondingly numbered Units at the time the Units are deeded.

The assignment, transfer or exchange, either reciprocal or unilateral, of the right to the exclusive use of an Exclusive Use Common Area from one Owner to another or between two or more Owners, is authorized, provided that the approval of the Board is first obtained, and the assignment, transfer or exchange of such Exclusive Use Common Area is evidenced by a recorded document.

(d) No Separate Conveyance of Undivided Interest. The foregoing undivided interests are hereby established and are to be conveyed with the respective Units, as set forth above. Such undivided interests cannot be changed, except as set forth in this

Declaration. Declarant, and the successors, assigns and grantees of Declarant, covenant and agree that the undivided interests in the Common Area referred to in Section 2.2(b) and the fee title to the respective Units conveyed therewith, shall not be separated or separately conveyed, and each such undivided interest shall be deemed to be conveyed or encumbered with its respective Unit, even though the description in the instrument of conveyance or encumbrance may refer only to the fee title to the Unit.

(e) Annexation. Any annexation of real property to the Project shall require the vote or written approval of at least sixty-seven percent (67%) of the total votes residing in Members other than Declarant.

Section 2.3 Partition Prohibited. The Common Area shall remain undivided, as set forth herein. Except as provided by California Civil Code Section 1359, no Owner shall bring any action for partition of the Project or any part thereof, it being agreed that this restriction is necessary in order to preserve the rights of the Owners with respect to the operation and management of the Project. Judicial partition by sale of a single Unit owned by two or more persons and division of the sale proceeds is not prohibited hereby. However, partition of title to a single Unit is prohibited.

ARTICLE III

ASSOCIATION-ADMINISTRATION, MEMBERSHIP AND VOTING RIGHTS

Section 3.1 Association to Manage Common Areas. The management of the Common Area shall be vested in the Association, in accordance with its Bylaws. The Owners of all of the Condominiums covenant and agree that the administration of the Project shall be in accordance with the provisions of this Declaration, the Articles and the Bylaws of the Association.

Section 3.2 Membership. The Owner of a Condominium automatically, upon becoming an Owner, shall be a Member of the Association, and shall remain a Member thereof until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically cease. Membership shall be held in accordance with this Declaration, the Articles and the Bylaws of the Association.

Section 3.3 Transferred Membership. Membership in the Association shall not be transferred, pledged or alienated in any way, except upon the sale of the Condominium to which it is appurtenant, and then only to the purchaser of such Condominium.

A mortgagee does not have membership rights until he becomes an Owner by foreclosure or deed in lieu thereof. Any attempt to make a prohibited transfer is void. In the event the Owner of any Condominium should fail or refuse to transfer the membership registered in his name to the purchaser of his Condominium, the Association shall have the right to record the transfer upon its books and thereupon any old membership outstanding in the name of the seller shall be null and void.

Section 3.4 Membership Classes and Voting Rights. The Association shall have two classes of voting membership:

(a) Class A. Class A Members shall be all Owners with the exception of Declarant. Each Condominium shall be allocated one vote in the Association. When more than one Owner holds an interest in any Condominium, all such co-Owners shall be Members of the Association; however, the vote for each Condominium must be cast as a whole. No fractional votes shall be allowed with respect to any Condominium, nor shall more than one vote be cast with respect to any Condominium. When more than one person owns a Condominium, there shall be one "Voting Owner" for such Condominium. The Voting Owner shall be designated by the record Owners of each Condominium by written notice to the Board. The designation shall be revocable at any time by actual notice to the Board given by any Owner of record of such Condominium or by the death or judicially declared incompetency of any record Owner. The power herein conferred to designate a Voting Owner, and to revoke said designation, may be exercised by the Owner's conservator or by the guardian of his estate, or in the case of a minor having no guardian, the parent or parents entitled to custody of said minor, or during the administration of his estate, the executor or the administrator of a deceased Owner, where the latter's interest in the Condominium is subject to administration in his estate. Where no Voting Owner of a Condominium has been designated, or the designation has been revoked as provided herein, the vote for such Condominium shall be exercised as the majority of the co-Owners of the Condominium mutually agree. No vote shall be cast for any Condominium where there is no designated Voting Owner or the majority of co-Owners present in representing the Condominium cannot agree in their vote as provided herein.

(b) Class B. The Class B Member shall be Declarant who shall be entitled to vote as follows: Voting shall be the same as for Class A memberships, except that the Class B Member may triple its vote for each Condominium owned. Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever first occurs:

i. When the total votes outstanding in the Class A membership equals the total vote (tripled as stated) outstanding in the Class B membership; or

ii. On the second anniversary date of the first conveyance of a Condominium in the Project.

Except as otherwise provided in the Condominium Documents, any action by the Association which must have the approval of the Members before being undertaken shall require the vote or written assent of fifty-one percent (51%) of each class of membership during the time that there are two outstanding classes of membership. Any provision in this Declaration which requires that the vote of Declarant be excluded during any such vote shall be applicable only if there has been a conversion of Class B to Class A shares, and shall be understood to require the vote or written assent of fifty-one percent (51%) of the total voting power of the Association and the vote or written assent of fifty-one percent (51%) of the total voting power of Members other than Declarant. The immediately foregoing sentence shall not apply to those situations governed by Title 10, California Code of Regulations, Section 2792.4, governing the enforcement of bonded obligations.

ARTICLE IV

MAINTENANCE AND ASSESSMENT

Section 4.1 Creation of the Lien and Personal Obligation of Assessment. Declarant, for each Condominium owned within the Project, hereby covenants, and each Owner of any Condominium by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay to the Association Regular Assessments and Special Assessments, such Assessments to be established, made and collected as provided in this Declaration.

Each Assessment or installment thereof, together with any late charge, interest, collection costs and reasonable attorneys' fees, shall be the personal obligation of the Owner at the time such Assessment, or installment, became due and payable. If more than one person is the Owner of a Condominium, the personal obligation to pay such Assessment, or installment, respecting such Condominium shall be both joint and several. The annual Regular Assessments and the Special Assessments provided for in this Article IV, together with interest, late charges, collection costs and reasonable attorneys' fees, shall be a continuing lien upon the Condominium against which the Assessment is made, as provided in Section 4.13 hereof. No Owner of a Condominium may exempt himself from payment of Assessments, or installments, by waiver of the use or enjoyment of all or any portion of the Common Area or by waiver of the use or enjoyment of, or by abandonment of, his Condominium.

Section 4.2 Purpose of Assessment. The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the Members of the Association; the improvement, replacement, repair, operation and maintenance of the Common Area; and the performance of the duties of the Association, as set forth in this Declaration.

Section 4.3 Regular Assessment and Reserve Fund.

(a) The Board shall establish and levy annual Regular Assessments in an amount the Board estimates will be sufficient to raise the funds needed to perform the duties of the Association during each fiscal year, subject to the limitations contained in Section 4.5 hereof. Such annual Regular Assessments shall include an adequate reserve fund for maintenance, repairs and replacement of those major components of the Common Area and facilities which the Association is obligated to maintain and that must be replaced on a periodic basis, and shall be payable in regular installments rather than by Special Assessments.

(b) Unless the Association is exempt from Federal or State taxes, all reserves shall be accounted for as contributions to the capital of the Association and as trust funds segregated from the regular income of the Association or in any other manner authorized by law or regulation of the Internal Revenue Service and the California Franchise Tax Board that will prevent such funds from being taxed as income to the Association.

(c) Failure of the Board to set Regular Assessments shall not be deemed a waiver of Regular Assessments but, rather, the prior fiscal year's Regular Assessment shall remain in full force and effect.

(d) The Board shall not expend funds designated as reserve funds for any purpose other than the repair, restoration, replacement, or maintenance of, or litigation involving the repair, restoration, replacement, or maintenance of, major components of the Common Area and facilities which the Association is obligated to repair, restore, replace, or maintain, and for which such reserve fund was established. However, the Board may authorize the temporary transfer of money from a reserve fund to the Association's general operating fund to meet short-term cash-flow requirements or other expenses, provided the Board has made a written finding, recorded in the Board's minutes, setting forth the reasons that the transfer is needed, and describing when and how the money will be repaid. The transferred funds shall be restored to the reserve fund within one (1) year of the date of the initial transfer, except that the Board may, upon making a finding supported by documentation that a temporary delay would be in the best interests of the Project, temporarily delay the restoration. The Board shall exercise prudent fiscal management in maintaining

the integrity of the reserve account, and shall, if necessary, levy a Special Assessment to recover the full amount of the expended funds within the time limits required by this Section. Such Special Assessment is subject to the limitation imposed by Section 4.5 of this Declaration. The Board may, at its discretion, extend the date on which the payment of the Special Assessment is due. Any extension shall not prevent the Board from pursuing any legal remedy to enforce the collection of an unpaid Special Assessment.

(e) When the decision is made to use reserve funds or to temporarily transfer money from the reserve fund to pay for litigation, the Association shall notify the Members of that decision in the next available mailing of any nature to all Members (with the Association newsletter, magazine, etc., if there is one) and of the availability of an accounting of those expenses. The Association shall make an accounting of expenses related to such litigation on at least a quarterly basis. The accounting shall be made available for inspection by Members at the Association's office.

Section 4.4 Special Assessments. If the Board determines that the estimated total amount of funds necessary to defray the common expenses of the Association for a given fiscal year is, or will become, inadequate to meet expenses for any reason (including, but not limited to, unanticipated delinquencies, costs of construction, unexpected repairs or replacements of capital improvements on the Common Area), the Board shall determine the approximate amount necessary to defray such expenses, and if the amount is approved by a majority vote of the Board, it shall become a Special Assessment. The Board may, in its discretion, prorate such Special Assessment over the remaining months of the fiscal year or levy the Special Assessment immediately against each Unit. Unless exempt from Federal or State income taxation, all proceeds from any Special Assessment shall be segregated and deposited into a special account and shall be used solely for the purpose or purposes for which they were levied, or they otherwise shall be handled and used in a manner authorized by law or regulations of the Internal Revenue Service and the California Franchise Tax Board in order to avoid, if possible, their taxation as income to the Association.

Section 4.5 Limitation on Board's Authority to Increase and Decrease Assessments.

(a) Any increases in Regular Assessments shall not be imposed unless the Board has complied with Section 9.2(b) of the Bylaws with respect to that fiscal year, or has obtained, in accordance with Section 4.6 hereof, the approval of a majority of the Owners at a meeting or election at which a quorum was present.

(b) Notwithstanding subsection (a) above, the Board may not, without the approval of a majority of the Owners at a meeting or election at which a quorum was present:

i. Increase Regular Assessments more than twenty percent (20%) greater than the Regular Assessments for the Association's preceding fiscal year, or

ii. Impose Special Assessments which in the aggregate exceed five percent (5%) of the budgeted gross expenses for the current fiscal year.

(c) Assessment increases are not limited in the case of emergency situations, which are any of the following:

i. An extraordinary expense required by court order.

ii. An extraordinary expense necessary to repair or maintain the Project, or any part of it for which the Association is responsible, where a threat to safety of persons is discovered.

iii. Repairs to or maintenance of the Project that could not have been reasonably foreseen in preparing the budget. Prior to imposition of the Assessment, the Board shall make written findings, distributed to the Members, as to the necessity of the expense and why it could not have been foreseen.

(d) The Association may not charge or collect fees or Assessments in connection with a transfer of a Condominium in excess of the actual cost to change its records.

(e) The annual Regular Assessment may not be decreased by the Board or by the Members by more than ten percent (10%) in any one (1) year without the approval of a majority of the voting power of the Association residing in Members other than Declarant.

(f) The Association shall provide notice by first-class mail to the Members of any increase of Regular or Special Assessments not less than thirty (30) days nor more than sixty (60) days prior to the increased Assessment becoming due.

Section 4.6 Notice and Quorum for Any Action Authorized Under Section 4.5. Any action authorized under Section 4.5, which requires a vote of the membership, shall be taken at a meeting called for that purpose at which a quorum equal to more than fifty percent (50%) of the total voting power of the Association is present. Written notice of said meeting shall be sent to all Members not less than ten (10) nor more than ninety (90) days in advance of the meeting, specifying the place, day and hour of the meeting and, notwithstanding any other provision of law, shall

specify those matters the Board intends to present for action by the Members; but, except as otherwise provided by law, any proper matter may be presented at such meeting for action. The action may also be taken without a meeting, pursuant to the provisions of California Corporations Code Section 7513.

Section 4.7 Levying of Regular and Special Assessments. All Regular and Special Assessments shall be equally assessed to the Owners.

Section 4.8 Assessment Period. The Regular Assessment period shall commence on January 1 of each year and shall terminate on December 31 of each year, or such other dates as may be approved by the Board, and Regular Assessments shall be payable in equal monthly installments, unless the Board adopts some other basis for collection. However, the initial Regular Assessment period shall commence on the first day of the calendar month following the date on which the sale of the first Condominium to a purchaser is closed and shall terminate on December 31 of the year in which the initial sale is closed. The first Regular Assessment and all Special Assessments shall be adjusted according to the number of months remaining in the fiscal year and shall be payable in equal monthly installments, unless the Board adopts some other basis for collection. The Association shall not change the pro rata interest in the Common Area or obligation of any Condominium for purposes of levying Assessments, unless all Owners affected and all the mortgagees of such Owners have given their prior written consent.

Section 4.9 Notice and Assessment Installment Due Dates; Delinquent Assessment.

(a) A single ten (10) day prior written notice of each annual Regular Assessment and Special Assessment, specifying the due dates for the payment of installments, shall be given to each Owner of every Condominium subject to Assessment; provided, however, in the event of an increase in any Regular or Special Assessment, such notice shall be given not less than thirty (30) nor more than sixty (60) days prior to the increased Assessment becoming due. The due dates for the payment of installments normally shall be the first day of each month, unless some other due date is established by the Board. Each installment of Regular Assessments and Special Assessments shall become delinquent if not paid within fifteen (15) days after its due date.

(b) If an Assessment is delinquent, the Association may recover the following:

i. Reasonable costs incurred in collecting the delinquent Assessment, including reasonable attorneys' fees;

ii. A late charge of ten percent (10%) of the delinquent Assessment, or ten dollars (\$10.00), whichever is greater;

iii. Interest on all sums imposed in accordance with this Section, including the delinquent Assessment, reasonable fees and costs of collection, and reasonable attorney's fees, at an annual percentage rate of twelve percent (12%) interest, commencing thirty (30) days after the Assessment becomes due.

Section 4.10 Payment of Delinquent Assessments Under Protest.

In accordance with California Civil Code Section 1366.3, an Owner may dispute a delinquent Assessment, as defined in Section 4.9 hereof, by paying to the Association in full the amount of Assessment in dispute, late charges, interest, and all reasonable fees and costs associated with the preparation and filing of a notice of delinquent assessment, including reasonable attorney's fees as may be prescribed by statute, and giving written notice to the Association that the amount is being paid under protest. Such notice shall be given by certified mail not more than thirty (30) days from the recording of a notice of delinquent assessment.

Following receipt of such notice, the Association shall inform the Owner that the dispute may be resolved by alternative dispute resolution as set forth in California Civil Code Section 1354, by civil action, or by other dispute resolution procedure available to the Association. The right of any Owner to utilize alternative dispute resolution under this Section shall be limited to not more than two (2) times in any single calendar year and not more than three (3) times in any five calendar years.

Section 4.11 Estoppel Certificate. The Board, on not less than twenty (20) days prior written request, shall execute, acknowledge and deliver to the party making such request a statement in writing stating whether or not, to the knowledge of the Association, a particular Owner is in default as to his Condominium under the provisions of this Declaration and further stating the dates to which installments of Assessments, Regular or Special, have been paid as to such Owner's Condominium. Any certificate delivered pursuant to this Section may be relied upon by any prospective purchaser or mortgagee of such Condominium, but reliance on such certificate may not extend to any default not involving the payment of Assessments of which the signer had not actual knowledge.

Section 4.12 Right to Enforce. The right to collect and enforce Assessments is vested in the Board, acting by and on behalf of the Association. The Board, or its authorized representative, can enforce the obligations of the Owners to pay Assessments provided for in this Declaration by commencement and maintenance of a suit at law or in equity, or the Board may foreclose by judicial

proceedings or through the exercise of the power of sale, pursuant to Section 4.14, to enforce the lien rights created. Suit to recover a money judgment for unpaid Assessments, together with all amounts described in Section 4.1 shall be maintainable without foreclosing or waiving the lien rights.

Section 4.13 Creation of Lien. If there is a delinquency in the payment of any Assessment or installment thereof on a Condominium, as described in Section 4.9 hereof, any amounts that are delinquent, together with any late charges, interest and all costs that are incurred by the Board or its authorized representative in the collection of the amounts, including reasonable attorneys' fees, shall be a lien against such Condominium upon the recordation in the Office of the County Recorder of the City and County of San Francisco of a notice of delinquent assessment, as provided in California Civil Code Section 1367.

Before the Association may place a lien upon a Condominium to collect a debt which is delinquent under Section 4.9 hereof, the Association shall, at least thirty (30) days prior to recording a lien, notify the Owner in writing by certified mail of:

(a) The general collection and lien enforcement procedures of the Association and the method of calculation, a statement that the Member has the right to inspect Association records, and the following statement in 14-point boldface type, if printed, or in capital letters, if typed: "IMPORTANT NOTICE: IF YOUR SEPARATE INTEREST IS PLACED IN FORECLOSURE BECAUSE YOU ARE BEHIND IN YOUR ASSESSMENTS, IT MAY BE SOLD WITHOUT COURT ACTION".

(b) An itemized statement of the charges owed by the Member, including the delinquent assessments, the fees and reasonable costs of collection, reasonable attorney's fees, any late charges, and interest, if any.

(c) A statement that the Member shall not be liable to pay the charges, interest, and costs of collection if it is determined the Assessment was paid on time to the Association.

(d) The right to request a meeting with the Board as provided hereinbelow.

Any payments towards such debt shall be first applied to principal owed, and only after the principal owed is paid in full shall such payments be applied to fees and costs of collection expenses, attorney's fees, late charges or interest. When a Member makes a payment, he may request a receipt and the Association shall provide it, such receipt to indicate the date of payment and the person receiving it. The Association shall provide a mailing address for overnight payment of Assessments.

The notice of delinquent assessment shall state the amount of the Assessment, collection costs, attorneys' fees, late charges, and interest, a legal description of the Condominium against which the Assessment and other sums are levied, the name of the record Owner, and the name and address of the trustee authorized by the Association to enforce the lien by sale. The notice shall be signed by the President of the Association or such other person designated by the Association for that purpose, and mailed in the manner set forth in California Civil Code Section 2924b, to all record Owners of the Condominium no later than ten (10) calendar days after recordation.

A Member may dispute the debt noticed by submitting to the Board a written explanation of the reasons for such dispute. The Board shall respond in writing to the Member within fifteen (15) days of the postmark date of the explanation, if the explanation is mailed within fifteen (15) days of the postmark of the notice of delinquent assessment. A Member may request to meet with the Board to discuss a payment plan for the debt, as provided in California Civil Code Section 1367.1.

Monetary penalties levied by the Association (1) as a disciplinary measure for failure of an Owner to comply with the Condominium Documents, or (2) as a means of reimbursing the Association for costs incurred by the Association in the repair of damage to the Common Area and facilities for which the Owner was allegedly responsible, or (3) in bringing the Owner and his subdivision interest into compliance with the Condominium Documents, shall not be Assessments which may become a lien against the Unit Owner's subdivision interest enforceable by a sale of the interest in accordance with the provisions of Section 2924, 2924(b) and 2924(c) of the California Civil Code.

The Assessment lien created by this Section shall be prior to all other liens recorded subsequent to the notice of delinquent assessment, except for taxes, bonds, assessments and other levies, which by law would be superior thereto, and except for the lien of any first mortgage made in good faith and for value.

If a lien previously recorded against a Condominium was recorded in error, the Association shall, within twenty-one (21) calendar days, record a release of lien and provide the Member with a declaration that the notice recording was in error and a copy of the lien release.

If the Association fails to comply with the procedures set forth in this Section, it shall recommence the required notice process prior to recording a lien, and any costs associated therewith shall be borne by the Association and not by the Member.

Section 4.14 Enforcement of Assessment Lien. After the expiration of thirty (30) days following recording of the lien created pursuant to Section 4.13 above, the lien may be enforced in any manner permitted by law, including sale by the court, sale by the trustee designated in the notice of delinquent assessment, or sale by a trustee substituted pursuant to California Civil Code Section 2934(a). Any sale by a trustee shall be conducted in accordance with the provisions of California Civil Code Sections 2924, 2924(b), 2924(c), 2924(f), 2924(g) and 2924(h), applicable to the exercise of powers of sale in mortgages and deeds of trust. Trustees fees may not exceed the amounts prescribed in California Civil Code Sections 2924(c) and 2924(d).

Section 4.15 Waiver of Exemptions. Each Owner, to the extent permitted by law, waives, to the extent of any liens created pursuant to this Article IV, the benefit of any homestead or exemption laws of the State of California in effect at the time any Assessment or installment becomes delinquent or any lien is imposed.

Section 4.16 Unallocated Taxes. In the event that any taxes are assessed against the Common Area, or the personal property of the Association, rather than against the Condominiums, such taxes shall be included in the Assessments made under the provisions of Section 4.1, and, if necessary, a Special Assessment may be levied against the Condominiums in an amount equal to such taxes, to be paid in two (2) installments, not less than thirty (30) days prior to the due date of each installment.

ARTICLE V

DUTIES AND POWERS OF THE ASSOCIATION

Section 5.1 Duties. In addition to the duties enumerated in its bylaws, or elsewhere provided in this Declaration, and without limiting the generality thereof, the Association shall perform the following duties:

(a) Maintenance. The Association shall maintain, repair, replace, restore, operate and manage all of the Common Area (except Exclusive Use Common Area yards, which shall be maintained in accordance with Section 8.7 below) and all facilities, improvements, furnishings, equipment and landscaping thereon, and all property that may be acquired by the Association. Maintenance shall include, without limitation, painting, maintaining, repairing and replacing all Common Areas (except Exclusive Use Common Area yards), exterior glass surfaces, and landscaping; periodic maintenance and testing of all built-in fire detection and

protection devices and equipment, if any. The Association shall bear the costs for any portion of the Common Area damaged by the presence of wood-destroying pests or organisms.

The responsibility of the Association for maintenance, repair and replacement shall not extend to repairs or replacements arising out of or caused by the willful or negligent act or neglect of an Owner or his guests, tenants or invitees, the cost of which is not covered by insurance. Repairs or replacements resulting from such excluded items shall be the responsibility of each Owner; provided, however, that if an Owner shall fail to make the repairs or replacements which are his responsibility as provided herein, then, upon a vote of a majority of the Board of Directors, and after not less than thirty (30) days notice to the Owner, and hearing (except in an emergency situation), the Association shall have the right (but not the obligation) to make such repairs or replacements, and the cost thereof shall be added to the Assessments chargeable to such Condominium and shall be payable to the Association by the Owner of such Condominium.

The Association shall perform all reasonable maintenance obligations and follow all reasonable maintenance schedules provided to the Association by the developer.

(b) Insurance. The Association shall obtain and maintain the following policy or policies of insurance:

i. A policy or policies of fire and casualty insurance (Special Form), for the full replacement value, covering all Common Area improvements, including fences and monuments; driveway; lighting fixtures; exterior signs; personal property owned by the Association; and landscaping such as lawn, trees, shrubs and plants located in the Common Area.

The policy or policies shall be primary and noncontributing with any other insurance policy or policies covering the same loss.

Each policy shall provide that it shall not be canceled without at least thirty (30) days prior written notice to the Association and to each of the Owners and their mortgagees of record. The Board shall review the limits of such insurance at least every year and shall increase or adjust the same, if necessary, to provide the coverage and protection required by this Declaration. Such policy or policies shall provide for a separate loss payable endorsement in favor of the mortgagee or mortgagees of each Condominium, if any.

Owners are hereby required to place and maintain insurance coverage for the full replacement value of their Units.

ii. A policy or policies of comprehensive public liability insurance, including, but not limited to, general public liability insurance, including coverage for bodily injury, emotional distress, wrongful death, and/or property damage. Such insurance shall insure the Association, the Declarant, the Board, the directors, the officers, the Owners and any appointed manager, against any liability to the public or to any Owner incident to the ownership and/or use of the Project or incident to the use of, or resulting from, any accident or intentional act occurring in or about any Unit or the Common Area. The general public liability insurance required by this Section shall each be in an amount of not less than two million dollars (\$2,000,000) per occurrence, or such other minimum amount as may be required by California Civil Code Section 1365.9. The Board shall review the limits and coverage of such insurance at least every year and shall increase or adjust the same, if necessary, to provide the coverage and protection required by this Declaration.

iii. Worker's Compensation Insurance to the extent necessary to comply with all applicable laws of the State of California or the regulations of any governmental body or authority having jurisdiction over the Project.

iv. Fidelity insurance, in a commercial blanket fidelity insurance form, obtained at the discretion of the Board, naming such persons as may be designated by the Board as principals, and the Owners as obligees, in an amount to be determined by the Board in its absolute discretion.

v. Flood insurance if the Project is located in an area designated by an appropriate governmental agency as a special flood hazard area.

vi. Earthquake insurance only if a majority of the Members vote to purchase such insurance. If the Members elect to purchase such earthquake insurance, the insurance may be subsequently cancelled on a vote of the majority of the Members. If cancelled, the Association shall make reasonable efforts to notify the Members of the cancellation.

Nothing in this subsection (b) [except as provided in subsection (b)(vi)] shall restrict or prohibit the Board from maintaining such additional policies of insurance or endorsements as it, in its absolute discretion, shall deem reasonable and necessary. Any insurance acquired by the Board may be taken in the name of the Board as trustee, for the use and benefit of the Board and all Owners.

The Board periodically (and not less than once each year) shall review the Association's insurance policies and make such adjustments to the policies terms and conditions as the Board

considers to be in the best interests of the Association. The review shall include an appraisal by a qualified appraiser of the current replacement costs of all covered property under the Association's fire and casualty policy unless the Board is satisfied that the current dollar limit of such policy, coupled with the amount of actual reserves on hand, is equal to or greater than the current replacement costs.

The amount, term, and coverage of any policy required hereunder (including the type of endorsements, the amount of the deductible, the named insureds, the loss payees, standard mortgage clauses, and notices of changes or cancellations) shall satisfy the minimum requirements imposed for this type of project by the Federal National Mortgage Association ("FNMA") or any successor thereto. If FNMA does not impose requirements on any policy required hereunder, the term, amount, and coverage of such policy shall be no less than that which is customarily carried by prudent owners of similar property in the County in which the Project is located.

Each Owner appoints the Association or any insurance trustee (as defined in Section 8.9(b)(ii) below) designated by the Association to act on behalf of the Owners in connection with all insurance matters arising from any insurance policy maintained by the Association, including, without limitation, representing the Owners in any proceeding, negotiation, settlement or agreement.

Any insurance maintained by the Association shall contain "waiver of subrogation" as to the Association and its officers, directors, and Members, the Owners and occupants of the Condominiums (including Declarant) and mortgagees, and, if obtainable, cross liability endorsements or severability of interest endorsements insuring each insured against the liability of each other insured.

Except in the case of earthquake insurance and subject to any restrictions imposed by any Mortgagees, the Board shall have the power and right to deviate from the insurance requirements contained in this Section 5.1(b) in any manner that the Board, in its discretion, considers to be in the best interests of the Association. If the Board elects to materially reduce the coverage from the coverage required in this Section 5.1(b), the Board shall make all reasonable efforts to notify the Members of the reduction in coverage and the reasons therefor at least thirty (30) days before the effective date of the reduction.

The Association and its directors and officers shall have no liability to any Owner or Mortgagee if, after a good faith effort, (1) the Association is unable to obtain any insurance required hereunder because the insurance is no longer available; (2) if available, the insurance (except for earthquake insurance) can be

obtained only at a cost that the Board, in its sole discretion, determines is unreasonable under the circumstances; or (3) the Members fail to approve any assessment increase needed to fund the insurance premiums.

(c) Discharge of Liens. The Association shall discharge by payment, if necessary, any lien against the Common Area, and assess the cost thereof to the Member or Members responsible for the existence of such lien; provided that such Member(s) is given notice and the opportunity to be heard before the Board before discharge of the lien.

(d) Assessments. The Association shall fix, levy, collect and enforce Assessments, as provided in Article IV hereof.

(e) Payment of Expenses. The Association shall pay all expenses and obligations incurred by the Association in the conduct of its business including, without limitation, all licenses, taxes or governmental charges levied or imposed against the Property of the Association.

(f) Enforcement. The Association shall enforce this Declaration.

(g) Account Review. The Association shall review its operating and reserve accounts, their reconciliations and account statements, as set forth in the Bylaws. For purposes herein, "reserve accounts" shall mean monies that the Association has identified from its annual budget to defray the future repair or replacement of, or additions to, those major components of the Common Area and facilities which the Association is obligated to maintain.

(h) Notice of Civil Action. The Association shall notify the Members of filing of any civil action by the Association against the Declarant or other developer for alleged damage, as specified in Section 9.7 of the Bylaws.

(i) Condominium Documents and Statement of Unpaid Assessments. Within ten (10) days of receipt of a written request from a Member, the Association shall provide copies of the Condominium Documents, copies of the documents required by Article IX of the Bylaws and a statement of any unpaid Regular or Special Assessments, late charges, interest and collection costs which are or may become a lien against his Unit, for delivery to a prospective purchaser of the Unit, pursuant to Civil Code Section 1368. The Association may charge a reasonable fee for such service, which shall not exceed the reasonable cost to prepare and reproduce the requested items.

(j) Notice of Assessments and Foreclosure. The Association shall distribute to the Members the written Notice of Assessments and Foreclosure required by California Civil Code Section 1365.1, during the sixty (60) day period immediately preceding the Association's fiscal year.

(k) Informational Notice to Secretary of State. The Association annually shall submit to the California Secretary of State a form containing all the information and the fee prescribed by California Civil Code Section 1363.6.

(l) Repair and Maintenance Requirements. The Association shall comply with all applicable provisions of Title 7 of Division 2, Part 2 of the California Civil Code, but shall only enforce such statute with respect to repair of Common Areas. The Association shall follow all reasonable maintenance obligations and schedules communicated in writing to the Association by the builder and product manufacturers, as well as commonly accepted maintenance practices. The Association shall make any such maintenance manuals and/or schedules available to the Owners.

(m) NSR. The Association shall operate and manage the Property in compliance with the terms and conditions of the NSR.

Section 5.2 Powers. In addition to the powers enumerated in its Bylaws, or elsewhere provided herein, and without limiting the generality thereof, the Association shall have the following powers:

(a) Utility Service. The Association shall have the authority to obtain, for the benefit of all of the Condominiums, all water, gas and electric service, and refuse collection; janitorial or window cleaning service; and fireplace cleaning and chimney cleaning service.

(b) Easements. The Association shall have the authority to grant easements, where necessary, for utilities and sewer facilities over the Common Area to serve the Common Areas and the Condominiums.

(c) Manager. The Association shall have the authority to employ a manager or managing agent and to contract with independent contractors to perform all or any part of the day to day management duties and responsibilities of the Association, each of whom shall be subject to the direction and control of the Board, provided that any contract with a firm or person appointed as manager or managing agent shall not exceed a one (1) year term and shall provide for the right to terminate by either party without cause and without payment of a termination fee on thirty (30) days written notice. It is expressly provided herein that the Association shall employ a manager or managing agent for a minimum

of five years from the date of sale of the first Unit. Any delegation of authority to a manager or managing agent shall be subject to Section 5.0.0.0.1(k) hereof.

Notwithstanding the above, no manager or officer may be delegated the power or authority to levy fines, hold hearings or impose discipline, make capital expenditures, file suit, record a claim of lien, or foreclose for failure to pay Assessments.

(d) Adoption of Rules. The Association may adopt reasonable rules not inconsistent with this Declaration relating to the use of the Common Area, the Exclusive Use Common Area, if any, and all facilities thereon, and the conduct and use thereof and the conduct of Owners and their tenants and guests with respect to the Property and other Owners.

(e) Access. For the purpose of performing the maintenance authorized herein, or for any other purpose reasonably related to the performance by the Association or the Board of their respective responsibilities, the Association's agents or employees shall have the right, after reasonable notice to the Owner thereof, to enter any Unit or to enter any portion of the Common Area at reasonable hours. Except in the case of any emergency, forty-eight (48) hours advance notice shall be given to the Owner or occupant prior to any entry of a Unit.

(f) Assessments, Liens and Fines. The Association shall have the power to levy and collect Assessments, in accordance with the provisions of Article IV hereof. The Association may impose fines or take disciplinary action against any Owner for failure to pay Assessments or for violation of any provision of the Condominium Documents. Penalties may include but are not limited to: fines, temporary suspension of voting rights or other appropriate discipline, provided that the accused Member is given at least fifteen (15) days notice and the opportunity to be heard orally or in writing before the Board of the Association with respect to the alleged violations at least five (5) days before a decision to impose discipline is made. All notices required under this Section shall be made pursuant to Section 8.12 of this Declaration.

(g) Enforcement. The Association shall have the authority to enforce this Declaration, as provided in Section 8.1 hereof.

(h) Acquisition of Property. The Association shall have the power to acquire (by gift, purchase or otherwise), own, hold, improve, build upon, operate, maintain, convey, sell, lease, transfer, dedicate for public use, or otherwise dispose of, real or personal property in connection with the affairs of the Association.

(i) Loans. The Association shall have the power to borrow money, and only with the consent (by vote or written consent) of three-fourths (3/4) of each class of Members, to mortgage, to pledge, to encumber or to hypothecate any or all of its real or personal property as security for monies borrowed or debts incurred.

(j) Contract. The Association shall have the power to contract for goods and/or services for the Common Area facilities and interests or for the Association, subject to any limitations set forth in the Condominium Documents.

(k) Delegation. The Association shall have the power to delegate its authority and powers to committees, officers or employees of the Association. The Association may not, however, delegate the following powers:

- i. To levy fines, hold hearings, or impose discipline;
- ii. To make capital expenditures;
- iii. To file suit, to cause a claim of lien to be recorded, or to foreclose for failure to pay Assessments; or
- iv. To levy Regular Assessments or Special Assessments.

(l) Temporary Removal of Occupants. The Association may cause the temporary removal of any occupant for such periods and at such times as necessary for prompt, effective treatment of wood-destroying pests or organisms. The cost of the temporary relocation is to be borne by the Owner of the Unit affected. Not less than fifteen (15) days nor more than thirty (30) days notice of the need to temporarily vacate shall be given to occupants and to the Owner of the Unit affected. The notice shall state:

- i. The reason for the temporary relocation;
- ii. The date and time of the beginning of the treatment;
- iii. The anticipated date and time of termination of treatment; and
- iv. That the occupants will be responsible for their own accommodations during the temporary relocation.

Notice is deemed complete if a copy is personally delivered or mailed first class to the occupants and a copy is sent to the non-occupying Owners via first class mail.

(m) Appointment of Trustee. The Association, or the Board on behalf of the Association, shall have the power to appoint a trustee to enforce Assessment liens as provided in Section 4.13 hereof, and as provided in California Civil Code Section 1367(b).

(n) Litigation, Arbitration, Mediation or Administrative Proceedings. The Association, or the Board on behalf of the Association, shall have the authority to institute, defend, settle or intervene in litigation, arbitration, mediation, or administrative proceedings in matters pertaining to (1) enforcement of the Condominium Documents, (2) damage to the Common Areas, (3) damage to the separate interests which the Association is obligated to maintain or repair, or (4) damage to the separate interests which arises out of, or is integrally related to, damage to the Common Areas or separate interests that the Association is obligated to maintain or repair, subject to compliance with California Civil Code Section 1354.

(o) Other Powers. In addition to the powers enumerated in this Declaration and in the Bylaws, the Association may exercise the powers granted to a nonprofit mutual benefit corporation, as such exist from time to time, under the California Corporations Code.

ARTICLE VI

UTILITIES

Section 6.1 Owners' Rights and Duties. The rights and duties of the Owners of Condominiums within the Project with respect to electric, telephone, water, gas and sanitary sewer lines, facilities and connections; cable or master television antenna lines, facilities and connections; and security system lines, facilities and connections (collectively referred to as "utility facilities") shall be as follows:

(a) Whenever utility facilities are installed within the Property, which utility facilities, or any portion thereof, lie within or upon Condominiums owned by other than the Owner of a Condominium served thereby, the Board or its authorized representative shall have the right to enter (or to have the utility company enter) upon the Condominiums within or upon which such utility facilities, or any portion thereof, lie, in connection with construction, maintenance or emergency repair for the benefit of the Common Area or the Owners in common.

(b) Whenever utility facilities are installed within the Property, which utility facilities serve more than one Condominium, the Owner of each Condominium served thereby shall be entitled to

the full use and enjoyment of the portions of such utility facilities as service his Condominium.

(c) In the event of a dispute between Owners with respect to the maintenance, repair or rebuilding of such utility facilities, or with respect to the sharing of the cost thereof, then, upon written request of one of such Owners addressed to the Association, the matter shall be submitted to the Board of Directors who shall decide the dispute, and the decision of the Board shall be final and conclusive on the parties.

Section 6.2 Easements for Utilities and Maintenance. Easements over and under the Property for the installation, repair and maintenance of utility facilities, drainage facilities, walkways, and landscaping, as shown on the Map, and as may be hereafter required or needed to service the Property are hereby reserved by Declarant and the successors and assigns of Declarant, including the Association, together with the right to grant and transfer the same.

Section 6.3 Association's Duties. The Association shall maintain all utility installations located in the Common Area except those installations maintained by utility companies, public, private or municipal. The Association shall pay all charges for utilities supplied to the Project, except those metered and charged separately to the Condominiums.

ARTICLE VII

USE RESTRICTIONS

Section 7.1 Condominium Use. No Condominium shall be occupied and used except for residential purposes by the Owners, their tenants and guests, and no trade or business shall be conducted therein, except that:

(a) Home Office. A home office may be maintained to conduct a trade or business provided such office complies with the requirements of local laws and regulations governing the maintenance of offices in residential dwelling units.

(b) Model Home Site. Declarant, and the successors or assigns of Declarant, may use any Condominium or Condominiums in the Project owned by Declarant for a model home site or sites and display and sales office until the last Condominium is sold by Declarant, or, if Declarant elects to retain one (1) or more Condominiums, three (3) years after the close of the sale of the first Condominium in the Project.

(c) Below Market Rate ("BMR") Units. Pursuant to the NSR, all Units in the Project have been designated as Below Market Rate (BMR) Units. The BMR Units shall be owned, leased, rented, sold or otherwise transferred in accordance with the terms and conditions set forth in the NSR.

Section 7.2 Nuisances. No illegal or seriously offensive activity shall be transacted or conducted in any Unit or in any part of the Property, nor shall anything be done thereon which is a serious annoyance or a nuisance to or which may in any way interfere with the quiet enjoyment of each of the Owners of his respective Unit, or which shall in any way increase the rate of insurance for the Project, or cause any insurance policy to be canceled or to cause a refusal to renew the same, or which will impair the structural integrity of the Condominium Building.

Section 7.3 Signs. No commercial sign shall be displayed to the public view on any Unit or any portion of the Property. In accordance with California Civil Code Section 712, one (1) "For Sale" or "For Rent" sign for each Condominium shall be allowed, provided that it is reasonable in size and posted at appropriate locations on the Property. The Board may adopt rules and regulations concerning the size and location of "For Sale" or "For Rent" signs. Noncommercial signs or posters that are nine (9) square feet, or less, and flags or banners that are fifteen square feet, or less, made of paper, cardboard, cloth, plastic or fabric may be posted or displayed from the yard, window, door, balcony or outside wall of a Unit, unless prohibited by the Board for reasons of public health or safety or if such posting or display would violate any law.

Section 7.4 Pets. An Owner shall be allowed to keep no more than one (1) domesticated bird, cat, dog, aquatic animal kept within an aquarium, or other pet as agreed upon between the Association and the Owner; provided that no animal is kept, bred or maintained for any commercial purposes, and is kept under reasonable control at all times.

No pet may be kept on the Property which is a serious annoyance or is obnoxious to the Owners. No pet shall be allowed in the Common Area except as may be permitted by the rules of the Association. Declarant or any Owner may cause any unauthorized pet found in the Common Area to be removed to a pound or animal shelter under the jurisdiction of the City and County of San Francisco, by calling the appropriate authorities, whereupon the Owner (upon payment of all expenses connected therewith) may repossess the pet. No dog whose barking seriously disturbs other Owners shall be permitted to remain on the Property. Any decision regarding the conduct of a pet shall be made only after notice to the Owner and the opportunity to be heard before the Board. Owners shall prevent

their pet from soiling any portion of the Common Area and shall promptly clean up any fouling by their pet.

Section 7.5 Garbage and Refuse Disposal. All rubbish, trash and garbage shall be regularly removed from the Property and shall not be allowed to accumulate thereon. Trash, garbage and other waste shall not be kept except in sanitary containers. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. All equipment, garbage cans, wood piles or storage piles shall be kept screened and sealed from view of other Units, streets and Common Areas. No toxic or hazardous materials shall be disposed of within the Project by dumping in the garbage containers or down the drains, or otherwise, other than those required, in limited quantities, for the normal cleaning of a Condominium.

Section 7.6 Radio and Television Antennas; Data Communication. No Owner shall alter or modify a central radio antenna, television antenna system, cable television system, data communication system or satellite dish, if any, as developed by Declarant and as maintained by the Association, without the permission of the Board. No Owner shall construct and/or use and operate his own external radio, television antenna or satellite dish without the approval of the Board, except that the Board may not prohibit or restrict the construction and or/use of a satellite dish having a diameter or diagonal measurement of one (1) meter or less which is located inside a Unit or a balcony area appurtenant to such Unit. Notwithstanding the foregoing, the Board may impose reasonable restrictions for the installation and use of a video or television antenna, including a satellite dish, that do not significantly increase the cost of the system or significantly decrease its efficiency or performance, as set forth in Civil Code Section 1376. If the Board requires approval for the installation of such antenna or satellite dish, the application for approval shall be processed in the same manner as an application for architectural modification and the issuance of a decision on the application shall not be willfully delayed.

Section 7.7 Right to Lease. Owners shall be entitled to rent or lease their Unit provided that:

(a) Not less than the entire Unit is rented or leased. Nothing contained in this Section 7.7(a) shall be construed to prohibit roommates.

(b) The lease term is for a period of not less than one (1) year, unless approved by the Association, but in no event for a period of less than thirty (30) days.

(c) Any lease or occupancy agreement for a Unit shall be in writing and shall specifically provide that it is subject to the

Condominium Documents, and that violation or infraction of the Condominium Documents shall constitute a default thereunder. The Owner shall remain liable for any violation or infraction of the Condominium Documents by the tenant.

(d) Within three (3) days after entering into a lease or a contract of sale for his Condominium, an Owner shall notify the Association, in writing, of the names of lessees or contract purchasers, the mailing address of the lessor or seller, the term of the lease or contract of sale, and the names of all persons who will occupy the Unit. The Owner shall also provide the Association with a copy of the lessee's or purchaser's signed receipt for the Condominium Documents, including the rules and regulations, and agreement to abide by all provisions thereof.

(e) No Condominium shall be owned, leased, occupied or rented pursuant to any time sharing agreement of any kind.

Section 7.8 Clothes Lines. No exterior clothes lines shall be erected or maintained and there shall be no outside laundering or drying of clothes. No draping of towels, carpets or laundry over railings or walls shall be allowed.

Section 7.9 Window Covering. Window coverings on windows visible from the street shall be restricted to drapes, curtains, shutters or blinds of a neutral color, unless expressly approved by the Association.

Section 7.10 Basketball Standards. No basketball apparatus or fixed sport apparatus shall be attached to the exterior surface of any portion of the Common Area.

Section 7.11 Flags, Pennants, Banner, Etc. There shall be no exhibiting, flying or hanging of any flags, pennants kites, towels, etc., from any area of the Property, with the exception of the sales office, that would be visible from the street, the Common Area or the Units, except under reasonable Rules and Regulations adopted by the Board, and except as expressly permitted by statute and by Section 7.3 hereof.

Section 7.12 Common Area Use. Nothing shall be stored, grown or displayed in the Common Area, unless approved in advance by the Board.

Section 7.13 Exterior Storage. Nothing shall be stored or otherwise left remaining in the exterior portions of the Unit, including balcony or deck, and any yard area, in a manner that is visible from the Common Area, any streets adjacent to the Property, or from adjoining Units, except within storage buildings approved by the Architectural Committee or as permitted by Association rules.

Section 7.14 Architectural Control.

(a) Architectural Plans. No building, fence, wall obstruction, balcony, deck, screen, patio, patio cover, tent, awning, improvement or structure of any kind shall be commenced, erected, painted or maintained upon the Property, nor shall any alteration, or improvement of any kind be made thereto, until the same has been approved in writing by the Board. Notwithstanding the foregoing, an Owner may improve or alter any improvements located within the interior boundaries of the Owner's Unit, provided the improvement or alteration does not impair the structural or acoustical integrity of the Condominium Building(s) or any Common Area, the utilities, or other systems servicing the Common Area or other Condominiums, and does not involve altering any Common Area (including roofs and bearing walls). Plans and specifications showing the nature, kind, shape, color, size, materials and location of such improvements, alterations, etc., shall be submitted to the Board for approval as to quality of workmanship and design and harmony of external design with existing structures and as to location in relation to surrounding structures. In the event the Board fails to approve or disapprove plans and specifications within thirty (30) days after the same have been submitted to it, approval shall not be required and the related covenant shall be deemed to have been satisfied.

Exterior painting of Units and roof replacement shall be subject to any reasonable rules and regulations regarding design and/or color as may be adopted by the Board.

(b) Architectural Control Committee Action. The Architectural Control Committee shall consist of three (3) members. Declarant may appoint all of the original members of the Committee and all replacements until the first anniversary of the issuance of the original final public report for the Project. The Declarant reserves to itself the power to appoint a majority of the members to the Committee until ninety percent (90%) of all the Condominiums in the Project have been sold or until the fifth anniversary of the issuance of the final public report for the Project, whichever first occurs. After one (1) year from the date of issuance of the original public report for the Project, the Board shall have the power to appoint at least one (1) member to the Committee until ninety percent (90%) of all the Condominiums in the Project have been sold or until the fifth anniversary date of the issuance of the original final public report for the Project, whichever first occurs. Thereafter, the Board shall have the power to appoint all of the members of the Architectural Control Committee. In the event of death or resignation of any Committee member, said member's replacement shall be appointed by whomever (the Board or Declarant) appointed that member. A majority of the members of the Committee may appoint a single member to act for it. Neither the members of the Committee nor its designated representative shall be

entitled to any compensation for services performed pursuant thereto. In the event the Committee fails to approve or disapprove plans and specifications within thirty (30) days after the same have been submitted to it, approval will not be required and the related covenants shall be deemed to have been fully complied with.

(c) Noise Transference. In order to maintain noise transference levels between Units and to comply with Title 24 and with applicable building standards, floor covering materials that are replaced shall be replaced only with materials of equal or better quality.

(d) Landscaping. No landscaping or other physical improvements or addition shall be made by any Owner to any decks, balconies, patios or yards which are visible from the street or from any Common Area shall be undertaken by any Owner until plans and specifications showing the nature, kind, shape, and location of the materials shall have been submitted to and approved in writing by the Architectural Control Committee or the Board.

(e) Governmental Approval. Before commencement of any alteration or improvements approved by the Architectural Control Committee, the Owner shall comply with all appropriate governmental laws and regulations. Approval by the Committee does not satisfy the appropriate approvals that may be required by any governmental entity with appropriate jurisdiction.

Section 7.15 Liability of Owners for Damage to Common Area. The Owner of each Condominium shall be liable to the Association for all damages to the Common Area, or improvements thereon, caused by such Owner or Owner's agent, any occupant, invitee, guest or pet, except for that portion, if any, fully covered by insurance. Liability of an Owner shall be established only after notice to the Owner and hearing before the Board.

Section 7.16 Hazardous Materials. An Owner shall not use or keep in a Unit or the Common Area any kerosene, gasoline or inflammable or combustible fluid or material or other hazardous materials, other than those required, in limited quantities, for normal cleaning or landscaping work.

Section 7.17 Vehicle Restrictions and Towing. No trailer, camper, mobile home, commercial vehicle, recreational vehicle, truck having carrying capacity of greater than one-half ($\frac{1}{2}$) ton, or van having seating capacity in excess of eight (8) persons, boat, inoperable automobile, or similar equipment shall be permitted to be parked or remain upon any area within the Property. Permitted vehicles which are used both for business and personal use are not prohibited, provided that any signs or markings of a commercial nature on such vehicles shall be unobtrusive and inoffensive as determined by the Board. Parking of vehicles is restricted to the

garage areas of the Units. No noisy or smoky vehicles shall be operated on the Property and no unregistered or unlicensed motor vehicles shall be operated or parked on the Property. The Association shall install a sign at each vehicular entrance to the Property containing a statement that parking is prohibited and that all illegally parked vehicles will be removed at the owner's expenses. The sign shall contain the telephone number of the local traffic law enforcement agency and shall not be less than 17 x 22 inches in size with lettering not less than one (1) inch in height.

The Association may cause the removal of any vehicle wrongfully parked on the Property, including a vehicle owned by an occupant. If the identity of the registered owner is known or readily ascertainable, the President of the Association or his designee shall, within a reasonable period of time thereafter, notify the owner of the removal in writing by personal delivery or first class mail. In addition, notice of the removal shall be given to the local traffic law enforcement agency immediately after the vehicle has been removed. The notice shall include a description of the vehicle, the license plate number and the address from where the vehicle was removed. If the identity of the owner is not known or easily ascertainable and the vehicle has not been returned to the owner within one hundred twenty (120) hours after its removal, the Association immediately shall send or cause to be sent a written report of the removal by mail to the California Department of Justice in Sacramento, California and shall file a copy of the notice with the proprietor of the garage in which the vehicle is stored. The report shall be made on a form furnished by the California Department of Justice and shall include a complete description of the vehicle, the date, time and place from which the vehicle was removed, the amount of mileage on the vehicle at the time of removal, the grounds for removal and the name of the garage where the vehicle is stored. Notwithstanding the foregoing, the Association may cause the removal, without notice, of any vehicle parked within a marked fire lane, within fifteen (15) feet of a fire hydrant, in a parking space designated for handicapped without proper authority or in a manner which interferes with any entrance to or exit from the Property or any Unit, parking space or garage located thereon. The Association shall not be liable for any damages incurred by the vehicle owner because of the removal in compliance with this section or for any damage to the vehicle caused by the removal, unless such damage resulted from intentional or negligent act of the Association or any person causing the removal of or removing the vehicle. If requested by the owner of the vehicle, the Association shall state the grounds for the removal of the vehicle.

Section 7.18 Combining Units. Subject to prior written approval of the Board, which approval shall not unreasonably be withheld, the Owner of two or more adjacent Units may combine the Units by creating internal access from one Unit to another through

the walls or other portions of the Common Area which separate and divide the individual Units, or separate and divide two or more Units previously joined hereunder, so long as any such work does not impair the structural integrity of the Condominium Building. All such work shall be done at the expense of the Owner and shall be performed in accordance with any permits which may be required. All plans must be approved by the Board prior to commencement of work, or by the Architectural Control Committee, in accordance with Article VII of this Declaration.

Any Owner combining Units, as provided in this Section, shall indemnify all other Owners and the Association against and hold them harmless from any cost, loss, liability, damage or injury to property or persons arising from or caused by, such work. As a condition to granting its approval, the Board (or any committee appointed by the Board) may impose reasonable terms and conditions, including, without limitation, a requirement that the Owner obtain lien and completion bonds to assure lien-free completion of the work. Assessments by the Association shall continue to be made to each Unit and each Unit shall have one (1) vote, whether or not combined.

ARTICLE VIII

GENERAL PROVISIONS

Section 8.1 Enforcement Mandatory Alternative Dispute Resolution; Mandatory Arbitration; Optional Dispute Resolution; Judicial Reference; Civil Code Section 896 Compliance.

(a) Right to Enforce. The Association, or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, or decisions made by the Association pursuant to the provisions of this Declaration, and in such action shall be entitled to recover reasonable attorneys' fees as are ordered by the Court. Failure by the Association or by any Owner to enforce any covenant or restriction contained herein shall in no event be deemed a waiver of the rights to so do thereafter.

(b) Mandatory Alternative Dispute Resolution. Prior to the filing by either the Association or an Owner of a civil action related to the enforcement of the Condominium Documents (i) solely for declaratory relief, or (ii) solely for injunctive relief, or (iii) for declaratory relief or injunctive relief in conjunction with a claim for monetary damages not in excess of five thousand dollars (\$5,000), the parties shall endeavor to submit their

dispute to a form of alternative dispute resolution such as mediation or arbitration (collectively, "alternative dispute resolution proceedings"), as required by Section 1354(b) of the California Civil Code. As provided therein:

i. The form of alternative dispute resolution chosen may be binding or nonbinding at the option of the parties.

ii. Any party to such a dispute may initiate the process by serving on another party to the dispute a Request for Resolution. The Request for Resolution shall include (1) a brief description of the dispute, (2) a request for alternative dispute resolution, and (3) a notice that the party receiving the Request for Resolution is required to respond within thirty (30) days of receipt or it will be deemed rejected. Service of the Request for Resolution shall be as required by Section 1354(b).

iii. Parties receiving a Request for Resolution shall have thirty (30) days following service of the Request for Resolution to accept or reject alternative dispute resolution and, if the Request is not accepted within said thirty (30) day period by a party, it shall be deemed rejected by that party.

iv. If alternative dispute resolution is accepted by a party, it shall be completed within ninety (90) days of receipt of the acceptance by the party initiating the Request, unless extended by written stipulation signed by both parties.

v. The costs of the alternative dispute resolution shall be borne by the parties.

Any such action filed by the Association or an Owner shall be subject to the provisions of Section 1354(b), and failure by any Owner or the Association to comply with the prefiling requirements of Section 1354(b) may result in the loss by the Association or any such Owner of the right to sue to enforce the Condominium Documents.

(c) Mandatory Arbitration of Claims Against Declarant. Notwithstanding California Code of Civil Procedure Section 1298.7, any controversy or claim between or among Declarant, as the builder of the Project, on the one hand, and either the Association or any Owner, on the other hand, relating to the design or construction of Project, shall be submitted to binding arbitration before the American Arbitration Association ("AAA") or Judicial Arbitration and Mediation Service/Endispute ("JAMS"), as provided in this subsection (c). The entity selected by the parties is hereinafter referred to as the "Arbitrating Entity", and if the parties are unable to agree on the Arbitrating Entity, the dispute shall be arbitrated before AAA.

i. The parties shall comply with the requirements of California Civil Code Division 2, Part 2, Title 7, Chapter 4, (Sections 910 through 938, inclusive), which are hereinafter referred to as the "Non-Adversarial Procedures", prior to initiating arbitration proceedings under this subsection (c) or reference proceedings under subsection (e) below.

ii. The arbitration shall be conducted in accordance with the commercial arbitration rules of AAA or the Streamlined or Comprehensive Rules and Regulations of JAMS, as the case may be, modified, in the case of AAA by a written agreement to vary procedures and in the case of JAMS by party-agreed procedures, as follows:

A. Declarant shall advance the fees necessary to initiate the arbitration, with ongoing costs and fees to be paid as agreed by the parties and, if they cannot agree, as determined by the arbitrator; provided, however, that the costs and fees of the arbitration shall be ultimately borne as determined by the arbitrator.

B. There shall be only one arbitrator who shall be selected by mutual agreement of the parties within thirty (30) days of the administrator of the Arbitrating Entity receiving a written request from a party to arbitrate the controversy or claim. The arbitrator shall be a neutral and impartial individual, and the provisions of California Code of Civil Procedure Section 1297.121 shall apply to the selection of the arbitrator. An arbitrator may be challenged on any of the grounds listed in California Code of Civil Procedure Sections 1297.121 or 1297.124. If the parties are unable to agree on an arbitrator, the Arbitrating Entity shall select the arbitrator.

C. The venue of the arbitration shall be the county in which the Project is located unless the parties agree to some other location.

D. The arbitrator shall apply California substantive law in rendering a final decision. The arbitrator shall have the power to grant all legal and equitable remedies and award compensatory damages, but shall not have the power to award punitive damages.

E. Discovery shall be allowed pursuant to California Code of Civil Procedure Section 1283.05, and arbitration of any matter pursuant to this Section shall not be deemed a waiver of the attorney-client or attorney-work product privilege in any way.

iii. The parties agree to be bound by the decision of the arbitrator, which shall be final and non-appealable.

Judgment upon the decision rendered by the arbitrator may be entered in any court having proper jurisdiction or application may be made to such court for judicial acceptance of the award and an order of enforcement. If a party refuses to arbitrate, the other party may seek a court order compelling arbitration.

(d) Optional Alternative Dispute Resolution. In addition to the requirements of Sections 8.1(b) and (c) above, the Association may perform any act reasonably necessary to resolve any civil claim or action through alternative dispute resolution proceedings, including, without limitation, the following:

i. Provide advance notice of the Association's intent to initiate the prosecution of any civil action.

ii. After initiating the prosecution or defense of any civil action, meet and confer with every person who is a party.

iii. Consider diversion of the prosecution or defense of any civil action to alternative dispute resolution proceedings.

iv. Agree to both participate in alternative dispute resolution proceedings and pay costs therefor incurred by the Association.

(e) Judicial Reference of Claims Against Declarant. In the event that the mandatory arbitration provision of subsection (c) hereinabove is unenforceable for whatever reason, then, after compliance by the parties with the Non-Adversarial Procedures, any controversy or claim referenced therein shall be adjudicated by using voluntary judicial reference in accordance with the provisions of Code of Civil Procedure sections 638-645 or any successor statutes. The parties shall use a general referee acceptable to both parties, or, if the parties cannot agree, any party may petition the Superior Court of the City and County of San Francisco for appointment of a general referee by the presiding judge. The parties shall cooperate in good faith to ensure that all necessary and appropriate parties are included in the judicial reference proceeding. Declarant shall not be required to participate in the judicial reference proceeding unless Declarant is satisfied that all necessary and appropriate parties will participate.

The judicial reference shall be a general reference. The general referee shall have the authority to try any or all of the issues in the proceeding whether of fact or of law, and to report a statement of decision thereon. Neither the referee nor any party shall have the right to impanel a jury. Each party retains the same appeal rights of the referee's decision as if the decision were rendered by a trial court judge.

(f) Civil Code Section 896 Compliance. For any claim for defective construction filed by the Association or any Owner under subsection (c) above (or subsection (e) where the provisions of subsection (c) are unenforceable), where the claim should seek to enforce compliance by the builder, developer or subdivider with the functionality standards of California Civil Code Section 896 (including any successor statute), the Association shall only have the authority to enforce such compliance with respect to the Common Areas only. The Association or any Owner hereby waives any and all implied warranties with respect to all functions and/or components which are specified in California Civil Code Section 896 (including any successor statute).

Section 8.2 Invalidity of any Provision. Should any provision or portion of any Condominium Document be declared invalid or in conflict with any law of the jurisdiction in which this Project is situated, the validity of all the remaining provisions and portions thereof shall remain unaffected and in full force and effect.

Section 8.3 Term. The covenants, conditions and restrictions of this Declaration shall run with and bind the Property and shall inure to the benefit of and shall be enforceable by the Association or the Owner of any property subject to this Declaration, their respective legal representatives, heirs, successors and assigns for a term of thirty (30) years from the date that this Declaration is recorded, after which time, these covenants, conditions and restrictions shall be automatically extended for successive periods of ten (10) years, unless an instrument in writing, signed by seventy-five percent (75%) of the then Owners of the Condominiums (and approved by first mortgagees in accordance with Section 8.6) has been recorded within the year preceding the year of each successive period of ten (10) years, agreeing to change such covenants and restrictions, in whole or in part, or to terminate them.

Section 8.4 Amendments. This Declaration may be amended only by the affirmative vote of seventy-five percent (75%) of each class of the Association Members, if the two class voting structure is still in effect. Under the single class voting structure, amendment of this Declaration shall require both the affirmative vote of seventy-five percent (75%) of the total voting power of the Association Members and a bare majority (51%) of the votes of Members other than Declarant, each Unit having one (1) vote. In no event, however, may any clause, provision or Section of this Declaration be amended by a percentage of voting power of the Association which is lower than the percentage of affirmative votes prescribed for action to be taken under that clause, provision or Section. All such amendments must be recorded and shall become effective upon being recorded in the Recorder's Office of the City and County of San Francisco.

Section 8.5 Encroachment Easements. Each Condominium within the Property is hereby declared to have an easement over all adjoining Condominiums and the Common Area for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settling or shifting of any Condominium Building, or any other cause. There shall be valid easements for the maintenance of such encroachments as long as they shall exist, and the rights and obligations of the Owners shall not be altered in any way by such encroachment, settlement or shifting; provided, however, that in no event shall a valid easement for encroachment be created in favor of an Owner or Owners if such encroachment occurred due to willful misconduct of such Owner or Owners. In the event that a structure is partially or totally destroyed, and subsequently repaired or rebuilt, the Owners of each Condominium agree that minor encroachments over adjoining Condominiums or Common Area shall be permitted and that there shall be valid easements for the maintenance of such encroachments, so long as they shall exist.

Section 8.6 Mortgage Protection Provision.

(a) Mortgage Permitted. Any Owner may encumber his Condominium with a mortgage. The Exclusive Use Common Areas, if any, are a part of the Project and are covered by the mortgage at least to the same extent as are the Common Areas. All such areas are fully installed, completed, and in operation for use by the Owners.

(b) Subordination. Any lien created or claimed under the provisions of this Declaration is expressly made subject and subordinate to the rights of any first mortgage that encumbers any Condominium, made in good faith and for value, and no such lien shall in any way defeat, invalidate or impair the obligation or priority of such mortgage, unless the mortgagee expressly subordinates his interest in writing to such lien. The transfer of ownership of a Unit and its appurtenant percentage interest in the Common Area, as the result of the exercise of a power of sale or a judicial foreclosure involving a default under the first mortgage, shall extinguish the lien of Assessments which were due and payable prior to the transfer of the ownership interest. No transfer of an ownership interest, as the result of a foreclosure or exercise of a power of sale, shall relieve the new Owner, whether it be the former mortgagee or beneficiary of the first mortgage or another person, from liability for any Assessments thereafter becoming due or from the lien thereof. All taxes, assessments and charges which may become liens prior to the first mortgage under local law shall relate only to the individual Condominiums and not to the Project as a whole.

(c) Amendment. No amendment to the Condominium Documents shall affect the rights of any mortgagee under any

mortgage made in good faith and for value and recorded before the recordation of any such amendment, unless a mortgagee either joins in the execution of the amendment or approves it in writing as a part of such amendment.

(d) Restrictions on Certain Changes.

i. Unless sixty-seven percent (67%) of all first mortgagees of Condominiums (based on one vote for each first Mortgage owned) and sixty-seven percent (67%) of Owners (other than Declarant or sponsors, developers, or builders) have given their prior written approval (unless a higher percentage is required by a specific provision of this Declaration), neither the Association nor the Owners shall be entitled:

A. By act or omission to seek to abandon or terminate the Project, except for abandonment provided by statute in case of substantial loss to the Units and the Common Area.

B. To change the pro rata interest or obligations of any Condominium for purposes of levying Assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards or for determining the pro rata share of ownership of each Condominium in the Common Area.

C. To partition or subdivide any Condominium.

D. By act or omission to seek to abandon, partition, subdivide, encumber, sell or transfer the Common Area. The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Area by the Association or the Owners shall not be deemed a transfer within the meaning of this subparagraph.

E. To use hazard insurance proceeds for losses to Units or Common Area for other than the repair, replacement or reconstruction of improvements, except as provided by statute in case of substantial loss to the Units or Common Area of the Project.

ii. A. Unless a higher percentage is required by a specific provision of this Declaration, the consent of sixty-seven percent (67%) of Owners and the approval of Eligible Mortgagees holding mortgages on Condominiums which have at least fifty-one percent (51%) of the votes of Condominiums subject to mortgages held by Eligible Mortgagees shall be required to add or amend any material provisions of the Condominium Documents which establish, provide for, govern, or regulate any of the following: (1) voting; (2) increases in Assessments that raise the previously assessed amount by more than twenty-five percent (25%), Assessment liens or the priority of such liens; (3) reductions in reserves for

maintenance, repair and replacement of the Common Area; (4) insurance requirements; (5) reallocation of the interests in the Common Area or the Exclusive Use Common Areas or rights to their use; (6) responsibility for maintenance and repair; (7) expansion or contraction of the Project or the addition, annexation, or withdrawal of property to or from the Project; (8) the redefinition of boundaries of any Condominium; (9) restoration or repair of the Project (after damage or partial condemnation) in a manner other than that specified herein; (10) convertibility of Units into Common Area or of Common Area into Units; (11) imposition of any restriction on the leasing of Condominiums; (12) imposition of any right of first refusal or similar restriction on the right of a Condominium Owner to sell, transfer, or otherwise convey his Condominium; and (13) any provisions which are for the express benefit of Eligible Mortgagees or Eligible Insurers or Guarantors).

B. An addition or amendment to such document shall not be considered material if it is for the purpose of correcting technical errors, or for clarification only. Any Eligible Mortgagee who receives a written request to approve additions or amendments who does not deliver or post to the requesting party a negative response within thirty (30) days shall be deemed to have approved such request.

iii. Unless the prior consent of sixty-seven percent (67%) of Owners and approval of Eligible Mortgagees holding mortgages on Condominiums which have at least sixty-seven percent (67%) of the votes of Condominiums subject to mortgages held by Eligible Mortgagees has been obtained, neither the Association nor the Owners shall be entitled to terminate the legal status of the Project as a condominium project; except that the approval of only fifty-one percent (51%) of Eligible Mortgagees shall be required to terminate the legal status of the Project after substantial destruction or a substantial taking in condemnation.

(e) Right to Examine Books and Records. The Association shall make available to Owners and first mortgagees (and insurers or guarantors of any first mortgage), current copies of the Condominium Documents and the books, records, and financial statements of the Association. "Available" means available for inspection and copying, upon request, during normal business hours or under other reasonable circumstances. The Association may impose a fee for providing the foregoing which may not exceed the reasonable cost to prepare and reproduce the requested documents. Any first mortgagee shall be entitled, on written request, to have an audited financial statement for the immediately preceding fiscal year, prepared at its expense if one is not otherwise available. Such statement shall be furnished within a reasonable time following such request.

(f) Distribution of Insurance and Condemnation Proceeds. No Owner, or any other party, shall have priority over any right of first mortgagees of Condominiums pursuant to their mortgages in case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or taking of Units or Common Area. Any provision to the contrary in this Declaration or in the Bylaws or other documents relating to the Project is to such extent void. All applicable fire and all physical loss or extended coverage insurance policies shall contain loss payable clauses acceptable to the affected mortgagees, naming the mortgagees, as their interests may appear.

(g) Notice to Mortgagees of Record. On receipt of written request to the Association from any Eligible Mortgagee or Eligible Insurer or Guarantor, identifying both its name and address and the Unit number or address of the Unit on which it has the mortgage, the Association shall give written notice to each Eligible Mortgagee or Eligible Insurer or Guarantor of the following:

i. Any loss to any Unit covered by such mortgage, if such loss exceeds one thousand dollars (\$1,000), or any taking of such Unit;

ii. Any loss to the Common Area, if such loss exceeds five thousand dollars (\$5,000), or any taking of the Common Area;

iii. Any default by the Owner of any Unit covered by such mortgage under any provision of this Declaration or any other provision of the Bylaws or rules and regulations adopted by the Association, which default is not cured within sixty (60) days after written notice to such Owner (such notice to include the fact that said sixty (60) day period has expired);

iv. Any lapse, cancellation, or material modification of any insurance policy or fidelity insurance maintained by the Association; and

v. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees as specified in Section 8.6(d)(ii).

(h) Effect of Breach. No breach of any provision of this Declaration shall invalidate the lien of any mortgage made in good faith and for value, but all covenants, conditions and restrictions shall be binding on any Owner whose title is derived through foreclosure sale, trustee's sale, or otherwise.

(i) Foreclosure. If any Condominium is encumbered by a first mortgage made in good faith and for value, the foreclosure of

any lien created by any provision set forth in this Declaration for Assessments, or installments of Assessments, shall not operate to affect or impair the lien of the first mortgage. On foreclosure of the first mortgage, the lien of Assessments, or installments, that have accrued up to the time of foreclosure shall be subordinate to the lien of the first mortgage, with the foreclosure-purchaser taking title to the Condominium free of the lien for Assessments, or installments, that have accrued up to the time of the foreclosure sale. On taking title to the Condominium, the foreclosure-purchaser shall only be obligated to pay Assessments or other charges levied or assessed by the Association after the foreclosure-purchaser acquired title to the Condominium. The subsequently levied Assessments or other charges may include previously unpaid Assessments, provided all Owners, including the foreclosure-purchaser, and his successors and assigns, are required to pay their proportionate share, as provided in this Section.

(j) Appearance at Meetings. Because of its financial interest in the Project, any mortgagee may appear at meetings of the Members and the Board to draw attention to violations of this Declaration that have not been corrected or made subject to remedial proceedings or Assessments.

(k) Right to Furnish Any Information. Any mortgagee may furnish information to the Board concerning the status of any mortgage.

(l) Inapplicability of Right of First Refusal to Mortgagee. The Condominium Documents contain no right of first refusal or similar restriction on the right of an Owner to sell, transfer or otherwise convey the Owner's Condominium. No such right of first refusal or similar right shall be granted to the Association in the future without the consent of any mortgagee of the Condominium. Any right of first refusal or similar right that may be granted to the Association (or other person or entity) shall not apply to any conveyance or transfer of title to such Condominium, whether voluntary or involuntary, to a mortgagee who acquires title to or ownership of the Condominium, pursuant to the remedies provided in its mortgage or by reason of foreclosure of the mortgage or deed (or assignment) in lieu of foreclosure. In addition, said right of first refusal or similar right shall not impair the rights of a mortgagee to sell or lease a Condominium acquired by the Mortgagee.

Section 8.7 Owner's Right and Obligations to Maintain and Repair. Except for those portions of the Project that the Association is required to maintain and repair, each Owner shall, at his sole cost and expense, maintain and repair his Unit, keeping the same in good condition. Each Owner shall keep those portions of Exclusive Use Common Areas, if any, to which he has an exclusive easement or license, clean and neat. The Owner of Units to which

yard areas are appurtenant shall maintain and repair such Exclusive Use Common Area yards. Each Owner shall have the exclusive right to paint, plaster, panel, tile, wax, paper or otherwise refinish or decorate the inner surfaces of the walls, ceilings, floors, windows, and doors bounding his Unit.

In the event that an Owner fails to maintain and repair the interior of his Unit, or fails to maintain and repair his Exclusive Use Common Area yard, in a manner which the Board deems necessary to preserve the appearance and value of the Property, or necessary to keep such Exclusive Use Common Areas in good repair and condition, the Board may notify the Owner of the work required and request that it be done within sixty (60) days from the giving of such notice. In the event the Owner fails to carry out such maintenance or repair within such sixty (60) day period, the Board may give notice and hold a hearing and cause such work to be done and may specially assess the cost thereof to such Owner and, if necessary, place a lien on his Condominium for the amount thereof.

Section 8.8 Entry for Repairs. The Board or its appointed agents may enter any Unit when necessary in connection with any maintenance, repair or construction for which the Association is responsible. Such entry shall be made with as little inconvenience to the Owner as is practicable, and any damage caused thereby shall be repaired by the Board at the expense of the Association. Except in the case of any emergency, forty-eight (48) hour advance notice shall be given to the Owner or occupant prior to any such entry.

Section 8.9 Damage or Destruction.

(a) If the Project improvements are damaged by fire or other casualty, the improvements shall be rebuilt or repaired substantially the same as the improvements existed prior to the fire or other casualty, subject to local building codes and other applicable governmental regulations, unless either of the following occurs:

i. The cost of repair or reconstruction is more than fifty percent (50%) of the current replacement of all the improvements located in the Project, the available insurance proceeds are not sufficient to pay eighty-five percent (85%) of the cost of such repairs or reconstruction, and seventy-five percent (75%) of the total voting power of the Association residing in Members and their first mortgagees vote against the repair and reconstruction; or

ii. Available insurance proceeds are not sufficient to repair or reconstruct the improvements substantially to their condition prior to the casualty, a Special Assessment fails to receive the requisite vote, if required, pursuant to Article IV, Section 4.4 hereof, and the Board is unable to supplement the

insurance by borrowing in the name of the Association sufficient funds to reconstruct the improvements within a reasonable time.

(b) The following procedures shall be employed for disposition of insurance proceeds and guidance in reconstruction:

i. Minor Casualty. If the cost to repair or reconstruct does not exceed the sum of thirty thousand dollars (\$30,000), the Board shall thereupon contract to repair and rebuild the damaged portions of all Units and the Common Area, in accordance with the conditions existing immediately prior to damage (modified at the discretion of the Board to comply with building codes and construction standards in effect at the time of the rebuilding) and the funds held in the insurance trust fund shall be used for that purpose. If the insurance proceeds are insufficient to pay all of the costs of repairing or rebuilding, the Owners of the Units affected shall pay for the portion of the insufficiency attributed to their Unit by the Board and the Board shall levy a Special Assessment on all Condominiums to make up any deficiency attributed to the Common Area. The Special Assessment shall be subject to the provisions of this Declaration governing membership approval of Special Assessments and shall be levied according to the Owner's Share, as set forth on the Condominium Plan.

ii. Major Casualty. If subparagraph (b) (i) is inapplicable, then,

A. All insurance proceeds and funds borrowed by the Association, if any, shall be paid to a bank, trust company or other entity designated by the Board ("the insurance trustee") to be held for the benefit of the Owners and their mortgagees, as their respective interests may appear. Said funds shall be disbursed according to standard construction loan procedures. The Board, on behalf of the Association and of the Owners, hereby is authorized to enter into an insurance trust agreement, consistent with this Declaration, with such insurance trustee, relating to its powers, duties and compensation.

B. The Board shall obtain firm bids from two (2) or more responsible contractors to rebuild the Project in accordance with the conditions existing immediately prior to damage and destruction (modified at the direction of the Board to comply with building codes and construction standards in effect at the time of the rebuilding). The Board may also obtain an estimate from the insurance carrier of the scope of work included within the amount of the insurance coverage. To be considered, any contractors' bid shall include the premium payable for performance, labor and material payment bonds from a reputable bonding company.

C. The Board shall, as soon as reasonably possible after receipt of such contractors' bids or insurance

estimate, call a special meeting of the Owners to consider such bids or insurance estimate. If the Board fails to do so within sixty (60) days after the casualty occurs, any Owner may obtain such contractors' bids or insurance estimate and call and conduct such meeting, as provided herein. Failure to call such a meeting, or to repair such casualty damage within twelve (12) months from the date such damage occurred, shall be deemed, for all purposes, a decision not to rebuild the damaged or destroyed improvements.

D. At such meeting, the Owners may elect to reject all such bids or estimates and thus not to rebuild. A vote in excess of seventy-five percent (75%) of each class of Association Members shall be required to reject all bids or estimates; provided, however, that a vote in excess of fifty percent (50%) shall be sufficient to reject any bid or estimate requiring more than fifteen thousand dollars (\$15,000) over and above insurance proceeds for such reconstruction, repair or rebuilding. Failure of the Owners to reject all bids and estimates shall authorize the Board to accept the unrejected bid it considers most favorable; provided, however, that if acceptance of any such bid would require the levy of a Special Assessment, such acceptance shall only be granted following membership approval of such Special Assessment, as required by this Declaration. If such membership approval is not obtained, the bid shall be deemed to have been rejected.

E. In the event the Owners elect not to rebuild, insurance proceeds received by the Association shall be distributed by the Association among Owners and their respective mortgagees, according to the respective fair market values of the Condominiums at the time of destruction, as determined by the following procedure: The Board shall appoint two (2) independent appraisers to determine the relative value of the Condominiums affected. The two appraisers shall appoint a third independent appraiser. If the two appraisers are unable to agree on a third, then the third shall be appointed by the presiding Judge of the Superior Court of the State of California for the City and County of San Francisco. The market value of the respective Condominiums shall then be the average of the three values submitted by each of the appraisers.

F. If a bid or estimate is accepted, the Board shall levy a Special Assessment to make up any deficiency between the total insurance proceeds or insurance work and the cost for such repairs or rebuilding, and such Assessment and all insurance proceeds, whether or not subject to liens of mortgages, shall be paid to the insurance trustee to be used for such rebuilding. The Special Assessment shall be levied according to the Owner's Share, as set forth on the Condominium Plan.

(c) Notwithstanding any provision in this Section to the contrary, if the insurance carrier offers the full amount required to repair and restore all of the damage, then the Board shall contract to repair and rebuild the damaged portions of all Units and the Common Area in the manner provided in subparagraph (b) (i) for a minor casualty.

(d) Without waiting to obtain insurance settlements or bids, the Board may undertake such emergency repair work after a casualty as it may deem necessary or desirable under the circumstances.

Section 8.10 Condemnation. In the event of an award for the taking of any Condominium in the Project by eminent domain, the Owner of such Condominium shall be entitled to receive the award for such taking and, after acceptance thereof, he and his mortgagee shall be divested of all interest in the Project, if such Owner shall vacate his Unit as a result of such taking. The remaining Owners shall decide by majority vote whether to rebuild or repair the Project or take other action. The remaining portion of the Project shall be resurveyed, if necessary, and the Declaration shall be amended to reflect such taking and to adjust proportionately the percentages of the undivided interests of the remaining Owners in the Project. The Association shall represent the Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for the acquisition of the Common Area or any part thereof, and the award or proceeds of settlement shall be payable to the Association, or any trustee appointed by the Association, for the use and benefit of the Condominium Owners and their mortgagees, as their interests may appear. If Condominiums are not valued separately by Court judgment or by agreement between the condemning authority and each of the affected Owners in the Project, the condemnation award shall be distributed as follows: The Board shall appoint two (2) independent appraisers to determine the relative values of the Condominiums affected by the condemnation. The two appraisers shall appoint a third independent appraiser. If the two appraisers are unable to agree on a third, then the third shall be appointed by the presiding Judge of the Superior Court of the State of California for the City and County of San Francisco. The value of the respective interests shall be the average of the three values submitted by each of the appraisers. In the event any Owner disagrees with the proposed allocation, he may have the matter submitted to arbitration under rules of the American Arbitration Association. In the event of eminent domain proceedings against the Project or any portion thereof, institutional lenders shall be given timely written notice thereof.

Section 8.11 Owners' Compliance. Each Owner, tenant or occupant of a Condominium shall comply with the provisions of this Declaration, the Bylaws, and the decisions and resolutions of the

Association or its duly authorized representative, as lawfully amended from time to time, and failure to comply with any such provisions, decisions or resolutions shall be grounds for an action to recover sums due for damages or for injunctive relief.

All agreements and determinations lawfully made by the Association, in accordance with the voting percentages established in this Declaration or in the Bylaws, shall be deemed to be binding on all Owners of Condominiums, their successors and assigns.

Section 8.12 Notices. Any notice permitted or required by this Declaration or the Bylaws may be delivered either personally or by mail. If delivery is by mail, it shall be deemed to have been delivered seventy-two (72) hours after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to each person at the current address given by such person to the Secretary of the Board or addressed to the Unit of such person if no such address has been given to the Secretary.

Section 8.13 Required Documentation. Declarant hereby agrees to furnish the Association with copies of all documentation required by California Department of Real Estate Regulations Section 2792.23(a) within ninety (90) days after the close of escrow of the first interest in the subdivision.

Members shall furnish subsequent purchasers with all documentation required by California Civil Code Sections 1367.1, 1368 and 1375, as well as purchase documents and any maintenance manuals, schedules and procedures as referred to in Title 7, Part 2, Division 2 of the California Civil Code.

Section 8.14 Special Provisions for Enforcement of Bonded Obligations.

(a) Special Procedures. Because certain Common Area improvements may not have been completed prior to the date of execution of this Declaration and by the date of the issuance of a final public report covering the Project, and because the Association is or may become obligee under a bond or other arrangement (hereafter "Bond") to secure the completion of such Common Area improvements, there are hereby created special procedures for the initiation of action to enforce the obligations of Declarant and the surety under any such Bond.

(b) Action by Board. The Board is hereby directed to consider and vote on the question of action by the Association to enforce the obligations under the Bond, with respect to any improvement for which a Notice of Completion has not been filed within sixty (60) days after the completion date specified for that improvement in the planned construction statement appended to the Bond. If the Association has given an extension in writing for the

completion of any Common Area improvement, the Board shall consider and vote on the aforesaid question if a Notice of Completion has not been filed within thirty (30) days after the expiration of the extension.

(c) Meeting of Members to Override Decision by Board.

A special meeting of Members of the Association for the purpose of voting to override a decision by the Board not to initiate action to enforce the obligations under the Bond, or on the failure of the Board to consider the question, shall be held not less than thirty-five (35) days nor more than forty-five (45) days after receipt by the Board of a petition for such a meeting signed by Members representing five percent (5%) or more of the total voting power of the Association.

(d) Vote by Members at Special Meeting.

At any meeting held under the provisions of section (c) above, a vote shall be taken by Members of the Association other than Declarant. A vote of a majority of the voting power of the Association residing in Members other than Declarant to take action to enforce the obligations under the Bond shall be deemed to be the decision of the Association and the Board shall thereafter implement this decision by initiating and pursuing appropriate action in the name of the Association.

(e) Release of Bond.

On satisfaction of the Declarant's obligation to complete the Common Area improvements, the Association shall acknowledge in writing that it approves the release of the Bond and execute any other documents as may be necessary to effect such release. The Association shall not condition its approval of the release of the Bond on the satisfaction of any condition, other than the completion of the Common Area improvements, as described on the planned construction statement appended to the Bond. Any dispute between the Declarant and the Association regarding the completion of the Common Area shall be submitted to binding arbitration under the commercial rules of the American Arbitration Association and the prevailing party shall be entitled to recover costs, including reasonable attorneys' fees.
