

Resident Qualification Acknowledgment

In order to assist you with your decision on your new home, we are providing this list of the requirements we use to qualify applicants for residency in this community. Nothing contained in these requirements shall constitute a representation that all residents and occupants currently residing in our community have met or currently meet these guidelines. Each person age 18 or older who will live in the apartment home must submit an application and satisfy these requirements. In addition, applicants and occupants must meet all of the qualification requirements of the applicable affordable housing program(s) in place at this community. Subject to applicable laws, our requirements include, but are not limited to, the following criteria:

IDENTIFICATION. Applicants must present a valid government issued photo identification card for each person age 18 or older.

INCOME. Applicants must have verifiable income that meets or exceeds 2 times the resident-paid portion of the rent. Gross income for the household, including unearned income of minors and Adult Dependents, will be verified and combined to determine income eligibility. Annual household income cannot exceed the maximum allowable income as determined by affordable housing program guidelines in effect for this community. Housing Vouchers, such as Section 8, are accepted. The minimum income required for housing voucher or certificate holders must be at least 2 times the resident-paid portion of the rent.

STUDENT STATUS. If required by the affordable housing program, households with part-time and/or full-time student(s) must meet applicable program exceptions in order to be considered for residency.

APPLICATION FEE. An application fee of \$24.95 will be charged and due once the completed application is submitted for review and income eligibility has been determined. This fee pays for the expense of the credit report and criminal background check.

CREDIT STANDARD. We obtain a credit report on each applicant once income eligibility has been determined. Our credit reporting agency evaluates the most recent 24 months of credit (which may include rent payment history) as an indicator of future rent payment performance. Rental collections totaling \$2,000 or more will be basis for denial. Medical and Student Loan debt will not be considered. Applicants are responsible for ensuring their credit history is accurate. A documented history or pattern of past due consumer debts totaling \$2,000 or more within the most recent 24 months may result in a denial or conditional approval based on credit screening results. Applicants that are declined will not be able to proceed with the leasing process. Applicants that are approved with conditions will be required to pay an additional deposit equal to one month's rent. Mitigating Circumstances will be considered on a case by case basis.

RENTAL HISTORY. Our credit reporting agency also reviews eviction and court databases to search for both eviction filings and judgements within the past 24 months. No Fault or Dismissed evictions will not be held against the household. If a household does not meet the rental history criteria, they will be approved with conditions and be required to pay an additional deposit equal to 1 times the monthly rent. If the applicant does not meet this requirement, it could result in the denial of their application and may not proceed with the leasing process. Mitigating Circumstances will be considered on a case by case basis.

GUARANTORS. Guarantors are not accepted.

CRIMINAL HISTORY. We obtain a criminal background check on each applicant who will reside in the apartment. It is possible your application will be denied due to criminal convictions. The criminal background check will not be processed until all other eligibility criteria has been met. Qualified applicants with criminal history will be considered for housing in compliance with Article 49 of the San Francisco Police Code, "The Fair Chance Ordinance."
