## **Introductory Section**

### **Housing Successor – MOHCD**

On June 28, 2011, Assembly Bill 26 (AB 26) was enacted. This legislation is referred to as the Redevelopment Dissolution Law. On December 29, 2011, the California Supreme Court upheld the constitutionality of AB 26 and all redevelopment agencies in California were dissolved by operation of law effective February 1, 2012. The City's Board of Supervisors elected, under Resolution 11-12 (January 26, 2012), to retain the housing assets and functions, rights, powers, duties and obligations previously performed by the former San Francisco Redevelopment Agency (Agency). In June of 2012, the State passed additional legislation through Assembly Bill 1484 (AB 1484). AB 1484 clarified that successor agencies to former redevelopment agencies are separate public entities and must retain affordable housing obligations to qualify for funding from property tax revenues (former tax increment) to fulfill those obligations. Subsequently, the City implemented AB 1484 by Ordinance No. 215-12 (October 4, 2012) and acknowledged that the Successor Agency retained enforceable obligations for the development of affordable housing required to fulfill the Major Approved Development Projects and the Replacement Housing Obligation.

The Mayor's Office of Housing and Community Development (MOHCD) now manages the affordable housing assets transferred from the former Redevelopment Agency, as well as affordable housing assets transferred to MOHCD by the Successor Agency after their enforceable obligation is satisfied. The housing assets are placed in a Special Revenue Fund, the Low and Moderate Income Housing Asset Fund, pursuant to AB 26 and AB 1484.

MOHCD coordinates the efforts of the City to maximize housing opportunities for low income households and individuals. MOHCD administers a variety of programs for housing finance funded by federal, state, and local sources. MOHCD is audited annually as part of the Comprehensive Annual Financial Report of the City and County of San Francisco. The City and County's audit report for the year ending June 30, 2019 was issued on December 30, 2019.

## Housing Assets Transferred

### Housing Assets

In 2012 MOHCD received \$6.2M of assets held for sale all of which has been sold as of June 30, 2019 and \$95M of land held for lease from the former Agency. In the fiscal year ending June 30, 2012, MOHCD recorded \$124M in land from the former Agency. However, \$29M was transferred from MOHCD to the Successor Agency in the fiscal year ending June 30, 2013. In FY 15 \$4.6M of land was transferred from OCII to MOHCD (Hugo Hotel) and in FY 16 \$326K of land was transferred (474 Natoma). In FY 19 \$3.3M of land (350 Friedell and 25 Essex) and air rights (280 Beale) was transferred from OCII to MOHCD. As of June 30, 2019 MOHCD manages over \$103M of housing assets from the former Agency.

## Required Information

California Health and Safety Code Section 34176.1(f) requires that the following information be included in the report. Italicized portions below are not found in Section 34176.1(f), but are included for clarity and may be drawn from other portions of the Health and Safety Code or other external explanations.

1. **Amount Deposited into LMIHAF.** The amount deposited to the Low and Moderate Income Housing Asset Fund, distinguishing any amounts deposited for items listed on the Recognized Obligation Payment Schedule (ROPS) from other amounts deposited.

The amount deposited to the Low and Moderate Income Housing Asset Fund, distinguishing between amounts deposited pursuant to subparagraphs (B) and (C) of paragraph (3) of subdivision (b) of Section 34191.4.

**Please see Income Statement Financial Section.**

**We note that during the year ended June 30, 2010, the former Agency borrowed \$16.5 million from the Low and Moderate Income Housing Fund (LMIHF) to make payment of \$28.7 million to the Supplemental Education Revenue Augmentation Funds (SERAF) to meet the State's Proposition 98 obligations to schools. Upon dissolution of the former Agency, the City elected to become the Housing Successor Agency and retained the former Agency's housing assets and functions, rights, powers, duties, and obligations. For the year ended June 30, 2019, the Successor Agency made principal payments in the amount of \$1.8 million to the City. The outstanding payable principal balance at June 30, 2019 was \$6.4 million.**

**Intergovernmental Revenue – Other is related to the SERAF loan principal payment.**

**Other Revenues are Principal Repayments to the Low Mod Income Housing Asset Fund.**

2. **Ending Balance of LMIHAF.** A statement of the balance in the fund as of the close of the fiscal year, distinguishing any amounts held for items listed on the Recognized Obligation Payment Schedule from other amounts.

paragraphs (2) and (3) of subdivision (a), *The amount that can be spent on monitoring and administration is capped at 5% of the value of the assets in the Fund or \$200,000, whichever is greater.*

**As of July 1, 2018 the value of assets (land held for lease) in the Fund totaled over \$103M. MOHCD also received transferred loans from the Office of Community Investment and Infrastructure (SFRA Successor), however the loan allowance for the transferred loans approaches 100% and as such, the value of the loans is not included in the calculation of the value of assets in the Low and Moderate Income Housing Asset Fund.**

**As of June 30, 2019 with assets totaling \$103M, MOHCD was allowed to spend around \$5M on monitoring and administration, of which MOHCD only spent \$1.5M (less than 5% of value of assets in fund). Please see income statement section.**

If the housing successor fails to meet the extremely low income requirement in any five-year period, at least 50 percent of the funds in each fiscal year must be spent for extremely low income households until the extremely low income target is met. Similarly, if the housing successor exceeds the expenditure limit for households earning between 60 to 80 percent of median income, the housing successor is prohibited from spending funds on housing in that income range until the limit is met.*

**MOHCD spent \$3.8M on housing development in FY 19. Please see item # 9 for documentation related to AMI of the units.**

4. **Value of Assets Owned by Housing Successor in LMIHAF.** As described in paragraph (1) of subdivision (a), the statutory value of real property owned by the housing successor, the value of loans and grants receivable, and the sum of these two amounts. *"Statutory value of real property" means the value of properties formerly held by the former redevelopment agency as listed on the housing asset transfer form approved by the Department of Finance and the purchase price of properties purchased by the housing successor.*

However, it may be useful for housing successors to track this information on an annual basis to ensure the requirement is met every five years. The required income targeting expenditures are that, over a five year period, the funds remaining after expenditures for monitoring and administration and rapid rehousing services, if any, must be expended for the development of housing affordable to and occupied by households earning 80% or less of the AMI, with at least 30% of the funds expended on the development of housing affordable to and occupied by households earning 30% or less of the AMI and not more than 20% of the funds expended on the development of housing affordable to and occupied by households earning between 60% and 80% of the AMI.*
