**1. What new challenges has COVID-19 created for your agency and the populations you serve, and how will your FY 2021-2022 work plan for your project strengthen the response to those challenges? Please include any new or shifted/adjusted staffing, project activities, client outcomes, partnerships, and/or other changes that are planned.**

(5,000 characters or less)\*

(The character limit is 2,500 on this page, and 2,500 on the next page)

**1. Continued text  
space...**

(2,500 characters or less)

**2. Given the COVID-19 pandemic, MOHCD's highest-priority investment areas will be housing stability, anti-displacement, and increasing resilience and economic self-sufficiency.**

**Our approach to racial equity is to address disparities and ensure measurable outcomes for communities. To learn more about these disparities, see pages 12 through 14 of this RFP.**

**A. How does your project address one or more of the key areas above?**

**B. Who are your target populations (please refer to page 6 in the RFP), and how does your project address the disparities they face?**

**C. What measurable outcomes will participants achieve through this project?**

(5,000 characters or less)\*

(The character limit is 2,500 on this page, and 2,500 on the next page)

**2. Continued text  
space...**

(2,500 characters or less)
