Section 9. City's Purchase Option.

9.1 Grant of Option. Owner grants to City an option to purchase the Property upon the occurrence of an Event of Default under Section 11.1 ("Purchase Option"). The Purchase Option will not apply to Transfers pursuant to Sections 7.6, 7.7(a), or 7.7(b).

9.2 Option Terms. The Purchase Option sales price shall be the lesser of the Fair Market Value or the maximum resale price allowed under the Procedures Manual, each as determined at the time of the event that triggered the Purchase Option. In the event that the Purchase Option is exercised, the Property shall be conveyed to the City (or its assignee) free and clear of all liens and encumbrances other than those expressly permitted by the City. Owner shall have sixty (60) days from the date the City exercises the Purchase Option to convey the Property to the City (or its assignee), unless City agrees to a longer time period in its reasonable discretion.

9.3 Exercise of Option. City may exercise the Purchase Option as follows:

(a) If the Purchase Option is triggered as a result of an Event of Default under Sections 11.1(a) – (d) and (f), then the City may exercise the Purchase Option within ninety (90) days after the City gives written notice of default to Owner.

(b) If the Purchase Option is triggered as a result of Owner's default under the Senior Lien as defined in Section 11.1(e), then the City may exercise the Purchase Option by giving written notice to Owner and Senior Lender at any time prior to five (5) business days before the date of a foreclosure sale, as the same may be postponed from time to time, under the Senior Lien pursuant to California Civil Code § 2924f.

9.4 Assignment of Purchase Option. Before or after exercise of the Purchase Option, the City may assign the Purchase Option to a governmental agency, non-profit organization, or a Qualifying Purchaser ("Purchase Option Assignee"), who shall be subject to this Declaration.

9.5 Grant of Power of Attorney. Owner hereby grants to the City an irrevocable power of attorney coupled with an interest to act on Owner's behalf to execute and deliver any and all documents relating to the Purchase Option.

9.6 Non-Liability of City. The City shall not be held liable by reason of its exercise or non-exercise of the Purchase Option.

Section 10. Capital Improvements; Maintenance.

10.1 Capital Improvements. Owner's right to make capital improvements to the Property and to recoup the cost of such improvements is governed by the Procedures Manual.

10.2 Maintenance. Owner shall not destroy or damage the Property, allow the Property to deteriorate, or otherwise commit waste on the Property. Owner shall maintain the Property in compliance with all applicable laws, ordinances, and regulations and in a good and clean condition and all appliances and fixtures shall be in good working order. Any Damage by abnormal or excessive wear and tear or because of neglect, abuse or insufficient maintenance by Owner, must be repaired pursuant to Section 7.5.

Section 11. Default and Remedies.

11.1 Events of Default. The occurrence of any one of the following events or circumstances shall constitute an "Event of Default" by Owner under this Declaration.

(a) Owner has actually transferred or attempted to Transfer the Property in violation of the covenants and restrictions contained in this Declaration ("Unauthorized Transfer").

(b) The City has determined in the City's sole discretion that the Property is not Owner's Primary Residence, and/or Owner fails to comply with annual occupancy monitoring requirements, and Owner fails to cure such default within thirty (30) days after Owner's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Owner will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City in its reasonable discretion, provided that Owner commences to cure the default within the 30-day period and diligently pursues the cure to completion.

(c) Owner fails to pay real estate taxes, assessments or homeowner's association dues, when due or Owner fails to maintain insurance in such amounts as required under this Declaration; or Owner places any mortgages, encumbrances or liens upon the Property in violation of this Declaration; and such event or condition shall not have been cured within thirty (30) days following the date of written notice to cure by the City to Owner.

(d) Owner fails to perform any other agreements or obligations on Owner's part to be performed under this Declaration, and such failure continues for thirty (30) days following the date of written notice to cure by the City to Owner, or in the case of a default not susceptible of cure within thirty (30) days, Owner fails to promptly commence such cure within thirty (30) days and thereafter fails to diligently prosecute such cure to completion.

(e) Owner causes or permits a default under the Senior Lien and fails to cure the same in accordance with the cure provisions in the Senior Lien.

(f) Owner is in default of a term of the City Note and/or the Deed of Trust.

11.2 Remedies. Upon the occurrence of an Event of Default by Owner, City may exercise any or all of the remedies set forth below:

(a) City shall have the right to exercise the Purchase Option;

(b) City shall have the right to institute an action for specific performance of the terms of this Declaration, for an injunction prohibiting a proposed Transfer in violation of this Declaration, or for a declaration that a Transfer is void;

(c) City shall have the right to institute an action for foreclosure on its Deed of Trust and/or to accept a deed in lieu of foreclosure; and

(d) City shall have the right to exercise all other remedies permitted by law or at equity.

Section 12. Lender Provisions.

12.1 Other Financing. Subject to the City's prior written approval, Owner may encumber title to the Property for the sole purpose of securing purchase money financing provided that such financing complies with the financing requirements set forth in the Procedures Manual. In the event that the City approves a Senior Lien, the City may subordinate the Deed of Trust to the Senior Lien provided that such lien complies with the MOHCD's Subordination Policy, as it exists at the time of the proposed subordination. Refinancing will only be permitted in accordance with the Procedures Manual. The City may, in its sole discretion, elect to subordinate the Deed of Trust to other financing secured by the Property, but only if the following conditions are met: (i) such financing complies with the MOHCD's Subordination Policy as it exists

at the time of proposed subordination; and (ii) the conditions set forth in Section 5 of the Deed of Trust are satisfied. Owner shall not cause or permit any other mortgages, encumbrances or liens upon the Property except as permitted pursuant to the Procedures Manual. Owner shall submit to the City on an annual basis a certification that Owner has not refinanced the Property in violation of this Section 12.1.

12.2 Subordination. Owner shall execute and record this Declaration prior to the recordation of the City-approved Senior Lien. In no event shall this Declaration be subordinate to any lien on the Property, including, but not limited to, the Senior Lien.

12.3 Default and Foreclosure. In the event that Owner is in default or at risk of foreclosure under the Senior Lien, Owner must notify the City of the default within thirty (30) days of the default. In addition, Owner shall provide a copy of any notice of default under the Senior Lien to the City within three (3) days of Owner's receipt of such notice. In the event of any default under the Senior Lien, City, in addition to any other rights and remedies it may have under this Declaration, at law or in equity, shall have the right to:

- (a.) Cure such default pursuant to Section 12.4;
- (b.) Exercise its Purchase Option pursuant to Section 9.3(b); or
- (c.) Foreclose its Deed of Trust on the Property.

City's rights under this Section 12.3 shall not prevent the Senior Lender from commencing a judicial or non-judicial foreclosure of the Senior Lien. If the City, in its sole discretion, does not act pursuant to Sections 12.3(a)-(b) above, and the Senior Lender acquires the Property through foreclosure or acceptance of a deed-in-lieu of foreclosure, future sale of the Property shall remain subject to Property Restrictions, and any subsequent purchaser shall be required to execute a new Declaration, Note, Deed of Trust and any other related documents deemed necessary by the City to document the Restrictions on the Property.

12.4 Right to Cure. Although the City has no obligation to do so, the City may perform any act required of Owner in order to prevent a default under, or an acceleration of the indebtedness secured by, the Senior Lien or the commencement of any foreclosure or other action to enforce the collection of such indebtedness. If the City elects to cure any such default, Owner shall pay the expenses incurred by the City in effecting any cure upon demand within thirty (30) days, together with the interest thereon at the maximum interest rate permitted by law, which amount will be secured by the Deed of Trust. Failure of Owner to timely reimburse the City shall constitute an Event of Default under Section 11.1(d).

Section 13. Miscellaneous.

13.1 Damage and Destruction; Condemnation; Insurance. If the Property is condemned or the improvements located on the Property are damaged or destroyed, all proceeds from insurance or condemnation shall be distributed in accordance with this Section 13.1, subject to the requirements of the Senior Lien. Insurance shall be maintained in the types and amounts required under the Senior Lien. Unless Owner, the City, and Senior Lender otherwise agree in writing, insurance proceeds shall be applied to restore or repair the Property damaged. If Owner, City and Senior Lender determine that restoration or repair cannot be made, or if the Property is condemned, the insurance or condemnation proceeds shall first be allocated in the following order: (a) to pay all amounts due under the Senior Lender Note; (b) to pay all amounts due under the City Note; (c) to pay all amounts due under any other liens against the Property for the benefit of the City; and (d) to pay all amounts due under any other liens associated with initial acquisition of the Property. Any remaining balance shall be allocated to the Owner.

13.2 No Discrimination; Lead-Based Paint Prohibition. Owner shall comply with all applicable laws and regulations regarding non-discrimination and lead-based paint prohibitions.

13.3 Owner Monitoring and Compliance Verification. Owner shall submit an annual monitoring and enforcement report on a form provided by the City, on a date and location as provided by City. The report shall provide, at a minimum, information regarding occupancy status, any changes in title, and any other information the City may reasonably require in order to monitor compliance with this Declaration and the Property Restrictions.

13.4 Notices. Any notice, demand, or other communication required or permitted to be given under this Declaration (a "Notice") by either party to the other party shall be made in writing, and shall be deemed communicated by personal delivery or by United States mail, postage prepaid (unless applicable law requires use of another method), as of the earlier of actual receipt or three days from mailing, addressed as follows:

If to City: Mayor's Office of Housing and Community Development
of the City and County of San Francisco
1 South Van Ness Avenue, 5th floor
San Francisco, California 94103

If to Owner: At the Property Address in Section 1

Any notice transmitted in accordance with this Section 13.4 shall be deemed delivered upon receipt, or upon the date delivery was refused. Any party may change its address for notices by written notice given to the other party in accordance with the provisions of this Section 13.4.

13.5 Remedies Cumulative. Subject to applicable law, the City's rights and remedies, whether provided by law, in equity or by this Declaration, shall be cumulative, and the exercise of any one or more of such rights or remedies shall not preclude the exercise of any other or further rights or remedies for the same or any other default or breach. No waiver with respect to the performance of any of Owner's obligations shall be effective except to the extent the particular obligation is expressly waived, and it shall not be a waiver with respect to any other rights or remedies of any other of Owner's obligations.

13.6 Attorneys' Fees for Enforcement. If any action or legal proceeding is instituted by Owner or the City arising out of this Declaration, the prevailing party therein shall recover reasonable attorneys' fees and costs in connection with such action or proceeding. For purposes of this Agreement, reasonable fees of any in-house counsel for the City shall be based on the fees regularly charged by private attorneys with an equivalent number of years of professional experience in the subject matter area of the law for which the City's in-house counsel's services were rendered who practice in law firms located within the City.

13.7 Integration. This Declaration, the City Note, and the City Deed of Trust (collectively, the "City Documents") constitute an integration of the entire understanding and agreement of the Owner and the City with respect to the subject matter hereof and thereof. Any representations, warranties, promises, or conditions, whether written or oral, not specifically and expressly incorporated in the City Documents, shall not be binding on any of the parties, and Owner and the City each acknowledge that they have not relied, in entering into this Declaration, on any representation, warranty, promise or condition, not specifically and expressly set forth in the City Documents. All prior discussions and writings have been, and are, merged and integrated into, and are superseded by, the City Documents.

13.8 Severability. In the event that any provision of this Declaration is determined to be illegal or unenforceable, such determination shall not affect the validity or enforceability of the remaining provisions hereof, all of which shall remain in full force and effect.

13.9 Successors and Assigns. This Declaration shall be binding upon and inure to the benefit of the successors and assigns of the City. The City may assign or transfer its rights under this Declaration upon thirty (30) days written notice to Owner. It is expressly agreed by Owner that Owner may assign his

or her rights to this Declaration only by Transfer pursuant to Section 7 or by the City's exercise of the Purchase Option pursuant to Section 9.

13.10 Headings. The headings within this Declaration are for the purpose of reference only and shall not limit or otherwise affect any of the terms of this Declaration.

13.11 Time for Performance. Time is of the essence in the performance of the terms of this Declaration. All dates for performance (or cure) shall expire at 5:00 p.m. on the performance or cure date. Any performance date that falls on a Saturday, Sunday or City holiday is automatically extended to the next City working day.

13.12 Amendments. Any modification or waiver of any provision of this Declaration or any amendment thereto must be in writing and signed by a person or persons having authority to do so, on behalf of both the City and Owner.

13.13 Controlling Agreement. Owner covenants that Owner has not executed and will not execute any other agreement with provisions contradictory to or in opposition to the provisions of this Declaration. Owner understands and agrees that this Declaration shall control the rights and obligations between Owner and the City.

13.14 Governing Law. This Declaration shall be governed by, and construed and enforced in accordance with, the internal laws of the state of California.

13.15 Recordation. Owner shall cause this Declaration to be recorded in the City's Official Records.

IN WITNESS WHEREOF, Owner and the City have executed this Declaration as of the date written above.

Secured Promissory Note

(Secured by Deed of Trust)

Limited Equity Homeownership Program

Loan Number: LEPBMR191000 **Date:** _____
Principal Amount: \$450,000 **Interest Rate:** 0%
Maker(s) Name: Mary Sample, John Sample, Ellen Sample and Jack Sample
Property Address: 123 Sample Street, Unit 2, San Francisco, CA 94102

- Maker's Promise to Pay. FOR VALUE RECEIVED, the undersigned, **Mary Sample, John Sample, Ellen Sample and Jack Sample**, an individual ("Maker" or "Borrower") hereby promises to pay to the City and County of San Francisco, a municipal corporation, acting by and through the Mayor's Office of Housing and Community Development ("Holder" or "Lender"), the principal amount of U.S. **Four Hundred Fifty Thousand Dollars (\$450,000)** (the "Principal Amount") plus the "Appreciation" in the value of the Property, as set forth in Section 6 below and as provided in this Secured Promissory Note (this "Note"). The interest rate on the principal amount is 0%, except as provided in Section 10.
- Limited Equity Homeownership Program Requirements. Maker will comply with the following documents (collectively, the "**Property Restrictions**"):
 - (1) Declaration of Restrictions for For-Sale Affordable Housing Units and Option to Purchase Agreement made by Maker in favor of the City, dated the same date as this Note and to be recorded in the Official Records of the San Francisco County concurrently herewith (the "Declaration").
 - (2) Limited Equity Homeownership Program Loan Disclosure Information with Statement of Acceptance dated March 2019.
 - (3) City and County of San Francisco Inclusionary Housing Monitoring and Procedures Manual effective October 11, 2018, as it may be updated or amended from time to time (the "Procedures Manual").

Maker represents that the combined household income of Maker does not exceed **100%** of the area median income for the San Francisco Metropolitan Statistical Area, as published by the U.S. Department of Housing and Urban Development as of the date of this Note, adjusted solely by household size, but not high housing cost area.
- Calculation of Principal Amount. Maker purchased a unit located at **123 Sample Street, Unit 2, San Francisco, CA 94102** (the "Property"), which included one parking space, designated as **# P-23** (the "Parking Space"). The purchase price of the Property, including the Parking Space, has been established pursuant to the Property Restrictions as **Two Hundred Fifty Thousand Dollars (\$250,000)** (the "Restricted Purchase Price"). The appraised Fair Market Value of the Property without regard to the Property Restrictions is **\$700,000** (the "Unrestricted Price"). The "Principal Amount" is equal to the Unrestricted Price less the Restricted Purchase Price of the Property.
- Security. Maker's obligations under this Note are secured by a Deed of Trust and Assignment of Rents executed by Maker, as Trustor, for the benefit of Holder, as Beneficiary (the "Deed of Trust"), which Deed of Trust shall be recorded in the Official Records of San Francisco County, California, as a lien on the Property, subject only to those exceptions to title approved in writing by Holder.

5. Repayment and Place of Payments.

a. The Principal Amount of this Note, together with the Appreciation as defined in Section 6 below, shall be due and payable in full upon an acceleration by Lender of this Note in the event of a default hereunder or under the City Deed of Trust.

b. All payments must be made in currency of the United States of America then lawful for payment of public and private debts. All payments must be made payable to the "City and County of San Francisco" at the Mayor's Office of Housing and Community Development, 1 South Van Ness Avenue, 5th Floor, San Francisco, CA 94103 or at such other place as the City may from time to time designate.

6. Appreciation. The Appreciation is calculated as the amount equal to the difference between (i) Unrestricted Price, and (ii) the appraised fair market value of the Property at the time of resale without regard to the Property Restrictions.

7. Forgiveness. Upon a sale of the Property for a resale price that is established pursuant to the Property Restrictions above, the entire Principal Amount and the Appreciation, together with all accrued and unpaid interest thereon, if any, shall be forgiven, this Note shall be canceled and returned to Maker and the Deed of Trust shall be reconveyed only upon the satisfaction of all of the following conditions:

a. During the period that Maker owns the Property, Maker shall have complied in all respects with the terms of the Property Restrictions.

b. Any sale, rental, or sublease of the Property must be in compliance with the terms of the Property Restrictions, including but not limited to the requirement that, upon any resale of the Property, the City may require prospective purchaser to execute and deliver to the Holder a Declaration, Note, and Deed of Trust in substantially the form of this Declaration, Note, and Deed of Trust with respect to purchase of Property executed by maker concurrently herewith; except that the principal amount of such Note shall reflect the difference between the resale price and fair market value of the Property at the time of such resale.

c. If the conditions in this Section 7 are not satisfied, the entire Principal Amount, the Appreciation and accrued interest on this Note shall be due and payable as a condition to such sale.

d. The resale price and resale transaction of the Property must include the parking space at no additional charge.

8. Loan Charges. If any law which applies to this loan and which sets maximum loan charges is finally interpreted so that any amounts collected or to be collected in connection with this loan exceed the permitted limits, then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (ii) any sums already collected from Maker which exceeded permitted limits will be refunded to Maker. The Lender may choose to make this refund by making a direct payment to Maker or by another method determined by Lender.

9. Occupancy, Preservation, Maintenance and Protection of the Property; Maker's - Application.

a. Maker shall occupy, establish, and use the Property as Maker's Primary Residence commencing within sixty (60) days from execution of this Note. Except as otherwise expressly permitted by the Declaration, Maker shall continue to occupy the Property as his or her Primary Residence. Maker shall not destroy, damage, or impair the Property, allow the Property to deteriorate, or otherwise commit waste on the Property. Maker shall be in default under this Note if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's reasonable judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Note. Maker may cure such a default and reinstate Maker's obligations, by causing the action or proceeding to be dismissed with a ruling that, in Lender's reasonable determination, precludes forfeiture of the

Maker's interest in the Property or other material impairment of the lien created by this Note or Lender's security interest.

- b. Maker shall also be in default under this Note if Maker, during the application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the Loan evidenced by the Note, including, but not limited to, representations concerning (1) Maker's intent to occupy the Property as a Primary Residence; (2) Maker's income and liquid assets; and (3) Maker's eligibility as a first time homebuyer under the Program Requirements; (4) Maker's completion of the approved Homebuyer Education Course and (5) Maker's household size and composition.
- c. Maker acknowledges that this Property is subject to certain use and occupancy restrictions, which are evidenced by the Declaration, generally limiting the Property's use to low- and moderate-income housing as further described in the Procedures Manual. The Procedures Manual also requires Maker to occupy and use the Property as Maker's Primary Residence and prohibits the Maker from renting the Property at any time, except with under limited circumstances set forth in the Procedures Manual. Any violation of the use and occupancy restrictions by Maker shall be deemed a default hereunder.

10. Default; Remedies; Default Interest.

- a. Default. Any of the following will constitute an "Event of Default" under this Note:
 - (i) If Maker fails to pay the Principal Amount plus the Appreciation on the Maturity Date, Maker will be in default under this Note, or
 - (ii) If Maker fails to comply with their obligations under the Property Restrictions, or
 - (iii) the occurrence of any other default under this Note or default under an instrument securing the obligations of Maker under this Note.
- b. Notice of Default. Upon a default by Maker, Lender shall provide written notice of such default to Maker. Maker shall have thirty (30) days from the effective date of such notice to cure the default.
- c. Default Interest Rate. Upon the occurrence of an Event of Default, interest will be deemed to have accrued on the outstanding Principal Amount at a compounded annual rate equal to the lesser of: (a) ten percent (10%); or (b) the maximum lawful rate of interest, commencing on the date of the Event of Default through the earlier of: (x) the date on which the Event of Default is cured; or (y) the date on which all amounts due under this Note are paid to Holder. Maker acknowledges and agrees that the default interest that must be paid in the event of an Event of Default pursuant to this Section represents a reasonable sum considering all the circumstances existing on the date of this Note and represents a fair and reasonable estimate of the costs that will be sustained by Holder if Maker defaults. Maker further agrees that proof of actual damages would be costly and inconvenient and that default interest will be paid without prejudice to Holder's right to collect any other amounts to be paid or to exercise any of its other rights or remedies under any document or instrument related to Lender's loan to Maker or Maker's ownership of the Property.
- d. Remedies. Upon the occurrence of any Event of Default, without notice to or demand upon Maker, which are expressly waived by Maker (except for notices or demands otherwise required by applicable laws to the extent not effectively waived by Maker and any notices or demands specified in the Declaration, this Note or other instrument), Holder may exercise all rights and remedies available under this Note, the Declaration, or otherwise available to Holder at law or in equity. Maker acknowledges and agrees that Holder's remedies include the right to accelerate the Maturity Date by declaring the outstanding Principal Amount, together with the Appreciation, accrued and unpaid interest on the Principal Amount at the Default Rate and unpaid fees and costs incurred, shall be

immediately due and payable without the necessity of any further notice or demand, in which case, the Maturity Date will be superseded and replaced by the date established by Holder.

- e. No Waiver by Lender. The Lender's failure to exercise any remedies upon a default shall not be a waiver of the Lender's right to exercise such remedies.

11. Notices. All notices required by this Note shall be made in writing, and shall be deemed communicated by personal delivery or by United States mail, postage prepaid (unless applicable law requires use of another method), as of the earlier of actual receipt or three days from mailing, addressed as follows:

To Lender: Director
 Mayor's Office of Housing and Community Development
 1 South Van Ness Avenue, 5th Floor
 San Francisco, CA 94103

To Maker: At the Property Address in Section 3

or such other address as either Lender or Maker may designate, from time to time, by written notice sent to the other party in like manner.

12. Waivers.

- a. The Maker and any other person who has obligations under this Note waive the rights of presentment and notice of dishonor. "Presentment" means the right to require the Lender to demand payment of amounts due. "Notice of dishonor" means the right to require the Lender to give notice to other persons that amounts due have not been paid.
- b. Maker expressly agrees that the term of this Note or the date of any payment due hereunder may be extended from time to time with Holder's consent, and that Holder may accept further security or release any security for this Note, all without in any way affecting the liability of Maker.
- c. No extension of time for payment of this Note or any installment hereof made by agreement by Holder with any person now or hereafter liable for the payment of this Note shall operate to release, discharge, modify, change or affect the original liability of Maker under this Note, either in whole or in part.
- d. The obligations of Maker under this Note shall be absolute and Maker waives any and all rights to offset, deduct or withhold any payments or charges due under this Note for any reason whatsoever.

13. Subordination. After the date of this Note, any subordination of this Note to financing secured by a deed of trust on the Property shall be approved by the Lender in its sole discretion. This Note, the Deed of Trust and Maker's obligations hereunder shall be revived according to their original terms if, following any foreclosure or transfer in lieu of foreclosure, the owner of record before the foreclosure or transfer or assignment, or any entity that includes the former owner or those with whom the former has or had family or business ties, obtains an ownership interest in the Property.

14. Miscellaneous Provisions.

- a. If more than one-person signs this Note, each person is jointly and severally liable for the obligations under this Note. This means that each such person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed, and Lender may require any one person to pay all amounts owed under this Note. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this

Note, is also obligated to keep all of the promises made in this Note. The Lender may enforce its rights under this Note against each person individually or against all of us together.

- b. If any legal action is commenced to enforce any of the terms of this Note, the Deed of Trust, or rights arising from any party's actions in connection with this Note, the prevailing party will have the right to recover its reasonable attorneys' fees (including allocated fees of the City Attorney's Office) and costs of suit from the other party, whether incurred in a judicial, arbitration, mediation or bankruptcy proceeding or on appeal. For the purposes of this Note, reasonable fees of attorneys in the City Attorney's office will be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter of law for which the City Attorney's services were rendered, who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the City Attorney's Office. An award of attorneys' fees and costs will bear interest at the default rate under the Note from the date of the award until paid.
 - c. This Note may be amended only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.
 - d. This Note shall be governed by and construed in accordance with the laws of the State of California.
 - e. Time is of the essence for the performance of all obligations of Maker hereunder.
15. **Termination.** This Note, the Deed of Trust, the Declaration and Maker's obligations hereunder shall be revived according to their original terms if, following any foreclosure or transfer in lieu of foreclosure, the owner of record before the foreclosure or transfer or assignment, or any entity that includes the former owner or those with whom the former has or had family or business ties, obtains an ownership interest in the Property.

All of the foregoing is referred to in this Deed of Trust as the "Property."

2. **Title.** Owner covenants that Owner holds fee title to the Property and has the right to grant and convey the Property and, except for the First Deed of Trust and other encumbrances of record acceptable

to the Senior Lien Holder and Lender (the "Permitted Exceptions"), the Property is unencumbered. Owner warrants and will defend generally the title to the Property against all claims and demands, subject to the Permitted Exceptions.

3. **Obligations Secured**. This Deed of Trust is given for the purpose of securing the following (collectively, the "Secured Obligations"):

a. Owner's performance of all of its present and future obligations under the following documents (collectively, the "**Owner Documents**"): Declaration of Restrictions for For-Sale Affordable Housing Units and Option to Purchase Agreement entered into between Owner and Lender, dated the same date as the Deed of Trust and recorded concurrently with this Deed of Trust (as it may be amended from time to time, the "**Declaration**"), and the Note.

b. Owner's performance of each agreement incorporated by reference contained in, or entered into in connection with, the Owner Documents, and Owner's performance of its obligations under this Deed of Trust and any additional agreements of Owner incorporated by reference or contained in this Deed of Trust.

c. Payment of the indebtedness evidenced by the Note (and all renewals, extensions and modifications of the Note) in the amount described in the Note, all interest, Appreciation, fees and costs due under the Note, any amounts advanced under Section 4 of this Deed of Trust to protect the security of this Deed of Trust; and any additional sums Owner may borrow or receive from Lender, when evidenced by an agreement or instrument reciting it is secured by this Deed of Trust.

4. **Protection of Lender's Rights in the Property**. To protect the security of this Deed of Trust, Owner agrees as follows:

a. By its execution and delivery of this Deed of Trust and the Note, that provisions (1) to (14), inclusive, of the fictitious deed of trust recorded in the Official Records of the City and County of San Francisco on October 23, 1961 at Book A-332, Page 905, hereby are adopted, incorporated herein and made a part hereof as fully as though set forth herein at length. Owner further agrees to observe and perform such provisions, and that the references to property, obligations, and parties in such provisions shall be construed to refer to the property, obligations, and parties specified in this Deed of Trust.

b. Owner shall perform the Secured Obligations in accordance with their respective terms.

c. If there is an event of default by the Owner under this Deed of Trust or any of the Owner Documents, or if the Property or any part thereof, or any interest therein is sold, conveyed, alienated or refinanced by the Owner, or by the operation of law or otherwise, in violation of any of the Owner Documents, all obligations secured by this Deed of Trust, at Lender's sole option and without demand or notice, shall immediately become due and payable.

d. If Owner fails to perform the covenants and agreements contained in this Deed of Trust, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien that has priority over this Deed of Trust (including sums secured by the First Deed of Trust), appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this Section 4, Lender is not required to do so.

e. Any amounts disbursed by Lender under this Section 4 shall become additional debt of Owner secured by this Deed of Trust. Unless Owner and Lender agree to other terms of payment, these amounts shall become a part of the Principal Amount of the Loan due to Lender under the Note.

5. Subordination. After the date of this Deed of Trust, any subordination of this Deed of Trust to financing secured by a deed of trust on the Property shall be approved by the Lender in its sole discretion.

6. Prior Deeds of Trust; Charges; Lien.

a. Owner shall perform all of the Owner's obligations under the First Deed of Trust and other deeds of trust, including Owner's covenants to make payments when due. Owner shall pay on time and directly to the person owed payment all taxes, assessments, charges, fines, and impositions attributable to the Property. Owner shall promptly furnish to Lender all notices of amounts to be paid under this Section. If Owner makes these payments directly, Owner shall promptly furnish to Lender receipts evidencing the payments.

b. Except for the Senior Lien, Owner shall promptly discharge any other lien that may encumber title to the Property unless Owner: (a) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings that, in Lender's sole discretion, operate to prevent the enforcement of the lien; or (b) obtains from the holder of the lien an agreement satisfactory to Lender in its sole discretion subordinating the lien to this Deed of Trust. Except for the Senior Lien, if Lender determines that any part of the Property is subject to a lien that may encumber title to the Property without Lender's prior written consent, Lender may give Owner a notice identifying the lien. Owner will discharge the lien or take one or more of the actions set forth above within thirty (30) days after Lender's notice.

7. Hazard or Property Insurance.

a. Owner shall keep the improvements now existing or hereafter erected on the real property insured on an all-risk form, excluding earthquake and flood, for one hundred percent (100%) of the replacement value, with a deductible not to exceed Ten Thousand Dollars (\$10,000) each loss. The insurance carrier providing the insurance shall be chosen by Owner subject to Lender's approval, which shall not be unreasonably withheld. If Owner fails to maintain coverage described above, Lender may, at Lender's option, and at Owner's cost, which shall be added to the Principal Amount and secured by this Deed of Trust, obtain coverage to protect Lender's rights in the Property in accordance with Section 4.

b. All insurance policies and renewals, including the issuer of the policies, shall be acceptable to Lender and shall include a standard mortgagee clause. All requirements of this Deed of Trust pertaining to insurance shall be deemed satisfied if the Owner complies with the insurance requirements under the First Deed of Trust. All original policies of insurance required pursuant to the First Deed of Trust may be held by the Senior Lien Holder; provided, however, Lender and its successors and assigns shall be named as a loss payee as its interest may appear and shall be named as an additional insured. If Lender requires, Owner shall promptly give to Lender copies of all receipts of paid premiums and renewal notices. In the event of loss, Owner shall give prompt notice to the insurance carrier, the Senior Lien Holder and Lender. Lender may make proof of loss if not made promptly by the Senior Lien Holder or the Owner.

c. Unless Lender and Owner otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not impaired as determined by Lender in its sole discretion. If the restoration or repair is not economically feasible or Lender's security would be impaired, the insurance proceeds shall be applied to the sums secured by this Deed of Trust, whether or not then due, with any excess paid to Owner. If Owner abandons the Property, or does not answer within 30 days from the date of a written notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Deed of Trust, whether or not then due. The 30-day period will begin when the notice from Lender that the insurance carrier has offered to settle a claim is given.

d. Unless Lender and Owner otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the payments referred to in the Note or change the amount of the payments. If under Section 23 the Property is acquired by Lender, Owner's right to any

insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Deed of Trust immediately prior to the acquisition.

e. Notwithstanding the above, Lender's rights to collect and apply the insurance proceeds under this Deed of Trust shall be subject and subordinate to the rights of the Senior Lien Holder to collect and apply such proceeds in accordance with the First Deed of Trust.

8. Occupancy, Preservation, Maintenance and Protection of the Property; Owner's Application; Leaseholds.

a. Owner shall occupy, establish, and use the Property as Owner's primary residence within sixty days after the execution of this Deed of Trust. Except as otherwise expressly permitted by the Procedures Manual, Owner shall continue to occupy the Property as his or her Primary Residence. Owner shall not destroy, damage or impair the Property, allow the Property to deteriorate, or otherwise commit waste on the Property. Owner shall be in default under this Deed of Trust if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's reasonable judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Deed of Trust. Owner may cure such a default and reinstate the Owner's obligations, as provided in Section 23, by causing the action or proceeding to be dismissed with a ruling that, in Lender's reasonable determination, precludes forfeiture of the Owner's interest in the Property or other material impairment of the lien created by this Deed of Trust or Lender's security interest.

b. Owner shall also be in default under this Deed of Trust if Owner, during the application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the Loan evidenced by the Note, including, but not limited to, representations concerning (1) Owner's intent to occupy the Property as a primary residence; (2) Owner's income and liquid assets; (3) Owner's eligibility as a first time homebuyer under the requirements of the Property Restrictions; (4) Owner's completion of an approved Homebuyer Education Course, and (5) Owners household size and composition.

c. The Owner acknowledges that this Property is subject to certain use and occupancy restrictions, limiting the Property's use to "low- to moderate-income" as described in the Affordable Housing Program Regulations. The use and occupancy restrictions prohibit the Owner from renting the Property. The violation of any use and occupancy restrictions may, if not prohibited by federal law, entitle Lender to the remedies provided in Section 23 below.

9. Assignment of Rents.

If an Event of Default has occurred and is continuing related to any lease of the Property in violation of the Property Restrictions, Borrower hereby irrevocably grants, transfers, and assigns to Beneficiary all of its right, title, and interest in and to any rents as additional security for the Secured Obligations, and Lender has the right, power, and authority to collect any and all such rents. Borrower hereby appoints Beneficiary its attorney-in-fact to perform any and all acts under this Section, if and at the times when Beneficiary in its sole discretion may so choose. Lender's right to any rents does not depend on whether or not Lender takes possession of the Property. In Lender's sole discretion, it may choose to collect any rents either with or without taking possession of the Property. If an Event of Default occurs while Lender is in possession of all or part of the Property and is collecting rents as permitted under this Deed of Trust, Lender, Trustee and any receiver shall nevertheless be entitled to exercise and invoke every right and remedy afforded any of them under this Deed of Trust and at law or in equity, including the right to exercise the power of sale granted hereunder. Under no circumstances shall Lender have any duty to produce Rents from the Property. Regardless of whether or not Lender, in person or by agent, takes actual possession of the Property, Lender is not and shall not be deemed to be a "mortgagee in possession" for any purpose; responsible for performing any of the obligations of the lessor under any lease; responsible for any waste committed by lessees or any other parties, any dangerous or defective condition of the Property, or any negligence in the management, upkeep, repair, or control of the Property; or liable in any manner for the

Property or the use, occupancy, enjoyment or operation of all or any part of it. Upon the occurrence and during the continuance of an Event of Default, Lender, at its option, may exercise its rights under this Section or otherwise provided under applicable law (including, but not limited to, under Section 2938 of the California Civil Code).

10. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Owner notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

11. Condemnation.

a. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of the First Deed of Trust.

b. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Deed of Trust, whether or not then due, with any excess paid to Owner. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Deed of Trust immediately before the taking, unless Owner and Lender otherwise agree in writing, Lender shall receive payment of the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Owner, and the amount secured by this Deed of Trust shall be reduced by the amount paid to Lender. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Owner and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Deed of Trust whether or not the sums are then due.

c. If the Property is abandoned by Owner, or if, after notice by Lender to Owner that the condemnor offers to make an award or settle a claim for damages, Owner fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Deed of Trust, whether or not then due.

d. Unless Lender and Owner otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of payments under the Note or change the amount of such payments.

12. Owner Not Released; Forbearance By Lender Not a Waiver. Any extension of the time for payment or modification or amortization of the sums secured by this Deed of Trust granted by Lender to Owner or Owner's successors in interest shall not operate to release the liability of the Owner or Owner's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Deed of Trust by reason of any demand made by the original Owner or Owner's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability. In the event more than one individual or entity executes this note as an Owner, then each Owner's covenants and agreements shall be joint and several.

14. Loan Charges. If the Loan secured by this Deed of Trust is subject to a law that sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be

reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Owner that exceeded permitted limits will be refunded to Owner. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Owner.

15. Notices. All notices required by this Deed of Trust shall be made in writing, and shall be deemed communicated by personal delivery or by United States mail, postage prepaid (unless applicable law requires use of another method), as of the earlier of actual receipt or three days from mailing, addressed as follows:

To Lender: Mayor's Office of Housing and Community Development
1 South Van Ness Avenue, 5th Floor
San Francisco, CA 94103

To Owner: At the Property Address in Section 1

To the Senior Lien Holder: **Mortgage Lending Institution**
555 Sample Street
San Francisco, CA 94105

or such other address as Lender, Owner or Senior Lien Holder may designate, from time to time, by written notice sent to the others in like manner.

16. Governing Law; Severability. This Deed of Trust shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Deed of Trust or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provision. To this end the provisions of this Deed of Trust and the Note are declared to be severable.

17. Owner's Copy. Owner shall be given one copy of the Note and a copy of this Deed of Trust, conformed to show the recording information.

18. Transfer of the Property or a Beneficial Interest in Owner.

a. Except for a conveyance to the trustee under the First Deed of Trust, and except as otherwise permitted under the Note, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Owner is sold or transferred and Owner is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Deed of Trust. However, Lender shall not exercise this option if exercise is prohibited by federal law as of the date of this Deed of Trust.

b. If Lender exercises its option under Subsection (a), Lender shall give Owner and the Senior Lien Holder prior written notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Owner must pay all sums secured by this Deed of Trust. If Owner fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Deed of Trust without further notice or demand on Owner.

c. Notwithstanding Lender's right to invoke any remedies under this Deed of Trust, as provided in Section 4 above, Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure, or exercise any other rights or remedies hereunder until it has given the Senior Lien Holder at least 60 days' prior written notice.

d. The Owner and Lender agree that whenever the Note or this Deed of Trust gives Lender the right to approve or consent with respect to any matter affecting the Property (or the construction of any improvements thereon) or otherwise (including the exercise of any "due on sale" clause), and a right of approval or consent with regard to the same matter is also granted to the Senior Lien Holder pursuant to

the First Deed of Trust, the Senior Lien Holder's approval or consent or failure to approve or consent, as the case may be, shall be binding on the Owner and Lender.

19. Owner's Right to Reinstate. If Owner meets certain conditions specified below, Owner shall have the right to have enforcement of this Deed of Trust discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Deed of Trust; or (b) entry of a judgment enforcing this Deed of Trust. Those conditions are that Owner: (a) pays Lender all sums which then would be due under this Deed of Trust and the Note as if no acceleration had occurred; (b) cures any default; (c) pays all expenses incurred by Lender in enforcing this Deed of Trust, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Deed of Trust, Lender's rights in the Property and Owner's obligation to pay the sums secured by this Deed of Trust shall continue unchanged. Upon reinstatement by Owner, this Deed of Trust and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 23 below.

20. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Deed of Trust) may be sold one or more times without prior notice to Owner. A sale may result in a change in the entity (known as the "Loan Servicer") that collects payments due under the Note and this Deed of Trust. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Owner will be given written notice of the change in accordance with Section 15 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

21. Hazardous Substances.

a. Owner shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances (as defined below) on or in the Property. Owner shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law (as defined below). The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

b. Owner shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Owner has actual knowledge. If Owner learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Owner shall promptly take all necessary remedial actions in accordance with Environmental Law. Prior to taking any such remedial action, however, the Owner shall notify Lender and the Senior Lien Holder that such remedial action is necessary and shall obtain the Senior Lien Holder's prior written consent for such remedial action.

c. As used in this Section 21, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this Section 21, "Environmental Law" means federal, state or local laws that relate to health, safety or environmental protection.

22. Owner's Default.

a. Failure to Pay as Required. If Owner fails to pay any amount due hereunder or under the Note when due, Owner will be in default under this Deed of Trust.

b. Non-Monetary Default. If Owner fails to perform any of the terms, covenants or obligations under this Deed of Trust or the Note, or if any representation or warranty made by Owner under this Deed

of Trust or the Note proves to have been incorrect in any material respect when made, Owner shall be in default under this Deed of Trust.

c. Cross-Default. If Owner is in default with respect to any other obligation for the Property, including but not limited to the Property Restrictions, the First Deed of Trust Loan, and the City Lien, and the default remains uncured following the expiration of any applicable cure periods, Owner will be in default under this Deed of Trust.

23. Acceleration; Remedies.

a. Lender shall give notice to Owner and the Senior Lien Holder prior to acceleration following Owner's breach of any covenant or agreement in this Deed of Trust. The notice shall specify: (i) the default; (ii) the action required to cure the default; (iii) a date, not less than 30 days from the date the notice is given to Owner (and with respect to the Senior Lien Holder, 60 days from the date the notice is given to the Senior Lien Holder), by which the default must be cured; and (iv) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Deed of Trust and sale of the Property. The notice shall further inform Owner of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Owner to acceleration and sale.

b. If the default is not cured by the Owner on or before the date specified in the notice, and the Senior Lien Holder has not exercised its right to cure the default, then Lender at its option may require immediate payment in full of all sums secured by this Deed of Trust without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Notwithstanding Lender's right to invoke any remedies hereunder, as provided in Section 4 above, Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure, or exercise any other rights or remedies hereunder until it has given the Senior Lien Holder at least 60 days' prior written notice. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 23, including, but not limited to, reasonable attorneys' fees.

c. If Lender invokes the power of sale, Lender or Trustee shall mail copies of a notice of sale in the manner prescribed by applicable law to Owner, the Senior Lien Holder and to the other persons prescribed by applicable law. Trustee shall give notice of sale by public advertisement for the time and in the manner prescribed by applicable law. Trustee, without demand on Owner, shall sell the Property at public auction to the highest bidder for cash at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property to any later time on the same date by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

d. Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (i) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (ii) to all sums secured by this Deed of Trust; and (iii) any excess to the person or persons legally entitled to it.

24. Obligations Cancelled. Upon a Transfer of the Property in accordance with the Declaration, Owner's obligations hereunder shall be cancelled, and the lien of this Deed of Trust shall be reconveyed. Notwithstanding anything to the contrary in this Deed of Trust, upon foreclosure on the Property by a senior third party lender or other transfer of the Property in lieu of foreclosure or upon an assignment to HUD of a mortgage which was made to secure Owner's purchase of the Property, the lien of this Deed of Trust shall be extinguished and the Note shall be cancelled if (a) the Property continues to be restricted as affordable housing under the Declaration of Restrictions, and (b) the foreclosure or other transfer recognizes any contractual or legal rights of the City and the Owner to take actions that would avoid the lien of the Deed of Trust to be extinguished. However, the Note, this Deed of Trust, the Declaration and Owner's obligations

hereunder shall be revived according to their original terms if, following any foreclosure or transfer in lieu of foreclosure, the owner of record before the foreclosure or transfer or assignment, or any entity that includes the former owner or those with whom the former has or had family or business ties, obtains an ownership interest in the Property.

25. Substitute Trustee. Lender, at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder by an instrument recorded in the county in which this Deed of Trust is recorded. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

26 Request for Notice. The undersigned Owner requests that a copy of any Notice of Default and of any Notice of Sale hereunder be mailed to it at the address of the Property specified above.

BY SIGNING BELOW, the Owner accepts and agrees to the terms and covenants contained in this Deed of Trust.

EXHIBIT C
ATTACH BUYER EXECUTED BMR AFFIDAVIT
BMR AFFIDAVIT

I, the undersigned, am purchasing the property at 123 Sample Street, Unit 2, San Francisco, CA 94102. I understand that this property is restricted by the Mayor's Office of Housing and Community Development (MOHCD) of the City and County of San Francisco for the purpose of assisting low- and, moderate-income first-time homebuyers. I affirm the following:

1. I am a first time homebuyer in that I have not held title to any residential property in the past 3 years.
2. The number of people who will occupy the property is 4.
3. I will occupy the property within 60 days of closing and remain in the property as my primary residence.
4. I will maintain my property in compliance with all applicable laws, ordinances, and regulations and in a good and clean condition, and maintain HO-6 condominium insurance or a homeowner's insurance policy listed the MOHCD or its successor as loss payee during the term of my ownership.
5. I understand that I cannot change or amend the title to my property without permission from the MOHCD or its successor.
6. 7. THIS DOCUMENT MUST BE NOTARIZED

MAYOR'S OFFICE OF HOUSING AND COMMUNITY DEVELOPMENT

**LIMITED EQUITY
HOMEOWNERSHIP PROGRAM**

**Loan Disclosure Information
With Statement of Acceptance**

May 2019

**IMPORTANT
NOTE TO THE READER**

In 2012, the San Francisco Redevelopment Agency (“SFRA”) was dissolved pursuant to California law. The Successor Agency to the Redevelopment Agency of the City and County of San Francisco, commonly known as the Office of Community Investment and Infrastructure (“OCII”), then became responsible for completing certain affordable housing obligations of the SFRA, including residential units to be sold under the Limited Equity Homeownership Program. The San Francisco Mayor’s Office of Housing and Community Development (“MOHCD”) implements the Limited Equity Homeownership Program on behalf of OCII.

The purpose of this Program Summary is to explain the Limited Equity Homeownership Program (“Limited Equity Program” or “Program”). Homes sold through this Program are subject to price controls at resale, as well as other terms and restrictions that affect your rights as a homeowner. Some of the terms and provisions are complex, and require that you thoroughly understand them prior to your purchase of a home.

IF YOU DESIRE TO PARTICIPATE IN THE PROGRAM AND PURCHASE A HOME, YOU MUST ATTEST TO YOUR FULL UNDERSTANDING OF AND AGREEMENT TO ALL THE PROGRAM’S TERMS AND CONDITIONS BY SIGNING BELOW PRIOR TO CLOSING ESCROW.

This Program Summary has been provided to a prospective homeowner under the Limited Equity Program as a convenience only, but does not override any of the City Documents (defined below) associated with the Program. If any information in this Program Summary conflicts in any way with any of the City Documents, the information in the City Documents override this Program Summary.

I, the undersigned, hereby acknowledge and accept all the terms and conditions contained in the Declaration of Restrictions for For-Sale Affordable Housing Units and Option to Purchase Agreement, the Promissory Note Secured by a Deed of Trust, the Deed of Trust and Assignment of Rents, and the Acknowledgment of the Declaration, Notice of Affordability Restrictions, and the City and County of San Francisco Inclusionary Affordable Housing Program Monitoring and Procedures Manual effective October 11, 2018, as it may be updated and amended from time to time (the “Procedures Manual”), all of which (“City Documents”) I have agreed to comply with in return for purchasing my home at a below-market-rate price. I acknowledge that a staff member of the Mayor’s Office of Housing and Community Development (“MOHCD”) of the City and County of San Francisco (“City”) explained the terms and provisions of the City Documents to me, and that I have had a chance to review this Limited Equity Homeownership Program Loan Disclosure Information document and the Procedures Manual, which further explain the City

Documents. I have also been provided enough time to seek an independent legal opinion about the City Documents and my purchase of the home, if I so chose.

I understand that by my execution of the City Documents, I agree that the resale price of my home will be restricted to a price that is affordable to a household of a predetermined size, earning a pre-determined percentage of Area Median Income ("AMI"), based on figures published by MOHCD, based on data published by the U.S. Department of Housing and Urban Development (or any government agency subsequently assuming this responsibility). I understand that MOHCD will determine the resale affordable price applicable to my home when I notify the City of my intent to sell. I understand that fair market value will not determine the resale affordable price of my home.

I further understand that the MOHCD's calculation of the resale affordable purchase price for my home will consider, in addition to the current income for a pre-determined AMI level, an interest rate which is the 10-year rolling average of 30 years of interest rates as calculated by the MOHCD (or its successor) and based on data provided by Freddie Mac, as well as other current housing costs, such as insurance, HOA dues, and taxes. I know that any proceeds I receive from the sale of my home will be affected by the value of these factors, since they will be used to calculate the resale affordable purchase price of my home.

I understand that the MOHCD imposes resale restrictions on homes that it subsidizes so that it can provide homeownership opportunities to future generations of low- and moderate-income families over time and that the equity I will be able to build in my home will be limited so that the Program is available to the next purchaser of my home. I understand that my ability to purchase my home at an affordable price is contingent on my agreement to comply with the resale controls and Program restrictions.

PROGRAM SUMMARY

- The purpose of the City's Limited Equity Homeownership Program ("Program") is to provide homeownership opportunities to low- and moderate-income households ("Eligible Buyers") who otherwise would not be able to purchase a home in San Francisco.
- To make homes affordable to Eligible Buyers, the City may sell land to developers at below-market-rate prices and/or provide construction funding. In return for this assistance, developers agree to sell the homes to Eligible Buyers. Eligible Buyers, in turn, purchase their homes at affordable prices and agree to comply with Program requirements.
- The City is able to offer the benefits of homeownership to many generations of Eligible Buyers through restrictions on resale prices, which limit the amount of equity that an Eligible Buyer is able to build. By limiting Eligible Buyers' equity, a given home can be resold at affordable prices again and again. Market fluctuations, which often result in prices beyond the affordability of low- and moderate-income households, do not affect limited equity resale prices.

PROGRAM ELEMENTS

#1: Eligibility

To qualify as an Eligible Buyer, households must meet the following criteria:

- Household income (including income calculated from assets) within the AMI "target range" of low- to moderate-income buyers.
- Ability to qualify for a 30-year fixed mortgage, such as, sufficient income, manageable debt, sufficient savings to cover the minimum down payment, closing costs, and required reserves.
- A minimum of 3% down payment (the entire 3% may be gift funds).
- A minimum of 3 months of housing payments (principal, interest, property taxes, hazard insurance, HOA dues and other related costs).
- First-time homebuyer status.
- Commitment to use the property as the buyer's primary residence.
- Any other requirements as set forth in the Procedures Manual.

MOHCD publishes AMI levels for San Francisco annually, based on data published by the U.S. Department of Housing and Urban Development. The AMI target ranges that determine a household's eligibility to purchase will vary from development to development, based on the amount of subsidy provided by the City to the developer. MOHCD will qualify all first-time homebuyers for both initial sales and resales. Program qualification documentation is required and detailed in the Procedures Manual.

#2: Affordable Purchase Prices

When developers set affordable purchase prices for units they sell, they use very specific information, as described below:

- AMI level: Developers in contract with the City are obligated to sell their units at prices affordable to households within a certain AMI "target range." For example, a developer in 2016 may be obligated to sell his/her units to households making between 80% and 100% of AMI. For a household of 3, this translates to incomes between \$77,550 and \$96,950.
- Household size: For the pricing calculation, the City assumes a household size is one person larger than the total number of bedrooms (except studio units which assume a one-person household; and SRO units which are calculated at $\frac{3}{4}$ of the price of a studio). For example, a household of one person is assumed for a studio, three people for a two-bedroom, four people for a three-bedroom, and so on. For occupancy, the City requires a minimum of one person per bedroom. For example, a single person can apply for a studio or one-bedroom unit only. A two-person household could apply for a studio, one-bedroom, or two-bedroom unit.
- 33% "PITI": Principal, interest, taxes, homeowners' insurance, homeowner's association dues and any other related costs – total housing costs – are assumed to be 33% of a household's gross monthly income.
- First mortgage interest rate: The City's calculation assumes a fixed mortgage interest rate based on the 10-year rolling average of 30 years of interest rates as calculated by MOHCD (or its successor) based on data provided by Freddie Mac. The City will not permit a variable rate mortgage or an interest-only mortgage, as such financing instruments are contrary to the objectives of long-term affordability and stability of the first time homebuyer program.

- Owner down payment: The City assumes (and requires at a minimum) that the household will make a cash down payment of 3% of the affordable purchase price; and the entire 3% may be gift funds.

Once MOHCD determines, for each unit, the applicable AMI level, the household size, the cost of taxes and insurance, and the interest rate, MOHCD can set the affordable purchase price. For example, a two-bedroom unit (which assumes a household of three) and the developer's obligation calls for pricing at an AMI level of 95% (with income eligibility up to a maximum of 100% of AMI), the three-person household's income would be \$92,103 in 2016. 33% of that income level is \$30,394, or \$2,533 per month. This figure, \$2,533, is the target total monthly payment for housing costs for all households buying at this income level. If the household's HOA dues were \$600 per month, taxes were \$350 per month, and property insurance was \$50 per month, the total monthly income available to pay the first mortgage would be \$1,533 per month (i.e., $\$2,533 - \$600 - \$350 - \$50 = \$1,533$). Using a 5% interest rate on a 30-year, fixed-rate first mortgage, the supportable mortgage would be \$285,539. Assuming a 5% down payment (since the first mortgage would cover 95% of the purchase price), the affordable purchase price would be \$300,567.

#3: Resale Affordable Purchase Prices

When a household decides to sell its home, it notifies the City, and the City calculates the resale affordable purchase price, using the same AMI percentage and household size that were used to calculate the seller's affordable purchase price. To follow the example given above, the family of 3 earning 95% of AMI that bought its home for \$300,567 in 2016 might decide to sell the home five years later. The City will determine the resale price by taking the income for a 3-person household at 95% of AMI in 2021 and limiting payments for PITI to 33% of gross monthly income. The calculation will use the then current 10-year rolling average of rates, and the then-current HOA, tax, and insurance costs, and it will assume a 5% down payment by the new Eligible Buyer. So, for example, if the ten-year average interest rate increased 0.5% between 2016 and 2021, AMI increased 15%, and taxes and insurance increased 5%, the resale affordable purchase price would be \$367,606. After subtracting the cost of necessary repairs (if any) and closing costs, the seller would be entitled to the difference

between the old affordable price and the new affordable price. The example is shown numerically below:

95% AMI, 3-person HH income, 2016 (2021 + 15%):	\$105,918
33% of gross income:	\$34,953
Per month:	\$2,913
Monthly HOA dues, taxes & insurance, 2016 (2021 + 5%)	(\$1,050)
Monthly income available for 1 st mortgage:	\$1,863
Mortgage (assuming 5.5% interest, 30-yr fixed)	\$328,072
5% Down payment:	\$17,267
Resale Affordable Base Price:	\$345,339
MLS Realtor Commission (up to 5% of Base Price):	\$17,267
Eligible Capital Improvements:	\$5,000
Resale Affordable Purchase Price:	\$367,606
Resale Affordable Purchase Price:	\$367,606
Closing costs (6% of Purchase Price)	(\$22,056)
Repayment of full 1 st mortgage + down payment:	(\$300,567)
Owner's new equity:	\$44,983
Plus principal paid on the mortgage:	\$23,332
Plus return of owner's down payment:	\$15,028
Net Return to Owner:	\$83,343

By transferring this property from one 95% AMI household to another under the Program, the home remains affordable, the benefits of homeownership are passed along, and all owners have a chance to earn limited equity!

#4: Capital Improvements: Maintenance

As shown above, AMI levels and current housing costs such as interest rates, HOA dues, property taxes and insurance costs determine affordable prices. Eligible Capital Improvements credit and Multiple Listing Service listing realtor commission fees (up to 5% of the resale base price) may be added to the resale affordable price as provided in Section 6.3 of the Declaration.

Owners may begin claiming capital improvements in their resale price that are made ten (10) years after the initial sale of the property. Owner must follow the Capital Improvements policies and procedures as set forth in the Procedures Manual.

#5: Minimum Resale Value

As described above, the resale affordable purchase price is subject to factors that fluctuate over time, such as mortgage interest rates, taxes, and insurance costs. Because of the variability of these factors,

owners assume some risk when they purchase their homes! For example, if the interest rate used in the pricing calculation increases from the time of initial purchase to time of resale, and increases in AMI over that same time do not compensate for the interest rate increase, a resale affordable purchase price could actually be lower than the original price an owner paid. The MOHCD's use of the 10-year rolling average of interest rates is intended to minimize the interest rate risk at resale, but there is no guarantee that the 10-year average will not increase over time.

Owners are solely responsible for:

- Home Maintenance. Owner may not destroy or damage the property, allow the property to deteriorate, or otherwise commit waste on the property. Owner must maintain the property in compliance with all applicable laws, ordinances, and regulations and in a good and clean condition and all appliances and fixtures must be in good working order. Any damage by abnormal or excessive wear and tear or because of neglect, abuse, or insufficient maintenance, must be repaired as provided in Section 7.5 of the Declaration.
- Inspection and Repairs upon Resale. Owner shall follow the MOHCD's Property Inspection and Repairs Policy as it exists at the time of the proposed resale as set forth in Section 7.5 of the Declaration, and as further detailed at <https://sfmohcd.org/property-inspection>.
- First Mortgage Balance. If the resale affordable purchase price is insufficient to pay off the first mortgage, the owner is solely responsible for his/her mortgage debt beyond that adjusted resale affordable purchase price. Please note that the first mortgage lender will not release its lien unless the mortgage is repaid in full. If the first lender does not release its lien because the owner has not or cannot fully repay it, then the sale will be cancelled or the owner will be in default.

#6: Owner Refinancing

To protect its investment and to preserve the intent of the Program, the City must approve all refinancing agreements.

Owners must obtain MOHCD's prior written approval of any refinancing of a loan and the addition of any lien on the property regardless of lien position. At all times, the City's lien position must be maintained and

will only be subordinated as specifically provided in the MOHCD Subordination Policy. Owners must follow the MOHCD Subordination Policy at <https://sfmohcd.org/subordination-refinance>.

#7: Permissible Transfers & Resales

Owners may transfer the property only to an Eligible Buyer under the Transfer Procedures in Section 7 of the Declaration.

#8: City Purchase Option

While the City may purchase the home as an Eligible Buyer (in a standard sale transaction), it retains an option to purchase the home in the event of owner default under either the City Documents or the first mortgage.

#9: Owner Default and City Remedies

An owner is in default of the City Documents if any of the following occur:

- A transfer of the property in violation of the Declaration of Restrictions for For-Sale Affordable Housing Units and Option to Purchase Agreement;
- Use of the property other than as owner's primary residence (owners must certify annually that they occupy the home at least 10 months out of every 12);
- Renting or subleasing any part of the property is not permitted without the prior written approval from the City. No part of a property can be rented or subleased as a short-term rental or listed on short-term rental or vacation rental sites at any time. Renting of a parking space or any other space purchased with the property is also prohibited.
- Failure to pay required housing costs, such as taxes, homeowners association dues, assessments, or insurance;
- Placement of any mortgages, liens, or encumbrances on the property that the City has not approved;
- Any other violation of the City Documents; or
- A default on the first mortgage.

If an owner is in default and doesn't or can't cure the default within the times specified in the City Documents or first mortgage documents, the City can exercise its purchase option, commence an action for specific performance or an injunction to prevent an impermissible sale, foreclose on its deed of trust, and/or exercise any other remedy permitted by law.

#10: City Promissory Note and Deed of Trust

To protect its investment, the City requires that all owners execute a promissory note and deed of trust when they purchase their homes. Its purpose is to protect the City's investment if an owner defaults on the first mortgage or City obligations. An owner default "triggers" the promissory note and City deed of trust, which secures the promissory note against the property and is recorded to provide public notice of the owner's obligations under the Program. In the case of default, the promissory note states that the owner must pay the City the entire principal balance and the Appreciation of the Note, together with all accrued and unpaid interest thereon, if any. The Appreciation is calculated as the amount equal to the difference between (i) Unrestricted Price, and (ii) the appraised fair market value of the property at the time of resale without regard to the Property Restrictions.

Financing for the 3-person, 95% AMI household can again illustrate the issue. This household had an affordable purchase price of \$300,567 with a BMR Note of \$499,433 (calculated based on the fair market value at the time of purchase \$800,000). If they defaulted on their loan, and fair market value was, for example, \$1,000,000, they would owe the City \$699,433 (plus default-related costs) under the City's promissory note.

If an owner transfers his/her property according to the Program requirements and complies with all other City and first mortgage obligations, the City will simply terminate the promissory note and deed of trust at resale.

#11: Transfer by Marriage, Domestic Partnership, and Inheritance

If an owner marries or enters a domestic partnership, the spouse or partner can become a co-owner but no sooner than 12 months after the original purchase. If Owners enter into a dissolution of marriage or

Domestic Partnership after purchasing the property, an Owner may be removed from the title of the property on Owners' mutual agreement but subject to the City's prior written consent.

Upon the death of a property owner or owners, the home can be transferred by inheritance, will, or any other function of law to the Owner's child, spouse, or Domestic Partner provided that transferee is an Eligible Buyer. See the Transfer requirements and procedures as set forth in the Procedures Manual for details.

#12: Term

The term of the City Documents –the period of time that resale restrictions and all other City obligations-- apply for the life of the Project. Notwithstanding the foregoing, the Declaration will terminate on: (i) a Transfer of the property in compliance with the terms of the Declaration, and (ii) execution and recordation of a declaration with the same form and substance as the Declaration by the Eligible Buyer.
