The purpose of the hearing is to receive comments on the Draft 2019-2020 Action Plan, which includes preliminary funding recommendations for the four federal programs.

The Draft 2019-2020 Action Plan outlines community development and housing strategies and priorities that will be addressed and includes preliminary funding recommendations for projects that will be supported with the four federal funding sources during the upcoming fiscal year. The estimated amounts of funding the City and County of San Francisco will receive from the U.S. Department of Housing and Urban Development (HUD) are as follows: CDBG - \$18,100,000; ESG - \$1,400,000; and HOME - \$5,800,000. Please note that at the time of this notice, the 2019-2020 funding amounts for the four federal programs have not yet been issued by HUD.

CDBG, ESG, HOME and HOPWA funds will be used to support the following three objectives, which are described in San Francisco's 2015-2019 Consolidated Plan:
