for Public Review and Comment**

The Mayor's Office of Housing and Community Development (MOHCD), Office of Economic and Workforce Development (OEWD) and Department of Homelessness and Supportive Housing (HSH) announce the availability of the Draft 2020-2024 Consolidated Plan and Draft 2020-2021 Action Plan for public review and comment from May 7, 2020 through June 5, 2020.

The Consolidated Plan is a five-year strategic plan that serves as a planning document for San Francisco's community development and affordable housing activities. The Consolidated Plan also serves as an application for federal funds under the following U.S. Department of Housing and Urban Development (HUD) formula grant programs: Community Development Block Grant (CDBG); Emergency Solutions Grant (ESG); HOME Investment Partnerships (HOME); and Housing Opportunities or Persons With AIDS (HOPWA). The strategies that are included in the Consolidated Plan will be used to make funding decisions under these four federal programs as well as other funding sources administered by MOHCD.

The 2020-2021 Action Plan is the first-year implementation plan under the 2020-2024 Consolidated Plan. It outlines community development and affordable housing strategies and priorities that will be supported with the four federal funding sources and other funding sources administered by MOHCD during the program year that starts on July 1, 2020 and ends on June 30, 2021. Please note that specific funding recommendations for projects for the 2020-2021 program year have already been made available for public review and comment and will not be included in the Draft Action Plan document.

The Draft 2020-2024 Consolidated Plan and Draft 2020-2021 Action Plan will be available for review beginning May 7<sup>th</sup>. The draft documents will be available electronically on the MOHCD website at <https://sfmohcd.org/>, OEWD website at <https://oewd.org/>, and HSH website at <http://hsh.sfgov.org/>. Due to the current shelter in place order, hard copies of these documents will not be available.
